

Kaiser Permanente has broken another record.

Last week, Kaiser announced its profits  
for the first quarter of 2014.

# \$1.1 BILLION

That's a 44% increase  
over the first quarter  
of 2013.

And it puts Kaiser on  
pace to nearly double  
last year's record  
profits of \$2.7 billion.

Where is this money going?

To patient care? **No.**

To employees? **No.**

To executives????
