

Fountain Valley Regional Hospital **BARGAINING UPDATE**

NOVEMBER 2, 2016

Our NUHW Bargaining Committee met with Tenet-Fountain Valley management on Tuesday, November 1.

In our first five days of negotiations, we have made 22 proposals. Management has responded to just six of our proposals and we have reached agreement on four.

Although Tenet has delayed the process, we are determined to make management finally understand that **we need a fair contract now.**
