

# SODEXO WORKERS AUTHORIZE STRIKE AT KECK-USC

On Monday, January 19, Sodexo workers voted 92% in favor of authorizing our bargaining committee to give a 10-day strike notice if and when necessary.

With this vote, we join the service and tech workers in calling on Keck-USC to settle fair contracts with its employees.

Nearly 900 of us now stand in solidarity to fight Keck-USC's poverty wages, inadequate sick leave, poor staffing, minimal healthcare and retirement benefits, and its refusal to offer us the tuition assistance benefit that it gives to thousands of other members of the Trojan family.

**Together we are gearing up for a potential strike.**

Next bargaining session:  
February 9  
10 a.m.–5 p.m.  
Federal Mediation Center  
Glendale
