

# FOUNTAIN VALLEY REGIONAL HOSPITAL BARGAINING UPDATE

NOVEMBER 11, 2016

Our NUHW Bargaining Committee met with Tenet-Fountain Valley Regional Hospital management on Thursday, November 10.

We reached tentative agreement on two proposals: the Preamble, which highlights the need to work together, and a Recognition clause that ensures that PBX and the Cath Lab Secretary are part of our union.

We also discussed a Health and Safety clause that highlights issues pertaining to security, work place violence, and disease prevention.
