

# SUPPORT OUR EVS AND DIETARY WORKERS! WEDNESDAY, JUNE 21

## STICKER UP

June 1

Wear a *United for Sodexo Workers* sticker to show support!

## RALLY

June 21 • 2 to 4 PM

Join us at a rally at the corner of Warner and Euclid!

Support our housekeeping, dietary, and food service workers, who are employed by the multinational corporation Sodexo! They've been bargaining their first contract, but management's been unwilling to move.

Sodexo's wages are far lower than their competitors — some workers still make the minimum wage even after working for more than ten years with the company! And in some cases, workers with more seniority earn less than new hires.

With wages so low, many workers and families either forgo health insurance or rely on Medi-Cal because they cannot afford Sodexo's costly health insurance.

When we were fighting for our contract, our Sodexo colleagues joined our picket line. Now it's our turn to support them.

**Wear your stickers on June 1. And on June 21, we will have a rally (this is not an info picket) to tell Sodexo that they need to start treating their workers with respect and that workers deserve a fair contract!**

Look on your June 2 paycheck for your first union raise! Retro pay on June 16.  
Questions? Talk with a bargaining team member in your department.
