

**COLLECTIVE BARGAINING
AGREEMENT**

Between

NATIONAL UNION OF HEALTHCARE WORKERS

and

PROVIDENCE TARZANA MEDICAL CENTER

January 1, 2015 through December 31, 2017

Additional Representation Rights:

The following holding of the U.S. Supreme Court in NLRB v. Weingarten, Inc., shall apply to investigatory interviews conducted by the employer that an employee, upon his/her request, is entitled to have a Union Representative present during an investigatory interview in which the employee is required to participate where the employee reasonably believes that such investigation will result in disciplinary action. The right to the presence of a Union Representative (Union Representative or Union Steward) is conditioned upon a requirement that the Union Representative be available for participation in such investigatory interview within twenty-four hours, excluding Saturday, Sunday, and Holidays, of the employee's request for his or her presence.

Weingarten Rules/Statement:

“I request to have a Union Representative present on my behalf during the meeting because I believe it may lead to disciplinary action being taken against me. If I am denied my right to have a Union Representative present, I will refuse to answer accusatory questions and any I believe may lead to discipline.”

Rule 1: The employee must make a clear request for Union representation before or during the interview. The employee cannot be punished for making this request.

Rule 2: After the employee makes the request, the employer must choose from among three options:

1. Grant the request and delay questioning until Union representation arrives and has a chance to consult privately with the employee;
2. Deny the request and end the interview immediately;
3. Give the employee a choice of having the interview without representation or ending the interview.

Rule 3: If the employer denies the request for Union representation and continues to ask questions, the employer commits an unfair labor practice and the employee has the right to refuse to answer. The employer may not discipline the employee for such refusal.

PREAMBLE

This Agreement is made and entered into on this date, January 1, 2015, by and between Providence Tarzana Medical Center (hereinafter referred to as the "Hospital"), and the National Union of Healthcare Workers (hereinafter referred to as the "Union" or "NUHW").

In order to provide employment stability during these economic times, in light of the ever-changing health care industry, and to form a basis for future agreement over matters of mutual concern to the Hospital and the Employees who work there, the Hospital and the Union shall execute this contract. Among other important goals, this contract is designed to:

- Promote a way for Employees, the Union and the Hospital to work together to improve the quality of healthcare and the working environment and maintain contract standards;
- It is the mutual intent of the parties that the Hospital and its management, Employees, and their Union Representatives treat each other with dignity, respect courtesy and trust; and that these principles shall also apply in all interactions with patients and visitors. It is further the intent of the parties that the provisions of this agreement further these goals.

ARTICLE 1 - RECOGNITION AGREEMENT

1. The Hospital recognizes the National Union of Healthcare Workers as the sole and exclusive bargaining representative of those Employees in its Tarzana Hospital:
2. Included: All full time, regular part-time, and per diem service, maintenance, technical, skilled maintenance, and business office clerical Employees employed by the Hospital at its Tarzana Hospital;

Excluded: All other Employees, registry Employees, travelers, subcontracted Employees, Employees of outside registries and other agencies supplying labor to the Hospital, physicians, residents, managerial Employees, confidential Employees, guards and supervisors as defined in the National Labor Relations Act.

3. SUPERVISORY EMPLOYEES

The Hospital recognizes the fact that bona fide supervisory employees (pursuant to NLRB definition) are only those who have the authority to hire, promote, discipline, discharge, or otherwise effect changes in the status of employees or effectively recommend such action. The Hospital shall not establish jobs or job titles for the purpose of excluding work or Employees from the bargaining unit as established in this Article of the Agreement and shall not hire or utilize existing supervisors to perform bargaining unit work. Supervisory employees will not perform duties normally performed by Employees falling within the scope of this Agreement except for emergencies requiring immediate action, or under circumstances that are beyond the control of the Hospital, or for training situations where the performance of bargaining unit work may be required, but is limited and minimal, or where necessity to maintain competencies may be required, but is limited and minimal, or in an emergency and/or a situation where the delivery of health care services or important operations could be compromised and it would be necessary for a supervisor to assist until an appropriate bargaining unit Employee is available).

4. The Hospital agrees that programs such as JTPA, Developmentally Disabled Programs,

volunteers, students, student interns or other student programs and summer youth programs shall not be utilized to displace bargaining unit Employees, or to fill positions previously occupied by bargaining unit Employees, nor shall they be used to reduce or limit hours of work for bargaining unit Employees.

5. The Hospital shall notify the Union upon commencement of JTPA, Developmentally Disabled Programs, volunteers, student interns or other student programs and summer youth programs including the number of participants, their classification, duties, work location, hours per week, and the duration of the program. Information including the number of participants, their classification, duties, work locations, hours per week, and the duration of the program shall be furnished to the Union at any time, upon request.
6. The Hospital agrees not to challenge the bargaining unit status of any Employee covered by this Agreement, claim that any Employee covered by this Agreement exercises supervisory authority within the meaning of the National Labor Relations Act, assign duties to or remove direct patient care duties and responsibilities from any Employee for the purpose of removing that Employee from the bargaining unit. Finally, the Hospital also agrees that during the term of this Agreement it will not challenge the Union's right to represent any Employee covered by this Agreement based on a claim that such Employee is a supervisor within the meaning of the National Labor Relations Act.

ARTICLE 2 - UNION REPRESENTATION

A. UNION STEWARD

1. The Union shall provide the Hospital with a written list of Union stewards after their designation, and shall notify the Hospital of changes as they occur. The Union shall designate one steward as Chief Steward. Prior to the Hospital's receipt of such Union designation, the Hospital is not obligated to recognize a Union steward under this Article.
2. The functions of the Union steward include the authority 1) to settle or assist in settling problems arising in connection with the application or interpretation of the agreement, 2) to resolve grievances at Step 1 or 2 of the grievance procedure and 3) to serve as a Union representative for Weingarten meetings.
3. Union Stewards shall perform their functions or Union related activities on their own time except as provided for in paragraph 5, "Paid Release Time For Union Stewards" (below). However, if a meeting is mutually agreed to with the Union steward during the steward's work shift, that time will be paid for by the Hospital. If the Union Steward wishes to schedule a meeting with Employees during the union steward's work shift, unpaid leave time shall not be unreasonably denied.
4. Whenever a bargaining unit Employee requests a Steward's presence at a Step 1 grievance meeting with a supervisor, every effort will be made to schedule such meeting a minimum of 24 hours in advance. The Steward will notify his/her supervisor of such meeting and arrange for his/her own release, when possible, to attend. Should the supervisor determine that releasing the requested Steward is not possible, the Union Steward or Field Representative will either reschedule the grievance meeting or select an alternate Steward. Steward release will not affect the grievance procedure timelines as outlined in Article 9 - Grievance Procedure. Nothing

in this provision overrides the grievance procedure as detailed in Article 9.

5. PAID RELEASE TIME FOR UNION STEWARDS

- a. The Hospital shall provide a maximum of four (4) hours per month of paid release time for specifically authorized Union Stewards. This paid release time shall not be scheduled in such a way as to create overtime. There shall be one (1) specifically authorized union steward for every one hundred twenty-five (125) bargaining unit members with a minimum of five (5) stewards and a maximum of eight (8) stewards eligible for this paid release time.
 - b. The four (4) hours provided may be utilized for monthly steward meetings, steward education, and steward training, designed to further the relationship between the Hospital and the Union. At least fourteen (14) days prior to the posting of the staffing schedule, the Union shall provide written notice to the Human Resources Director that paid release time is requested and the individuals for whom it is being requested. Paid release time is subject to staffing and scheduling needs. A steward who is specifically authorized for paid release time will be permitted to leave their normal work to utilize these hours. The parties agree to work together on scheduling issues that may arise, including last minute scheduling changes by either party.
6. Union Stewards shall not direct any Employee as to how to perform or not perform his/her work, shall not countermand the order of any supervisor, and shall not interfere with the normal operations of the Hospital or any Employee.

B. UNION ACCESS

1. One duly authorized Field Representative of the Union shall be permitted to enter the Hospital at reasonable times for the purpose of observing whether this Agreement is being adhered to and/or to check on complaints of bargaining unit Employees. The Union Field Representative shall advise the Director of Human Resources or his/her designee of each visit upon entering the Hospital. If the Director of Human Resources or his/her designee is not on site and/or on duty, the Union Field Representative will call and/or page the Director of Human Resources or his/her designee. The Union Field Representative will abide by patient confidentiality, infection control, and other Hospital policies applicable to such areas. When at the Hospital, the Union Field Representative will wear his/her Union Representative badge issued by the Hospital. In the following special circumstances: steward elections, steward meetings, and steward trainings, one (1) additional Union Field Representative will be allowed access to a conference rooms that has been reserved in accordance with Section D below, provided the Director of Human Resources is given at least one week advance notice.

The Union Field Representative shall not interfere with the work of any Employee. This shall not prevent the Union Field Representative from conferring with an Employee and his/her supervisor or Hospital representative on Hospital time in connection with the complaint or problem concerning the Employee.

2. During the term of the Agreement, if the Hospital believes that a Union representative is violating the limitations on access as set forth above, the Hospital may request an immediate meeting with representatives of the Union to discuss and attempt to

informally resolve the Hospital's concerns. This meeting will be held in person or telephonically within twenty-four (24) hours of the Hospital's request. In the event that the Hospital's concerns are not resolved to the Hospital's satisfaction within forty-eight (48) hours of its request for such a meeting, the Hospital may submit the issue to expedited arbitration. The arbitrator will be selected in the same manner as set forth in Article 9.

C. BULLETIN BOARDS

The Hospital shall provide one (1) glass enclosed locking bulletin board in a mutually agreed location. In addition, in departments where NUHW bargaining unit members work, an 8 ½ x 14 posting space will be provided in currently existing non-public Employee break rooms. The bulletin board and designated break room space is for posting of notices and announcements regarding Union business, such as meetings, internal Union election results, education, and social events. Posted material shall bear the date and identity of the Union. Posted material shall not violate any federal, state, or county laws. In addition, the Union shall not post any notice which: (1) involves a politician, political candidate, or political issue, or (2) disparages or demeans any individual or the Hospital, its affiliates, or related entities. Both the Union and the Hospital shall have a key to the bulletin board. The Hospital shall not access the bulletin board until a request has been made to the Union, in writing, and a reasonable time given for discussion. Material posted on the public bulletin board will be provided to Human Resources before it is posted. Upon request from the Hospital, the Union shall promptly remove any materials that violate this article.

D. USE OF FACILITY CONFERENCE ROOMS

The Hospital shall provide the Union reasonable access to on-site conference rooms upon request to the Director of Human Resources and, based upon availability. The Union shall only utilize the conference rooms for the purpose of contract administration and shall not utilize the conference rooms for the purpose of organizing the un-organized Employees.

The hospital will provide the Union with a maximum of eight (8) hours per month of conference room access for hospital Employee meetings or conferences regarding Union business related to the hospital.

ARTICLE 3 - EMPLOYEE STATUS

A. FULL-TIME EMPLOYEE

A regular Full-Time Employee is an Employee who is not in a temporary status and is regularly scheduled to work thirty-six (36) hours or more per work week. Regular Full-Time Employees are benefits eligible.

B. PART-TIME I EMPLOYEE

A regular Part-Time I Employee is an Employee who is not in a temporary status and is regularly scheduled to work twenty-four (24) or more hours per work week. Regular Part-Time I Employees are benefits eligible.

C. PART-TIME 2 EMPLOYEE

A Part-Time 2 Employee regularly works less than twenty four (24) hours per work week. A Part-Time 2 Employee is not eligible for Hospital provided benefits, unless specifically provided for in this agreement, provided that such Employees may participate in any retirement savings plan, assuming they meet the requirements of the plan.

D. PER DIEM EMPLOYEE

A Per Diem Employee is an Employee who is not a regular Full-Time or, regular Part-Time 1 Employee. Per Diem Employees agree to work at least three (3) full shifts per schedule and shall be scheduled based on unit needs. Per Diem Employees do not receive any insurance, retirement or other fringe benefits under this Agreement, including without limitation Paid Time Off (PTO) benefits or other benefits as defined in Article 15, except that Per Diem Employees shall be eligible for participation in the 403(b) Retirement Savings Plan as allowed under the Plan.

Transition Period: Effective six (6) months after ratification of this Agreement, all Per Diem Employees shall work the minimum shift requirements set forth in this Article and Article 11 -Hours of Work, Overtime and Scheduling.

E. TEMPORARY EMPLOYEE

A Temporary Employee is one who is hired to work either Part-Time or Full-Time for a specified limited period of time and for a specific and temporary purpose, to replace a specific Employee on leave of absence or for a short term project when bargaining unit Employees have been solicited and the need cannot be filled. The specified period of employment for a Temporary Employee shall not extend beyond ninety (90) calendar days. The ninety (90) calendar days may be extended in any given case by mutual agreement of the Hospital and the Union, and the Union's agreement to such extension will not be unreasonably denied. This period may not be extended by the use of temporary assignments beyond a twelve (12) month period. Temporary Employment lasting for more than the period provided above, or any extension agreed upon, shall be classified as a "Regular" hours position and shall be posted as a job vacancy in accordance with Article 5 (Job Vacancies, Posting and Bidding). Such temporary positions shall not be subject to the provisions of subsection F. below, unless the Temporary Employee is regularly working more than the original scheduled hours for the position they are filling in for.

F. CONVERSION TO REGULAR FULL-TIME, PART-TIME 1 AND PART-TIME 2 EMPLOYEE STATUS

1. Part-Time 1 or Part-Time 2 Employees working a regular schedule of increased hours (over their original assigned schedule) for ninety (90) calendar days or more, in the same department, may claim additional regular hours to increase their predetermined (budgeted) schedule thereafter or to change their employment category and be reclassified as a Part-Time 1 or regular Full-Time Employee, subject to seniority.
2. Regular bargaining unit positions shall be established when regular hours are worked outside of a defined category, above, or hours worked beyond an Employee's predetermined schedule.

3. Per Diem Employees who are working a regular schedule for ninety (90) calendar days or more, in the same classification and department shall upon request cause a reclassification of the additional hours to Regular hours. The additional regular hours will be posted as a vacancy in accordance with Article 5 (Job Vacancies, Posting and Bidding).
4. A Part-Time 1, Part-Time 2 or Per Diem Employee shall not be reduced in hours solely to prevent his or her advancement to Full-Time, Part-Time 1 or Part-Time 2 status when the hours continue to be available or for the sole purpose of keeping a regular job constantly staffed by a Part-Time 2 or Per Diem Employee.

ARTICLE 4 - SENIORITY

A. SENIORITY DEFINED

1. Seniority for Full-Time, Part-Time 1 and Part-Time 2 Employees is calculated based on an Employee's continuous service beginning with their most recent date of hire into a bargaining unit position. Per Diem Employees shall accrue seniority from their most recent date of hire into a bargaining unit position for use within the Per Diem Employee pool.
2. **Change of Status.** An Employee in a Per Diem or Part-Time 2 status who is hired into a regular Full-time or regular Part-Time 1 status after the effective date of this Agreement will be given an adjusted seniority date applicable to the new status. The adjusted seniority date will be determined by crediting such Employee with ½ year for each year such Employee was last in a Per Diem or Part-Time 2 status. An Employee who returns to Per Diem or Part-Time 2 status shall retain their adjusted seniority.
3. **Return to Unit.** Any bargaining unit Employee who accepts a non-bargaining unit position with the Hospital may return to the bargaining unit without a break in seniority provided that there exists a vacancy to return to and that such return occurs within ninety (90) days of the acceptance of the non-bargaining unit position.
4. **Seniority List.** There shall be one seniority list, which shall be updated every six months and placed in the front of the call-off book in the nursing office and sent to the Union Field Representative upon request. In addition, Employee seniority lists by department will be available in each department.
5. **Loss of Seniority.** Seniority shall be terminated by:
 - a. Discharge with cause;
 - b. Failure to return from a leave of absence or after the waiting period for vacancy, in accordance with the terms outlined in Article 19 - Leaves Of Absence, of this Agreement;
 - c. Layoff without recall in excess of twelve (12) months; and
 - d. Termination of employment without rehire in excess of twelve (12) months.

Definition of department for the purpose of this Article is defined in Appendix B.

B. REDUCTION IN FORCE AND RECALL

1. In a reduction in force and subsequent recall, the principle of seniority, as defined in

this Article, shall govern, providing that abilities are adequate.

2. Reduction in force shall be defined as the elimination of an Employee's position in a department or a reduction in headcount in a department or a reduction from Full-Time to Part-Time 1 to Part-Time 2 or to Per Diem status is deemed to be a reduction in force. A reduction in hours of a Full-Time or Part-Time 1 or Part-Time 2 Employee(s) which results in an employment status change to Per Diem or results in the loss of the Health Plan or Paid time Off Coverage is deemed to be a reduction in force.
3. Reduction in force language outlined in this Article will only apply to Full-Time, Part-Time 1 and Part-Time 2 Employees, except as otherwise specifically referenced.
4. In the event of a reduction in force, the following steps will be followed in order to determine placement of the affected Employee(s):
 - a. **Step One.** The affected Employee(s) will be offered the ability to elect a voluntary layoff status at any step of the reduction in force process and shall be eligible to receive full severance benefits. An affected Employee may elect to be placed in per diem status at any time during steps 1 through 5 of the reduction in force process outlined below. An Employee who elects either status will retain his/her recall rights.
 - b. **Step Two.** The affected Employee(s) may apply for and will be given any open position within the bargaining unit for which they are qualified and for which they meet position requirements within the Bargaining unit or at other Providence Facilities where seniority can be exercised reciprocally. Affected Employees may exercise this option at any time during Steps 1-5 of the reduction in force process, which shall supersede the bidding process. An affected Full-Time Employee, at his/her option, may be placed into any vacant Part-Time position in the above order, provided he/she meets the position requirements.
 - c. **Step Three.** The affected Employee(s) will be placed into any vacant position of the same employment category, pay, shift and classification provided he/she meets the position requirements within the Bargaining unit. Employee(s) placed into a comparable vacant/open position(s) within the Bargaining Unit will not have recall rights. If an Employee rejects an open comparable position offered at this Step, within the Department, Hospital or Medical Center Bargaining unit, then the Employee will forfeit all displacement rights. Such refusal would result in the Employee being laid off and the forfeiture of recall rights, however, such Employee shall be eligible to receive full severance benefits.
 - d. **Step Four.** Employees who do not qualify for placement in Step 2 or Step 3 may displace the least senior Employee in his/her current classification and employment category, provided he/she meets the minimum position requirements, in the following order:
 - i. Department
 - ii. Hospital or Medical Center (the Employee's facility)
 - e. **Step Five.** If there is no less senior Employee in his/her current classification, the Employee may displace the least senior Employee in another classification if the

Employee affected by the reduction in force has worked in the other classification in the same facility within the past twelve (12) months, meets the minimum position requirements, is able to pass the basic skills competency for the position as determined by the facility and is able to satisfactorily perform the job with minimal orientation.

No recall rights will be given to any Employee who rejects to displace another Employee in his/her classification, shift and employment category in their Department or Hospital/Medical Center. An affected Full-Time Employee, at his/her option and at any time within the Steps above, may elect to displace the least senior benefited Part-Time 1 Employee or an Employee on another shift in his/her classification, or return to his/her former classification, provided he/she meets the minimum position requirements.

5. Recall:

- a. An Employee on layoff status or whose status was changed as a result of reduction in hours, shall have recall-rights in accordance with this provision for twelve (12) months from the date the Employee was laid off or had his/her employment category reduced. Recall will be by seniority, as defined in this Article.
- b. Employees placed into a position on a different shift, employment category or former classification in Step 3, Step 4 or Step 5 shall have rights to return to his/her former shift, employment category and classification (within the Bargaining unit), under the recall rights provisions for the defined "recall" period. If an Employee rejects the open comparable position, then the Employee will be taken off the recall list.
- c. A laid off Employee may refuse a job offer and retain full recall rights if the job is not comparable in employment category, shift, classification, location and pay to his/her former position at the time of layoff. Additionally, a laid off Employee who accepts a job that is not comparable shall retain recall rights for the remaining term back to a comparable employment category, shift and classification, location and pay at the time of layoff.
- d. In order to be eligible for recall, the Employee must keep the Hospital informed as to his/her current address and current telephone number. Recall notice to Employees on layoff shall be sent by certified mail, return receipt requested, to the Employee's last known address, with a copy sent to the Union. The Employee must return from lay-off within ten (10) working days after receipt of notice to return to work, unless there are mitigating circumstances or by mutual agreement with the Employee or the Union, or lose all recall privileges.

6. Per Diem and Part-Time 2 Reduction in Force:

- a. In the event of a reduction in force, Per Diem positions shall be reduced before any Full-Time, Part-Time 1 or Part-Time 2 positions. The number of Per Diem Employees in the classification(s) in which reductions are needed will be laid off in inverse order using Per Diem seniority.
- b. In the event of a reduction in force, Part-Time 2 positions shall be reduced before

any Full-Time or Part-Time 1 positions and after Per Diem Employees. Part-Time 2 Employees within the classification(s) in which reductions are needed will be laid off in inverse order using their credited seniority based on most recent date of hire.

- c. Notwithstanding the above, if the Hospital has a need to retain minimal Per Diem staffing, the reduction in force shall be implemented among Per Diems, except that up to .9 FTE of Per Diem hours or 3% of the hours in a work unit department, whichever is lower, may be retained. If a regular Employee is placed in the Per Diem pool as a result of the reduction in force, they shall displace a remaining Per Diem instead of adding to the Per Diem Employee pool. Additionally, in cases where the parties have shared concerns regarding use of Per Diem staffing (e.g., weekend scheduling and every weekend Per Diems) this provision may be modified only if the parties mutually agree.

7. Reduction in Force Notice:

The Hospital agrees to give the Union and each Employee as much notice of a reduction in force as possible, and shall provide such notice immediately upon the Hospital's knowledge and/or realization of the need to implement reductions in force which will affect bargaining unit Employees. In no event, shall notice be given to the Union and each Employee less than two (2) weeks before any implementation of a reduction in force. WARN notices shall be provided if required by State or Federal law.

8. Application of Reduction in Force Procedure:

The parties recognize that reductions in force are extremely serious matters and that even well intentioned procedures may result in unintended applications. Therefore, the parties agree to communicate and meet during any application of the procedures to ensure its correct application to Employees. Nothing contained herein shall prevent the parties from mutually agreeing to modify the procedure in a specific reduction in force application should the need arise.

C. SEVERANCE PAY

Severance Pay shall be provided according to provisions in Article 13 - Compensation, of this Agreement.

ARTICLE 5 - JOB VACANCIES, POSTING AND BIDDING

A. POSTING OF VACANCIES

When a vacancy subject to this Agreement occurs in any department, a notice of that vacancy shall be posted in a location or locations accessible to all Employees for a minimum period of seven (7) calendar days before the Hospital fills the vacancy on a permanent basis. Eligible employees who are on vacation or medical leave may apply and be considered provided they are available for an interview within three (3) calendar days and are able to perform the essential functions of the position. Qualifications for vacant positions shall appear on position postings, additional information is available on-line. Computers will be available for employee use at the Human Resources Department by appointment for the purpose of examining and bidding on posted positions. Computer

assistance will be provided to Employees upon request. This does not prevent the Hospital from filling the vacancy on a temporary basis until such position is filled.

B. RESTRICTIONS IN BIDDING

An Employee who applies for and is awarded a posted position, including new hires, may not be awarded another posted vacancy within the next six (6) months. This rule shall not apply:

1. If the posted vacancy arises in the same department (for Nursing, only within the Unit) which would result in a lateral transfer and not a promotion, including a change in the number of pre-scheduled hours of the bidding Employee, or the scheduled start and end times, or the days of work and days off, or the Employee's shift or would change the Employee's classification.
2. If the bidding Employee is in his/her current position as a direct result of a job change or layoff.
3. To be eligible for a transfer, an Employee cannot have received a written or final warning within six (6) months; however, this may be waived with approval from the Human Resources Director.

C. PREFERENCE ORDER

1. Preference among those bidding shall be given in the following order among bidding Employees from the same preference level. Among bidding Employees from the same preference level, seniority shall govern. The prior sentence is subject to the provision that the bidding Employee must be fully qualified for the job established by the Hospital. If two (2) or more fully qualified* applicants submit a bid for a vacancy, the position will be awarded in the order defined below (a-f). The Union has the burden of establishing that the Hospital's qualifications are unreasonable, and if the Hospital's judgment is disputed, the Hospital has the burden of establishing that its judgment was reasonable.
 - a. Full-Time and Part-Time 1 Employees from the same department, including Full-Time and Part-Time 1 Employees on layoff, and regular Employees who remain on the Per Diem list who have been laid off.
 - b. Full-Time and Part-Time 1 Employees from other departments and Part-Time 2 Employees from the same department, including such Employees on layoff and such Employees who remain on the Per Diem list who have been laid off.
 - c. Per Diem Employees from the same department.
 - d. Part-Time 2 Employees from other departments
 - e. Per Diem Employees from other departments
 - f. Departments Defined for Job Bidding Purposes: Set forth in Appendix B, which is made a part of this agreement hereto.

*Fully qualified for this article means having the necessary skills, education, ability, certification, and credentialing needed to perform the duties of the position without

additional training.

2. External Selection

For vacancies that cannot be filled internally (i.e., according to the preference order set forth above), the Hospital may employ the person who, in its judgment, will make the best Employee. The Hospital shall be the sole judge of the fitness of any applicant.

ARTICLE 6 - NONDISCRIMINATION

The Hospital and the Union agree that there shall be no discrimination against any Employee or applicant because of race, color, religion, national origin, sex, sexual orientation, age, disability, marital status, union status or any other characteristic protected by law.

There shall be no discrimination by the Hospital or the Union against any Employee because of membership in or activity on behalf of the Union. Union Representatives shall not be transferred or reassigned to another area of work as a result of Union activities.

ARTICLE 7 - HARASSMENT

The Hospital is committed to providing a work environment free from discrimination, and unlawful harassment. The Hospital will not tolerate actions, words, jokes or comments based on an individual's sex, race, ethnicity, age, religion, sexual orientation or any other legally protected characteristic. Any Employee, supervisor, or bargaining unit member engaging in sexual or other unlawful harassment will be subject to appropriate corrective action, up to and including termination of employment.

The Hospital will take all reasonable steps to protect an Employee who reports harassment from continuing harassment and from retaliation because of having reported harassment. The Hospital will also take all reasonable steps to protect witnesses who cooperate in any investigation of alleged harassment from retaliation. If the investigation reveals that the complaint is valid, prompt attention and disciplinary action will be taken to stop the harassment immediately and to prevent its recurrence.

ARTICLE 8 - COMMITTEES FOR QUALITY CARE AND WORKING ENVIRONMENT

A. ADEQUATE STAFFING LEVELS

The Hospital reaffirms its practice to maintain adequate staffing levels based on patient census and patient acuity, as required by law. Should an Employee believe staffing levels are insufficient to permit the delivery of adequate patient care, he/she shall undertake work assignments but may do so under oral or written protest. In an emergency situation where there is a potential danger to patient, the Employee shall immediately notify the supervisor/manager/ designee who will physically visit the unit to assess the situation. Corrective action will be implemented if necessary. The Hospital shall not require an Employee in any case to perform a work assignment outside the lawful scope of his/her license.

The parties agree there shall be total compliance with Title 22 to the extent it is applicable to bargaining unit Employees.

B. QUALITY OF CARE COMMITTEES

1. Patient Care Committee Composition:

The Hospital and the Union agree that quality patient care and an appropriate working environment require adequate staffing and that staffing levels within all departments vary with census, acuity, shift, the specialization of various areas, changes in the specialization of the units, and structural changes in delivery of patient services. In recognition of the foregoing, the Hospital will establish a committee at each facility for the bargaining units comprised of six (6) bargaining unit Employees selected by the Union and comprised of six (6) management Employees selected by the Hospital. In addition to these committee members, one (1) designated Union Field Representative may participate in the meeting. The parties may mutually agree to expand the number of representatives to this committee as the need arises.

a. Purpose:

The purpose of this committee is to monitor the quality of patient services, health and safety of Employees and to make recommendations for improvements in such areas including Employee retention, patient service in the context of work design, if applicable or in the current method of system of patient services delivery.

b. Meetings:

The Hospital will allow two (2) hours per month of paid time for each Employee member of the committee to attend meetings. The paid time allotted to attend meetings may be extended by mutual agreement if the parties determine that more time is needed for the purpose of reviewing, discussing and resolving issues related to Employee health and safety concerns.

2. Impact on Other Bargaining Units:

Both parties agree that it is not their intent to make recommendations or resolutions that adversely impact any other bargaining unit.

Nothing in this agreement shall prevent an employee, the union or the hospital from subsequently pursuing an otherwise grievable issue through the grievance and arbitration procedure.

ARTICLE 9 - GRIEVANCE PROCEDURE

A. DEFINITION

A grievance is defined as a dispute as to the interpretation, meaning or application of a specific provision of this Agreement.

B. PROCEDURE

Grievances shall be processed in accordance with the procedure set forth below:

STEP 1:

- a. An Employee should make a reasonable effort to resolve the possible grievance informally in a discussion with the immediate supervisor.
- b. If an Employee is unable or uncomfortable to attempt to resolve the possible grievance, the Employee and the Union Steward (if requested by the Employee) will have a discussion with the immediate supervisor.

This requirement must be satisfied before a written grievance is submitted at *Step 2*.

- c. If the grievance is as a result of a suspension or termination, the grievance may begin at Step 2.

STEP 2:

If the grievance cannot be resolved informally, it shall be reduced to writing and submitted to the Hospital's designated representative within thirty (30) calendar days after the Employee had or should have had knowledge of the event which caused the grievance. The written grievance must (1) allege the violation of a specific provision or provisions of this Agreement, and (2) set forth all factual grounds upon which the allegation is based. Within ten (10) calendar days after receipt of the written grievance, a meeting shall be held with the Hospital's designated representative(s) to discuss the grievance. The grievant, the Union Steward and the Union Business Representative may be present at the meeting. Within ten (10) calendar days after the meeting, the Hospital's designated representative shall respond to the grievance in writing.

STEP 3:

If the Hospital's response in *Step 2* is not satisfactory, the Union may submit the grievance to arbitration by notifying the Hospital in writing of its intent to do so. In order to be timely, the Union's notice must be received by the Hospital within fourteen (14) calendar days after the Union's receipt of the Hospital's *Step 2* response.

C. ARBITRATION

The following procedure shall apply if a grievance is submitted to arbitration:

1. An impartial arbitrator shall be selected by mutual agreement from the following panel of arbitrators:

Fred Horowitz
Michael Rappaport
R. Douglas Collins
Mark Burstein
Michael Prihar
Barry Winograd

If the parties cannot reach agreement, the parties will select an arbitrator by alternately striking names from the list until one arbitrator remains. The selection of the arbitrator must be completed no later than thirty (30) calendar days from receipt by the Hospital of the appeal to arbitration.

A hearing on the grievance shall be held at a time and place designated by the arbitrator, at which the Hospital and the Union shall present their respective positions, evidence and arguments. The sole parties to the arbitration proceeding shall be the Hospital and the Union. The arbitrator's decision shall be rendered in writing and shall be final and binding on the parties and on all affected bargaining unit Employees. It shall be issued not more than thirty (30) calendar days after the close of the hearing or the filing of briefs, whichever is later.

2. The arbitrator's authority is derived from this Agreement and his/her jurisdiction is limited to the interpretation and application thereof. He/She shall not have authority to (a) amend or modify any provision of this Agreement; or (b) render an award on any grievance arising before the effective date, or after the termination date.
3. The fee and expenses of the arbitrator, the court reporter's appearance fee, and the cost of mutual facilities shall be borne equally by the Hospital and the Union.

D. TIME LIMITS

The time limits and other procedural requirements set forth in this Article must be strictly adhered to unless mutually extended by the express agreement of the Union and the Hospital. Such agreement need not be in writing. If the Hospital fails to respond to a grievance within the time limits set forth in this Article, the grievance may be appealed immediately to the next step. In the event of a failure by the grievant or the Union to adhere to any of such requirements, the grievance shall be resolved on the basis of the Hospital's last response. In the event of a dispute over whether the grievant or the Union has failed to adhere to any of such requirements, the arbitrator shall make that determination.

ARTICLE 10 - DISCIPLINE

A. JUST CAUSE

The Hospital may only discipline or terminate an Employee for just cause. Any discipline or discharge may be subject to the grievance procedure in Article 9.

B. PROGRESSIVE DISCIPLINE

Unless circumstances warrant more severe actions, the Hospital will attempt to utilize a system of progressive discipline. Progressive steps shall include verbal counseling, written counseling and/or warnings, disciplinary suspensions without pay, and termination of employment.

C. INVESTIGATORY SUSPENSION

The Hospital shall not as a default position place an Employee in unpaid suspension status pending investigation. The Hospital reserves the right to do so when: (1) investigating theft, fraud or dishonesty; or (2) in its sole discretion, the Hospital concludes that the Employee's continued presence in the workplace would cause disruption or a threat to the health, safety or welfare of patients, the Employee, other Employees, patient families, data or property.

No Employee shall be held in unpaid investigatory suspension for more than (7) calendar days. If no wrongdoing is found, the Employee will be paid for all regularly scheduled

shifts missed during the suspension.

D. WRITTEN DISCIPLINARY ACTION

A written warning is a document designated as such by the Hospital. An Employee who receives a written warning shall be given a copy of the warning and shall sign a receipt to acknowledge having received the document. Acknowledging receipt of the warning shall not constitute an admission of the Employee's agreement with the substance of the warning. A Union grievance contesting a written warning shall be subject to the requirements of the grievance procedure in Article 9.

E. DISCIPLINARY NOTICES, REBUTTAL, AND INSPECTION OF PERSONNEL FILES

1. There shall be one official personnel file for all bargaining unit Employees and they shall have the right to inspect and to be provided, on request, with one copy of any document in the Employee's file.
2. Employees will receive copies of all disciplinary notice(s) placed in their personnel files and shall have the right to rebut in writing any disciplinary notice. Such rebuttals, other than grievances, shall be attached to the disciplinary notice and placed in the personnel file.
3. In any case where the Hospital and the Union agree to revise personnel record material, the Hospital shall, upon request, provide evidence of the revision.
4. Use of Disciplinary Documents: No disciplinary document shall be utilized for progressive discipline beyond twelve (12) months of its issuance.

F. ADDITIONAL REPRESENTATION RIGHTS

Consistent with the U.S. Supreme Court decision in *NLRB v. J. Weingarten, Inc.*, an Employee, upon his/her request, is entitled to have a Union representative present during an investigatory interview in which the Employee is required to participate where the Employee reasonably believes that such investigation will result in disciplinary action. The right to the presence of a Union representative (Field Representative or Union Steward) is conditioned upon a requirement that the Union representative be available for participation in such investigatory interview within twenty-four (24) hours of the Employee's request for his/her presence, excluding Saturdays, Sundays, and Holidays.

G. EMPLOYEE RIGHTS

An Employee upon request shall be given the opportunity to review and to make written comments regarding any formal written discipline that is to be placed in the Employee's personnel file. In the event that such a document contains the name(s) of any patients(s), such name(s) may be redacted prior to review by the Employee. The signing of a disciplinary document only reflects that the Employee received a copy of the disciplinary document and not that the Employee agrees to the discipline.

H. INTRODUCTORY PERIOD

An Employee will be in an introductory period for the first ninety (90) calendar days and may be discharged or disciplined in the Hospital's discretion without establishing just

cause, and such introductory period may be extended for an additional ninety (90) calendar days upon written notice to the Employee and the Union.

ARTICLE 11 - HOURS OF WORK, OVERTIME AND SCHEDULING

A. STATE AND FEDERAL WAGE AND HOUR LAWS

The Hospital will comply with all applicable local, State, and Federal wage and hour requirements.

B. WORKDAY AND WORKWEEK

1. A workday is defined as the consecutive twenty-four (24) hour period beginning at 12:00 midnight each day.
2. A workweek is defined as the seven (7) calendar day period that starts at 12:00 midnight on Sunday and ends at 11:59 p.m. the following Saturday.
3. It is understood and agreed that the workday and workweek are defined above for the purposes of complying with the overtime requirements under state and federal wage and hour laws and that the workday and workweek may be changed by the Hospital to comply with such laws so long as such changes are not designed to evade the overtime requirements.
4. Nothing herein shall be deemed or construed to change the Hospital's current practice as to the aggregation of consecutive hours into a single workday in which a shift commences for overtime compensation.
5. Each Employee will receive two (2) consecutive days off each week, provided that the days off may be split or rotated at his/her written request, or for eight (8) hour shift Employees, in order to achieve every other weekend off scheduling.
6. Except in a department(s)/unit(s) where an Employee(s) is regularly scheduled to be on standby/on-call status, no Employee will be scheduled to work in excess of five (5) consecutive days without his/her consent.
7. Past practices of consecutive or non-consecutive day scheduling may be continued at the Employee's discretion. No twelve (12) hour shift Employee shall be required to work two (2) shifts within a period of twenty-four (24) hours except in cases of emergency.

C. PAYROLL PERIOD

The payroll period will consist of a fourteen (14) day period that begins on Sunday at 12:00 midnight and ends on Saturday of the following week at 11:59 p.m.

D. MEAL AND REST PERIODS

1. The Hospital will comply with the applicable Industrial Welfare Commission Wage Order regarding meal periods, meal period waivers, missed meal period penalties, and "on duty" meal period agreements.
2. Unpaid, un-worked meal periods will not be counted as hours worked in calculating overtime to be paid under any provision of this Agreement.

3. The Hospital will comply with the applicable Industrial Welfare Commission Wage Order regarding ten (10)-minute rest periods.
4. An Employee will make her/his best efforts to notify his/her supervisor in advance of his/her inability to leave the workstation for a meal period. Anytime an Employee misses a meal period, he/he must provide his/her supervisor with a written explanation as to why the meal period was missed.

E. OVERTIME

1. **Mandatory Overtime.** The Hospital and the Union recognize that mandatory overtime is not desirable and represents a burden on the Employee. Acceptance of overtime and shifts beyond the Employee's schedule shall be voluntary and in accordance with state law or regulations, except where patient care would be endangered by an internal or external emergency declared by state, local or federal government or declared by the administrator on duty. An external or internal emergency, for the purposes of this section, is defined as an unexpected situation of sudden occurrence of a serious and urgent nature that demands immediate attention.
2. An Employee must make her/his best effort to obtain supervisory approval prior to working any hours that would require the payment of overtime.
3. Hours actually worked and all education hours shall be considered hours worked for purposes of calculating overtime pay.

- a. **"8 and 80" Work Schedule:**

An Employee who is assigned to an "8 and 80" work schedule will be paid one and one-half (1-1/2) times his/her regular rate of pay for all hours worked after the first eight (8) hours in a workday or over eighty (80) hours in a fourteen (14) day pay period and two (2) times his/her regular rate of pay for all hours worked after the first twelve (12) hours in a workday.

- b. **Ten-Hour Shifts:**

An Employee who is assigned to work ten (10) hour shifts will be paid at the rate of one and one-half (1-1/2) times his/her regular rate of pay for all hours worked after the first ten (10) hours in a workday or over forty (40) hours in a workweek and two (2) times his/her regular rate of pay for all hours worked after the first twelve (12) hours in a workday.

- c. **Twelve-Hour Shifts:**

An Employee who is assigned to work twelve (12)-hour shifts will be paid two (2) times his/her regular hourly rate of pay for all hours worked after the first twelve (12) hours in a workday and will be paid one and one-half (1-1/2) times his/her regular rate of pay for all hours worked over forty (40) in a workweek.

- d. **Regular Rate:**

For the purpose of computing overtime pay, the regular rate of pay shall be calculated in accordance with the Fair Labor Standards Act, as amended.

F. WORK SCHEDULES AND POSTING

1. The Hospital will post work schedules at least thirteen (13) days in advance of their commencement dates and such schedules will cover a minimum period of four (4) weeks.
2. As an exception to a. above, a department/unit that permits self-scheduling in accordance with c., below will attempt to post work schedules at least thirteen (13) days in advance of their commencement dates and such schedules will cover a minimum period of four (4) weeks.
3. Wherever applicable, the Hospital shall continue its existing practice(s) of permitting Employees to self-schedule on a department/unit-by-department/unit basis. The respective department Director or his/her designee will consider and make a reasonable effort to grant Employees' self-scheduling requests, provided such requests are submitted in a timely way and that they are consistent with departmental/unit needs and the operating requirements of the Hospital.
4. After the schedule has been posted, an Employee's schedule will not be changed without the Employee's consent, except in case of unforeseeable and unavoidable operational needs or emergency.
5. Requests by Employees for changes to a posted schedule must be approved in writing by the department Director or his/her designee.
6. A regularly scheduled Employee may trade a shift or workday (including Holiday shifts) with another regularly scheduled Employee provided they have substantially equal competencies. Shift trades are subject to the written approval of the department Director or his/her designee and, except in emergency situations, should be submitted at least forty-eight (48) hours in advance. A shift trade will not be approved if it would increase overtime or extra shift premium costs for the Hospital.
7. Should the Hospital determine that it is necessary to change/revise a schedule(s) for more than sixty (60) days and start &/or end time(s) by more than sixty (60) minutes, and if the change affects more than three (3) current Employee(s) in positions covered by the CBA, the Hospital agrees to notify the Union in writing no less than 30 days prior to the implementation date. If the Union requests, the Hospital will meet with the union steward and or union representative to make a reasonable attempt to review/revise the schedule so as to have the least impact on the fewest number of Full-Time and Part-Time staff possible. Once the new schedule is established, bidding will be accomplished by seniority within each classification. None of the foregoing shall affect the Hospital's ability to make any changes or exercise any rights provided for in Article 21 - Management Rights.

G. WEEKEND SCHEDULING

1. An Employee working in a department/unit with weekend scheduling may be scheduled to work every other weekend, up to a maximum of two (2) weekend shifts per scheduled weekend. However, Employees will be scheduled with at least every other weekend off. If one shift is scheduled and worked on a weekend it shall constitute the weekend worked. If the Hospital determines based on operational and patient care needs that weekend work can be less frequent than every other weekend,

such schedules are permitted by this Agreement. If the Hospital determines that there can be less frequent weekend work in a particular unit, the Hospital will consider years of continuous service for such reduced weekend work to the extent reasonably feasible.

2. A weekend means Saturday and Sunday, except for the night shift, when a weekend means Friday and Saturday. In addition, the Hospital retains the right to designate the Sunday night shift as a weekend shift.
3. By mutual written agreement between the Hospital and any twelve (12) hour Employee, the Sunday night shift may be defined as a weekend shift in lieu of the Friday night shift.
4. Nothing herein shall preclude an Employee from volunteering to be scheduled for additional weekend shifts.
5. An Employee may request to share his/her weekend shift requirement with another Employee with substantially equal competencies. Approval of such requests will be at the discretion of the Hospital and will not be unreasonably withheld, except that an Employee's request will not be approved if it would increase overtime or extra shift premium costs for the Hospital.
6. Notwithstanding the above, Per Diem Employees will be scheduled to work at least one (1) weekend per schedule up to a maximum of two (2) shifts per scheduled weekend. Employees hired specifically to work weekends will continue to be scheduled to work weekends.
7. Employees shall not be required to "make up" missed weekend days, however this shall not be interpreted as diminishing an Employee's overall attendance obligation.

H. HOLIDAY SCHEDULING

1. Employees shall be solicited by October 1 for the winter holidays (Thanksgiving Day, Christmas Day, and New Year's Day as defined in Article 16 -Holidays) and the Hospital shall post such holiday assignments by November 1. Employees shall be solicited by April 1 for the summer holidays (Memorial Day, Independence Day and Labor Day as defined in Article 16 - Holidays) and the Hospital shall post such holiday assignments by May 1. The final right to reasonably allot the number of Employees off on a holiday and the right to change such allotments are reserved to the Hospital and are subject to patient care and operational necessity. Holidays off will be distributed equitably among Full-Time and Part-Time Employees. Per Diem Employees shall fulfill the same holiday requirements as Full-Time/Part-Time employees.
2. Requests to work on a holiday or be off on a holiday shall be accommodated to the extent possible, except that every Employee shall be required to work at least one (1) winter and at least one (1) summer holiday. In the event more Employees request to be off on a given holiday than meets the Hospital's need, the Hospital will refer to holiday schedule from the previous year(s) to determine, on a rotational basis, who will be scheduled to work. In the event of a conflict, seniority shall prevail.
3. Scheduled holiday shifts may be traded pursuant to Article 11.F.6.

I. VACATION TIME

1. Employees shall be solicited during the month of January of each year in order to determine their preferences for vacation. Prior to March first (1st), the Hospital shall advise all Employees as to when their vacation is scheduled and shall post the full twelve (12) month vacation schedule in a location in each department accessible to all Employees.
2. Vacation will be granted, subject to patient care and operational necessity, at times most desired by Employees, Employees being given preference as to choice based on seniority. Vacation allotment schedules for each year shall be provided to the Union upon request. For those Employees choosing to split their vacation into two (2) or more increments, seniority will apply only to the first (1st) choice of vacation in each year. The highest senior Employee will then go to the bottom of the list and shall be considered for their second choice after a full rotation by seniority, then to the bottom of the list again for a third choice, etc. All vacation request forms shall allow the Employee to indicate which requested vacation period is his or her first (1st) choice, which is his/her second (2nd) choice, and which is third (3rd) choice.
3. Vacation requests in any department will be considered at any time of the year. Requests received after the annual vacation scheduling period above shall be granted, subject to patient care and operational necessity, on a first come, first serve basis, except that in the case of competing requests submitted on the same calendar day, the request shall be granted by seniority.
4. The Hospital shall notify an Employee in writing of approval or denial as soon as possible of vacation requests submitted after the annual vacation scheduling period above, but no later than two (2) weeks after receipt of said request.
5. Transferring Employees will be required to select vacation from open dates, at their new department/location, not previously filled by scheduled vacations or approved leaves.
6. The Employee may request vacation be attached to the Employee's scheduled day(s) off and such request shall be granted, when possible.
7. Employees granted vacation time will use accrued Paid Time Off. An Employee who does not have Paid Time Off will be granted non-paid vacation time, not to exceed three (3) weeks, subject to patient care and operational necessity, and under the same procedures in this Article.
8. When requesting vacations, Employee may request less than five (5) work days at a time or that the vacation start on any day of the week. The total amount of vacation earned may be taken in one (1) consecutive period or vacation periods may be split at the request of the Employee.

J. ADDITIONAL HOURS

Per current practice, each department, or the Nursing Office, shall keep a sign-up list of those Employees who desire to be given overtime or additional hours. The Employees wishing to work overtime or additional hours will communicate their availability in writing during the schedule preparation period. Deadlines for submitting availability will

be consistent with those for other schedule requests. In the assignment of additional hours, the Hospital will first offer such work to Employees who would not incur overtime on a rotational basis beginning with the most senior Employee. The assignment of additional hours will then be assigned to Employees who would incur overtime on a rotational basis beginning with the most senior Employee. This will apply except where specialized work, skill or trained personnel are required. Regular Full-time and Part-time 1 Employees will be selected in seniority order. Using their dates of hire, Part-time 2 Employees will be selected from the availability list after all regular Full-time and Part-time 1 Employees. Per Diem Employees will be selected from the availability list after Part-time 2 Employees.

K. CALL-IN PROCEDURE

An Employee reporting absent for a shift, or portion thereof, will call in the absence and will describe the reason for such absence to his/her department Director or his/her designee as soon as he/she knows the absence will occur. An Employee calling in less than two hours prior to the commencement of an absence may be required on request to provide reasonable substantiation to explain why such absence could not have been called in earlier by the Employee or another person acting on his/her behalf. Compliance with this call in requirement is necessary for staffing reliability and will not operate to excuse unscheduled or unauthorized absences.

L. CALL OFF/FLEXING

1. **Every Effort To Avoid Call Off/Flexing:** Insofar as is practicable, if after exercising every effort to avoid daily cancellations in accordance with Article 29 - Employment and Income Security, it may be necessary to require an Employee to take time off without pay during temporary periods of low census or on other occasions when staffing needs to be adjusted on a temporary basis (Call Off/Flexing). Call Off/Flexing must be approved by a supervisor or department manager or designee. Eligible Employees who are cancelled may take the day off without pay or use Paid Time Off (PTO) (where applicable), at the Employee's discretion. Before an Employee is called off/flexed, the Hospital shall make a reasonable effort to float the Employee to another area in need of staff in accordance with Article 12 - Floating.
2. **Order of Call Off/Flexing:** Subject to patient care staffing needs, including adequate qualifications of Employees, when it is necessary and unavoidable to call-off an Employee, the Hospital shall Call-Off/Flex Employees (by job classification and/or unit) in the following order:

Flexing Order

- a. Registry
- b. Employees receiving double time
- c. Overtime
- d. Extra Shifts at Straight time
- e. Volunteers
- f. Travelers
- g. Temporary Employees
- h. Per Diem Employees
- i. Part-Time Employees
- j. Full-Time Employees

3. For each job classification and within each category above Call Off/Flexing shall be by hours called off rotation beginning in the reverse order of seniority provided the remaining Employee(s) are able to perform the work. A unit or department Call Off/Flexing rotation list by job classification and Call-Off hours shall be maintained, posted and made available to union stewards upon request.
4. The Hospital will accept volunteers for Call Off/Flexing before any other Employees provided that such voluntary Call Off/Flexing does not result in retaining an Employee at premium pay or who could incur premium pay in the pay period who would have been Call Off/Flexed if the Hospital had followed the list above, unless the Hospital permits.
5. **Call-Off/Flexing Notice:** For Employees called off before the shift commences, the Hospital will attempt to Call-Off/Flex Employees at least two (2) hours prior to the commencement of their scheduled shift. Nothing herein shall be construed as preventing a call-off/flex during the shift, when necessary.
6. **Call-Off/Flexed Employees Off the Schedule:** Once called-off, an Employee is considered off the schedule and shall not be required to maintain contact or be available to work, unless the Employee has agreed to accept Standby status and is compensated accordingly, for the shift or portion thereof.

M. NO GUARANTEE

Nothing in this Article shall be construed to constitute a guarantee of hours of work per day or per week or of days of work per week.

N. NO PYRAMIDING

There will be no pyramiding of overtime and premium payments for the same hours worked. To the extent that hours are compensable as overtime under provisions of this Agreement and where two (2) or more overtime provisions apply, the greater will prevail.

ARTICLE 12 - FLOATING

- f. Per Diem by rotation
- g. Part-Time 2 by rotation
- h. Regular Part-Time 1 by rotation

C. FLOATING ROTATION

The order of float for Employees within a unit will be on a rotational basis within each of the categories of Employees described above. Volunteers for floating will be allowed, within B.2. through B.9. above. Floating decisions shall be based on the needs of the patients on the sending and receiving units and the floating conditions and provisions in this Article.

D. FLOATING CONDITIONS

Floating shall be subject to the following conditions and limitations:

1. Fully qualified Employees may be floated to a different department or unit provided the Employee has received orientation in that department or unit and has demonstrated current competence in providing care to patients in that department or unit. In the event an Employee with limited qualifications is floated to another department or unit to assist other qualified Employees, they will be oriented and limited to performing only those tasks they are qualified and competent to perform.
2. The Hospital will float Employees no more than three (3) times during a shift. Returning to an Employee's home unit will not count as a float.
3. Compliance with Law: Floating of Employees shall be in compliance with all federal and state laws and regulations, including Title XXII of the California Administrative Code.

E. VOLUNTARY FLOATING

Nothing herein shall prohibit an Employee from volunteering to float to other areas, provided that the Conditions in this Article are satisfied.

F. FLOATING RECORDS

The Hospital will maintain competency validation, float orientation, and other such relevant float documentation. Float rotation lists will be maintained and will be available for inspection by affected Employees in the Unit and job classification. Information in this paragraph shall be made available and provided to the Union upon request.

ARTICLE 13 - COMPENSATION

A. WAGES

The rates of pay for each classification shall be shown in Appendix A which is attached hereto and made a part hereof. However, not all Employees shall be placed at these rates (see "Annual Hospital Wide Increases" below). Anniversary date increases were discontinued effective January 1, 2012. There shall be no anniversary date increases for the term of this contract. The parties have agreed to increase the rates of pay for each classification on the wage grid 1.25% per contract year as shown in Appendix A attached hereto. However, the only wage increases for Full-Time and Part-Time Employees shall occur as defined in the section "Annual Hospital Wide Increases" below.

1. New Hires With Experience:

Employees may be hired at any rate deemed appropriate, based on the Hospital's evaluation of experience and qualifications.

2. Annual Hospital Wide Increases:

Provided that this Agreement is ratified by June 30, 2015, all Full-Time and Part-Time Employees (including Part-Time 2 Employees) of the bargaining unit shall receive the following increases:

Contract Year 1: Effective the first full pay period in January 2015, every Full-Time and Part-Time Employee (including Part-Time 2 Employees) will receive a 3.0% across the board increase to their current (the Employee's rate as of ratification) base rate of pay.

Contract Year 2: Effective the first full pay period in January 2016, every Full-Time and Part-Time Employee (including Part-Time 2 Employees) will receive a 3.0% across the board increase to their current base rate of pay, plus a .25% one-time lump sum bonus based on the scheduled FTE.

3. Job Classifications and Reclassification

The right to determine job content and to make necessary changes to jobs and job descriptions remains with the Hospital. The Hospital shall timely notify the Union of all meaningful changes to job content and responsibilities. In the event an Employee believes his/her job is inaccurately described or that it has materially changed and, as a result of the change should be upgraded, the Union may seek an upgrade by bringing such a claim to the Human Resources Director (or his/her designee). If the position is upgraded, the parties will also discuss potential retroactive pay adjustments. The final decision whether to upgrade a position and whether to adjust pay retroactively shall be the Employer's and shall not be subject to the grievance and arbitration process set forth in Article 9.

B. PAYDAY AND PAYCHECK

1. Wages will be paid every two (2) weeks. Paychecks will be distributed on payday. Payday is the Friday after the end of a pay period, except where such Friday is a bank holiday, in which case the payday will be Thursday.
2. The Hospital will continue its current practice regarding the direct deposit of paychecks.
3. The Hospital will rectify underpayments. A paycheck correction may be requested. If the Employee submits all required information and Employee signatures to the Payroll Department by noon on the Friday before payday, the error will be corrected on the next payday. In the event the Employee is not at fault, with respect to the error, it will be corrected within three (3) business days. However, where the

underpayment results from an Employee error, it will be corrected on the next paycheck.

4. Unless otherwise mutually agreed, other payment errors resulting in improper payments (e.g., over payments) shall be corrected by the same amount and over the same number of pay periods as they occurred, or may be deducted in a lump sum payment, at the Employee's option.
5. The Hospital will comply with its obligations under state law regarding paycheck stubs.

C. BONUSES

2. Bonus Incentive Program (Admitting Department): The Hospital will continue its current practice of providing bonuses to eligible Admitting Employees according to the terms in the Hospital's policy. In the event of a sale or transfer, the Hospital reserves the right to review and alter certain provisions of the program (i.e., establish different benchmarks or other measures that are consistent with the buyer's business operation, etc.), provided however, that any revisions will result in a reasonably comparable plan.
3. Bilingual Bonus
 - a. The Hospital will pay a monthly bilingual bonus to Employees who possess and are required to exercise fluency in English and a foreign language(s), including American Sign Language, provided such Employee successfully completes the Hospital's required competency assessment in accordance with its Bilingual Policy.
 - b. A monthly bilingual bonus of fifty (\$50) will be paid when a qualifying monthly activity log is submitted by an eligible Employee. In order to qualify, the activity log must reflect either a minimum of three (3) hours of translating or fifteen (15) translations.
 - c. A one-time only one hundred dollar (\$100) bonus will be paid when an Employee is first deemed medically competent to translate.

When called back an Employee will be required to work until released by his/her Department Director or his/her designee. An Employee will receive one and one-half (1 ½) times his/her base rate of pay, rather than stand-by pay, for all hours actually worked when he/she is called back to work from stand-by status. The work time of an Employee who is called in from stand-by status shall commence when he/she arrives at the work site and clocks in and will end when he/she clocks out.
3. Stand-by and call-back hours are not subject to the weekend scheduling or call-off provisions of this Agreement.

4. **Release From Call Back**

An Employee on stand-by status who is called back, completes that assignment and is either i) released to resume stand-by or ii) is released from further stand-by, but subsequently agrees to return to work later that same day will be paid in accordance with paragraph 2, above.

F. REPORT PAY

1. Each workday an Employee is required to report to work and does report to work, he/she will be provided with at least half of their scheduled shift up to a maximum of four (4) hours' work or any combination of work and pay totaling four (4) hours. If the Employee agrees to report to work a second time in any one workday and does report, he/she will be provided with a minimum of two (2) hours' work or any combination of work and pay totaling two (2) hours. If the Hospital offers an Employee an assignment other than the regular assignment and the Employee refuses the alternate work no report pay will be paid.
2. The Employee will not be paid report pay if the Hospital makes a reasonable effort to notify the Employee at least two (2) hours prior to the start time that the Employee

should not report to work. It shall be the Employee's responsibility to keep his/her current phone number on file with the Hospital.

3. Report pay will not be paid to an Employee who is called back to work from stand-by/on-call status.
4. The Hospital shall not be required to pay report pay if no work is available due to acts of God such as fires, floods, earthquakes, power failure or other causes not within the Hospital's control.

G. UNIFORMS

1. When the Hospital requires an Employee to wear a uniform as a condition of employment, such uniform will be provided and maintained by the Hospital. The term "uniform" herein means apparel of distinctive design and/or color (i.e., not white).
2. When a uniform is required in accordance with Paragraph 1 above, the uniform maintenance/cleaning allowance will be eleven dollars (\$11) per pay period for Full-Time Employees and five dollars and fifty cents (\$5.50) per pay period for Part-Time Employees.
3. The Hospital will continue its practice of providing uniforms in those departments currently receiving uniforms as of the date of this agreement.

H. SEVERANCE PAY

1. Severance pay will be provided to a regular Full-Time and regular Part-Time 1 Employee whose employment is terminated as a result of a reduction in force provided he/she executes the Hospital standard release, which shall not require waiver of any recall rights provided by this Agreement. The amount of severance pay will be one (1) week of pay per year of service, up to twelve (12) weeks, with a minimum of two (2) weeks' pay. Payment will be at the Employee's current base rate and partial years will not be prorated.
2. An Employee who is laid off, receives severance pay and is returned to work before the period which severance pay covered shall have their future entitlement for severance pay adjusted accordingly (e.g., the Employee who receives ten (10) weeks' severance pay and is returned in five (5) weeks would have five (5) weeks less of severance pay in the future).

I. PRECEPTOR PAY (Applies to LVNs only)

Licensed Vocational Nurses (LVNs) Employees will receive twenty-five dollars (\$25) per twelve (12) hour shift and fifteen dollars (\$15) per eight (8) hour shift when precepting a new grad (approved through the Education Department).

J. NEW CLASSIFICATIONS AND JOB DESCRIPTIONS

1. In the event that the Hospital wishes to establish a new job classification in the bargaining unit, the Hospital and the Union will meet and negotiate over rate of pay and job duties, prior to the Hospital implementing the job. The parties will make a good faith effort to reach a settlement. If the parties are unable to reach agreement, the Hospital may implement within fifteen (15) days.

2. The Hospital shall maintain and review job descriptions for all classifications which will be timely remitted to the Union.
3. Upon request to the Human Resources Director, or designee, the Hospital shall provide the Union or Employee with any existing job description and/or individual position descriptions, for covered Employees. These shall be mailed and made available to the requesting party within five (5) calendar days of any such request.

K. WORKING OUT OF JOB CLASSIFICATION

Any Employee directed to relieve another Employee in a higher paid classification shall receive the higher rate, or five percent (5%) increase, whichever is higher, for all hours worked in the higher classification, except when the Employee works one-half (1/2) or more of the shift in the higher classification and then the Employee shall receive the higher rate or five percent (5%) increase for the entire shift. Overtime rates shall be calculated on the higher rate for all hours of overtime worked in the higher pay classification. An Employee assigned to relieve another Employee in a lower paid classification shall continue to receive their own wage rate, and shall not be reduced to the lower wage rate.

L. EMPLOYEE MEAL DISCOUNT

1. The Hospital will continue to provide, free of charge, annual holiday and event meals including beverages to Employees working that day and for any other holiday, celebration, recognition event or individual reward meals previously provided to Employees, pursuant to past practice.

N. PAYMENT IN LIEU OF HEALTH BENEFITS

A regular Full-Time or Part-Time 1 Employee may have the option to waive all health benefits provided herein and will be paid thirty-five dollars (\$35) per pay period in lieu of being covered by such health benefits. The Employee must elect this option during the annual benefit open enrollment period. Such Employee is otherwise fully participating in all features of this Agreement.

Grandfathering: Notwithstanding the foregoing, only Employees who have currently elected this benefit may continue to do so. However, effective January 1, 2016, such Employees who do not receive insurance benefits from another source may no longer waive health benefits in exchange for this payment.

O. PER DIEM WAGE RATES

1. Those Per Diem Employees receiving a higher rate of pay in lieu of benefits, and as stated on the proposed wage grid, shall continue to receive such.

2. In the event Per Diem Employees are utilized by the Hospital, and are not covered by an established "Per Diem" wage rate, the parties shall meet to determine the wage rate.
3. The inexperienced per diem rate shall be eliminated. All Per Diem Employees at the inexperienced per diem rate will be placed at the experienced per diem rate.
4. Provided that this Agreement is ratified by June 30, 2015, effective the first full pay period in January 2015, each Per Diem Employee's base hourly rate (the higher of the experienced per diem rate or their actual rate) shall be increased 2.0%. The per diem rates listed on the wage scale attached as Appendix A shall also be increased 2%.
5. Effective the first full pay period in January 2016, each Per Diem Employee's base hourly rate (the higher of the experienced per diem rate or their actual rate) shall be increased 2.0%. The per diem rates listed on the wage scale attached as Appendix A shall also be increased 2%.

If requested, by either party, the parties agree to discuss modifications or improvements to terms and conditions of current practices.

Q. PAY RATE UPON PROMOTION

1. A promotion is defined as a change in classification or classification level to a higher rated position, in which the minimum of the rate range of the new classification exceeds the minimum of the Employee's current classification. A promotion must always result in an increase of pay of at least five percent (5%) or to the new classification minimum whichever is greater. Incumbent Employees similarly situated within the job classification will not be brought up automatically to the promoted Employees wage rate based on the five percent (5%) promotion.
2. Pay raises to promoted Employees referenced in this article shall be effective the first day of the pay period following the promotion.

ARTICLE 14 - MINIMUM RATES

All wage ranges, benefits and other economic provisions of this Agreement establish minimums, and nothing herein shall be deemed or construed to limit the Hospital's right to increase wage rates and/or scales, benefits, premiums and differentials, and to pay other extra compensation at the Hospital's discretion in excess of those provided by this Agreement. Accordingly, it is also understood that any such increases shall be over and above the economic package negotiated under Article 13. Before taking any action, the Hospital shall notify the Union and meet and confer over the proposed change. No Employee shall suffer any reduction in wages or benefits as a result of the execution of this Agreement except as provided for in this agreement.

ARTICLE 15 - PROVIDENCE BENEFIT PLANS

Providence will provide health and welfare programs including the following: Medical, Prescription Drug, Dental, Vision, Short Term Disability, Long Term Disability, Basic Life, Basic Accidental Death & Dismemberment and Employee Assistance Program. Bargaining unit Employees shall participate in the same plans as non-bargaining unit Employees, with the same plan design, co-pays, co-insurance, Employee contribution, etc. The Short-Term Disability benefit will become effective the first of the month following ratification.

Providence shall maintain an 80/20 cost sharing across the California Region for the Medical and Drug Plans. The premiums for the Medical and Drug Plans for plan year 2015 are as provided to the Union. Premiums for the Medical and Drug Plans for the 2016 and 2017 plan years shall not increase by more than 10% on a blended average basis, meaning for some categories the increases can be greater than 10% and others less than 10%.

Effective the first full pay period after ratification, bargaining unit Employees shall be eligible to participate in the same Paid Time Off Plan as the Hospital's non-represented Employees. Provided that this Agreement is ratified by June 30, 2015, Employees who were in a benefits-eligible position prior to January 1, 1996, and who were grandfathered under the PTO alternate accrual schedule, will receive a one-time lump sum bonus of \$750 less lawful withholding and authorized deductions.

Employees will participate in the retirement plan offered to the majority of the Hospital's non-represented Employees, in accordance with their terms. The retirement plans that comprise the overall program include: the Providence 401 (a) Service Plan, the Providence 403 (b) Value Plan (which includes both pre-tax and post-tax deferrals), and the Providence 457 (b) Savings Plan.

A. MAINTENANCE OF BENEFITS

The premiums for the health and welfare programs will be the same for the bargaining unit Employees as it is for non-bargaining unit Employees.

B. PTO ACCRUAL:

Eligible Employees earn PTO each pay period based on actual hours worked in the previous two weeks. PTO will not be earned on any hours exceeding a 1.0 FTE status (i.e., 40 hours per week).

Category	Length of Service in Benefit Status Accrual	Earnings per Pay Period	Maximum Accrual
1.0 FTE*	Less than 3 years	7.69 hours	300 hours
	3 to less than 5 years	8.62 hours	336 hours
	5 to less than 10 years	9.23 hours	360 hours
	10 to less than 15 years	10.15 hours	396 hours
	15 or more years	10.77 hours	420 hours

*Amounts pro-rated if work less than 1.0 FTE.

C. EXTENDED SICK LEAVE (ESL):

No further ESL accrual will occur effective the first full pay period following ratification. All existing ESL accruals for then-current Employees shall be frozen as of that date and shall be placed in a bank for each respective Employee. Employees hired on or after ratification will not accrue or participate in ESL.

From the first full pay period following ratification through December 31, 2017, after a 7-day waiting period, Employees with accrued ESL may use it for the same purposes and according to the same rules that were in place as of ratification. During that time, Employees who have accrued ESL and wish to “top up” their approved Short Term Disability or Workers’ Compensation benefit such that they receive 100% of their compensation must first use ESL. Employees who have exhausted or do not have accrued ESL may use PTO to “top up” their approved Short Term Disability or Workers’ Compensation benefit.

From the first full pay period following ratification through December 31, 2019, after a waiting period of three (3) consecutive scheduled work shifts or twenty-four (24) scheduled work hours (whichever comes first), Employees with accrued ESL may use it for: (1) approved continuous federal or state leave of absence (includes maternal and paternal baby bonding) to care for a family member’s illness; and (2) approved intermittent leave to care for a family member after PTO has been exhausted.

Each Employee’s ESL bank and any accrued ESL held therein will automatically terminate on December 31, 2019 with no further action of the parties, and any remaining ESL balance at that time will not be available for any use.

ESL is not redeemable and not vested. When used, it is paid at the Employee’s current hourly base rate.

If conditions in the Hospital have so changed that it would not be feasible to reinstate him/her in such manner, then the Hospital will reinstate the Employee to as nearly comparable position and shift as is reasonable under the circumstances. If an Employee wishes to return from leave early he/she must give the Hospital at least four (4) weeks' notice prior to reinstatement.

D. PERSONAL LEAVE OF ABSENCE

An Employee may request a Personal Leave of Absence. Such leave may be granted for reasons other than an Employee's own serious health condition or disability or the Employee's need to fulfill family obligations relating directly to childbirth, adoption, or placement of a foster child; or to care for a child, spouse, or parent with a serious health condition. An Employee requiring a leave for those reasons should apply for Family Leave or Medical leave. A Personal Leave of Absence may be granted with department manager approval for up to six (6) months per twelve (12) month period; however, such leave may not be used to extend a vacation, or other paid time off.

1. **Benefit Accrual:**

A benefit-eligible Employee on a Personal Leave of Absence will not accrue benefits such as Paid Time Off (PTO) while on a Personal Leave of Absence.

2. **Continuation of Health Benefits:**

Subject to the terms, conditions and limitations of the applicable benefits plans, health insurance benefits will be subsidized by the Employer (as if the Employee were working) during the portion of the leave that is paid. During the portion of the leave that is paid from accrued PTO, the employee portion of insurance premiums will automatically continue to be deducted. Once PTO is exhausted, benefits may be continued under the provisions of COBRA.

E. RETURN TO WORK FROM A LEAVE

When an Employee returns to work, in compliance with the authorized leave of absence, such Employee shall be reinstated in the same classification, position, shift, unit and scheduled hours in which such Employee was employed before his/her absence, if vacant. If not, the Hospital will reinstate the Employee to a comparable vacant position, provided the Employee satisfies the job requirements and it is reasonable to believe that he/she can satisfactorily perform the job with minimal orientation and training within two (2) weeks. Notwithstanding the foregoing, the Hospital will provide additional return to work protection should it be required by law. Any return to work is contingent upon the Employee's ability to perform the essential functions of the position with or without reasonable accommodation.

F. MEDICAL DISABILITY LEAVE

1. Employees who have been employed for at least ninety (90) continuous days shall be granted leaves of absence when an Employee is unable to work because of disability or illness. The Hospital will grant such leaves according to state and federal law and this Agreement. Employees will not accrue PTO while on a Medical Disability Leave of Absence.
2. Additionally, Employees shall be granted leaves of absence for physical or mental disabilities, for a period of up to nine (9) months per twelve (12) month period, where the necessity for such absence has been certified by the Employees' attending physician; such leaves shall be subject to the Return From a Leave provisions of Section E., above. The Hospital will consider in good faith requests to extend the nine (9) month period for up to a maximum of three (3) additional months which shall not be unreasonably denied.

G. CONTINUATION OF HEALTH BENEFITS

1. Except for union and personal leaves of absence and subject to the terms, conditions and limitations of the applicable benefits plans, health insurance benefits will be subsidized by the Hospital (as if the Employee were working) for up to six (6) months. During the portion of the leave that is paid from available ESL and/or PTO, the Employee portion of insurance premiums will automatically continue to be deducted. Once ESL and/or PTO is exhausted, the Hospital will pay the complete insurance premiums for the remainder of the six (6) month period. At the end of the six (6) months the Employee is eligible to continue health benefits under COBRA. Any remaining PTO will be cashed out.

H. LENGTH OF LEAVES

Leaves (whether paid, unpaid, or a combination of paid and unpaid) shall not exceed nine (9) months per twelve (12) month period unless:

1. otherwise required by law;
2. otherwise provided in this Article;
3. except in the case of Workers' Compensation leaves which will be handled on a case-by-case basis, but in no event shall be less than required by law and no less than that provided for other Medical leaves; however, Employees are removed from active

payroll after twelve (12) months.

I. USE OF PAID TIME OFF DURING LEAVES

Except as required by law otherwise agreed, Employees must use any accumulated Paid Time Off (PTO) and available ESL benefits, in accordance with the Hospital's Paid Time Off policy, in connection with leaves of absence granted pursuant to this Article. Such Paid Time Off or available ESL benefits shall be integrated with the STD, SDI, PFL, and/or Worker's Compensation benefits in order to supplement the Employee's regular wages, until such benefits are exhausted.

J. MODIFIED DUTY PROGRAMS

1. In the case of worker compensation injury, the Hospital will make every effort to return an Employee with temporary restrictions to a job which she/he can perform with comparable wages, shift, and hours in accordance with the Transitional Duty (Modified Duty) Program.
2. Prior to participating in the Transitional Duty (Modified Duty) Program, an Employee shall be provided Transitional Duty (Modified Duty) Program Information.

K. BEREAVEMENT LEAVE

In the event of a death in the immediate family, an Employee will be allowed three (3) scheduled shifts off with pay to a maximum of thirty-six (36) hours, immediately following the death, to arrange or attend the funeral. Bereavement Leave should be taken within the seven (7) day period following the death. In the event of extenuating circumstance, bereavement leave may be taken at a later date. Cases will be decided on a case by case basis by Human Resource Director or his/her designee.

1. Immediate Family:

"Immediate family" is defined as: spouse, parents, children, brothers, sisters, grandparents, grandchildren and current: brothers-and sisters-in-law, fathers-and mothers-in-law, stepparents, stepsisters, and stepbrothers, stepchildren, step-grandchildren, legal wards, domestic partners, and individuals who are not legally related but who reside with the Employee.

2. Pay:

The Employee will be paid his/her base hourly rate for each of the scheduled shift(s) missed (up to thirty-six (36) hours), and may be required to furnish satisfactory evidence to support the leave.

3. USE OF PTO:

At the Employee's option, two (2) additional days of time off may be used for bereavement purposes in addition to the paid bereavement leave above and Paid Time Off must be utilized. At the facility's discretion, additional bereavement day or days may be granted.

L. JURY DUTY LEAVE

1. Eligibility

Regular Full-Time Employees and Part-Time 1 Employees called to jury duty may be

eligible to receive a portion of their hourly base pay for a limited time while serving on jury duty. In the event that a regular Full-Time Employee cannot be excused or cannot rearrange her/his working schedule to avoid a conflict, the Employee shall receive the difference between their regular pay and any amount of jury pay received on the days the Employees were scheduled to work.

An Employee shall be eligible to receive up to two (2) weeks of pay in a three year period. For example, a twelve (12) hour employee would receive a maximum of thirty-six (36) hours for each calendar week of work, and an eight (8) hour employee would receive a maximum of forty (40) hours for each calendar week of work.

A Part-Time 1 Employee may receive up to a maximum of forty (40) hours pay within a three (3) year period, except as otherwise required by law.

2. Jury Duty Attendance and Work Requirement

- a. Evidence of jury duty attendance must be presented to the Hospital.
- b. An Employee required to report for jury duty will be excused from work on the day(s) the Employee is required to report to the court for jury duty. However, if excused from Jury Duty two (2) hours or more prior to the start of an Employee's regular shift, the Employee will contact the staffing office, house supervisor or department director to determine if needed, and if needed the Employee will come to work for that shift. Night shift Employees will be excused the shift before and the shift after they are required to report to court for jury duty.

3. Return to Work

It is the Employee's responsibility to report for employment at the end of an approved leave (not daily) for jury duty. Failure to do so may result in disciplinary action up to and including termination of employment.

4. Continuation of Benefits

All Employee benefit accruals and other benefits in which the Employee is enrolled will continue while the Employee is on jury duty leave. The Employee will be required to continue payment of any required contributions for Employee benefits during the jury duty leave.

M. WITNESS LEAVE

An Employee who is required by law to appear in court as a witness may take time off for such purpose provided he/she gives the Hospital reasonable advance notice. An Employee who appears as a witness at the request of the Hospital will receive pay at his/her base rate during such time.

N. PAY AND BENEFITS

Unless otherwise required by law or otherwise required by this Agreement, leaves of absence under this Article and Agreement shall be unpaid. Employees on leaves of absence other than Union leaves of absence shall be eligible to continue to participate in the Hospital's insurance and benefits plans in accordance with the terms and conditions of those plans.

O. REDUCTION IN FORCE

If business conditions require a reduction in force, Employees on approved leaves of absence will be considered for layoff under the same terms and conditions as other Employees actively at work.

P. TERMINATION DURING LEAVE OF ABSENCE

Unless otherwise required by law, an Employee may be subject to termination during a leave of absence for reasons including but not limited to the following:

1. Failure to keep the Hospital informed of changes in medical status if on a medical disability leave, including maternity/pregnancy-related leave.
2. Misrepresentations regarding the reasons for applying for the leave of absence, or any facts related hereto.

Q. PHYSICAL EXAMINATIONS

The Hospital reserves the right to require any Employee on any medical or disability leave, including maternity/pregnancy leave, to be examined at the Hospital's expense by a Hospital selected physician prior to his/her return to work.

ARTICLE 20 - JOB SECURITY

A. SUCCESSORSHIP PROTECTION

Notification. If the Hospital is sold or if an agreement is reached to merge the Hospital with another employer, the Hospital will notify the Union in writing at least sixty (60) days prior to the effective date of the sale or merger. In the event of a non-temporary operational merger of units or closure of a service in which bargaining unit Employees are employed, the Hospital will notify the Union in writing at least forty-five (45) days prior to the effective date of such merger or closure or at any such earlier time as the Hospital is required to give notice of such merger or closure to State or Federal authorities. The Hospital will meet at the Union's request to engage in good faith bargaining over the impact of such changes, as required by law.

Prior to the sale or transfer, the Hospital shall inform the prospective acquiring entity of the existence of this CBA and of its terms and conditions; shall provide a copy of this CBA to the acquiring entity, shall require as a condition of the sale or transfer, that the new employer or entity to retain all or substantially all of the bargaining unit Employees and that the new employer shall not require that the current Employees reapply for their positions, and shall recognize the Union as the collective bargaining representative. The Hospital shall, in addition, require as a condition of the sale that the acquiring entity shall assume an existing memorandum of understanding between the hospital and the Union except that the purchaser or transferee shall offer comparable benefit plans in lieu of benefit plans that are specifically administered by and available only through Providence Health System, for the remainder of its term.

B. TRANSFER OPTION

Job openings at other Providence facilities will be posted and will be available to bargaining unit Employees on the same basis as other Providence Employees.

ARTICLE 21 - MANAGEMENT RIGHTS

The Hospital's failure to exercise any right, prerogative, or function hereby reserved to it or the Hospital's exercise of any such right, prerogative, or function in a particular way, shall not be considered a waiver of the Hospital's right to exercise such right, prerogative, or function, or preclude it from exercising the same in some other way not in conflict with the express provisions of this Agreement.

ARTICLE 22 - SUBCONTRACTING

The Hospital shall not subcontract any bargaining unit work without mutual consent during the term of this Agreement. The Hospital also agrees that it will, upon request, discuss with the Union the possibility of bringing currently subcontracted work into the bargaining unit. In the

event a significant operational or economic opportunity is identified, the Hospital and Union will, upon request, meet concerning the opportunity with subcontracting included as a possible alternative. If no agreement is reached, no subcontracting will take place.

ARTICLE 23 - UNION SECURITY

A. UNION MEMBERSHIP AS A CONDITION OF EMPLOYMENT

All Employees of the Hospital covered by this Agreement as of the date of the execution shall, as a condition of continued employment with the Hospital, become and remain members in good standing of the Union not later than the thirty-first (31st) day following the date of the execution of this Agreement.

The Hospital will provide all new hire Employees who are hired into the bargaining unit with the Union Membership Application/Payroll Deduction Form.

As a condition of employment all Employees hired on or after the effective date of this Agreement shall, on the thirty-first (31st) day following the beginning of such employment, become and remain members in good standing of the Union and tender to the Union the initiation fees and periodic dues that are the obligations of members.

B. FAILURE TO MAKE REQUIRED PAYMENTS

If said Employee does not comply with the provisions of this Article within the ten (10) day period following actual notice, the Employee shall be promptly terminated upon written notice of such fact from the Union to the Hospital.

C. DEDUCTION AND REMITTANCE OF UNION INITIATION FEES AND DUES

Upon receipt of an individual, voluntary, written, and un-revoked check-off authorization form which has been signed by an Employee in the bargaining unit covered by this Agreement, the Hospital shall deduct from the pay of such Employee a sum equal to the Employee's union initiation fees or monthly membership dues, uniformly required, and only so long as such Employee was employed by the Hospital at the time such obligation became due.

The Hospital shall promptly remit to the Union the sums which are deducted under this Section, together with a list on hard copy and a disk or electronically (on Excel, ASCII delimited text, or another compatible format) showing the following information for Union members: their names, Social Security number, home address and phone number (as provided by the Employee), classification, regular wage rate, regular hours worked during the period, regular earnings during the period, department, status (e.g., Regular Full-Time, Regular Part-Time, Per Diem, or Temporary), and date of hire.

On a monthly basis, no later than the tenth (10th) of the month, the Hospital will provide the Union with a list of deletions and additions to the bargaining unit in the previous month and the effective dates thereof. The list will be provided on hard copy and a disk or electronically (on Excel, ASCII delimited text, or another compatible format) showing

the following information for such Employees: name, social security number, classification, department, status, and date of hire, address, shift (when feasible), phone number, wage rate, and date of hire. Addresses will be provided for new hires and transfers into the bargaining unit.

The Union shall indemnify the Hospital and hold it harmless against any and all suits, claims, demands and liabilities that arise out of, or by reason of, any action that shall be taken by the Hospital for the purpose of complying with the foregoing provisions of this Article including any cost or liability resulting from any and all claims, demands, suits or any other action arising from any unauthorized disclosure of Employees' social security numbers after they have been transmitted to the Union pursuant to this Article. The indemnification includes the cost of defending against any such actions or claims. The Union and Hospital agree during the term of this agreement to explore alternative methods of transmitting employee identifying information that do not include the transmission of Employees' social security numbers.

The Hospital will honor written assignment of wages to the Union's Committee on Political Education (C.O.P.E.) fund, where such assignments are submitted in a form agreed to by the Hospital and the Union, and will remit such contributions to the Union.

ARTICLE 24 - WORK STOPPAGE

- A. Neither the Union nor the Employees shall threaten to, or participate in, any strike, walkout, slowdown, sickout, sympathy strike or other work stoppage collectively referred to as "work stoppage" during the life of this Agreement. In the event of any strike, walkout, slowdown, sympathy strike, or work stoppage or threat thereof, the Union and its officers will do everything within their power to end or avert the same.
- B. The Hospital, for its part, agrees that there shall be no lockout of Employees during the term of this Agreement.

ARTICLE 26 - SAVINGS CLAUSE

If any provision of this Agreement is held to be in conflict with any State or Federal law, or if

compliance with or enforcement of any provision is restrained, the remainder of this Agreement shall remain in full force and effect. In the event that a provision of this Agreement becomes unlawful by such judicial or legislative action, the parties shall meet for the limited purpose of negotiating a substitute for such affected provision. Notwithstanding this language, the unaffected Articles and provisions of this Agreement shall remain in full force and effect including but not limited to Article 24, Work Stoppage.

ARTICLE 27 - ENTIRE AGREEMENT

The parties agree that this Agreement is intended to constitute the entire contract between them governing wages, hours and conditions of employment of bargaining unit Employees covered during the term hereof, and settles all demands and issues on all matters subject to collective bargaining. Notwithstanding, the parties understand that issues may arise from time to time during the term of this Agreement that may not have been covered by this Agreement that one party or the other feel need to be discussed. It is agreed therefore, that either party may raise such issues and the other agrees to meet and confer with respect to such issue(s) in an attempt to try to reach a mutual resolution of such issue, however, arbitration is not a remedy in the event the parties are unable to reach agreement.

ARTICLE 28 - TERMS OF AGREEMENT

This Agreement and its appendices constitute the exclusive record of agreement between the National Union of Healthcare Workers (NUHW), and the Hospital on all matters relating to wages, hours, and working conditions.

The National Union of Healthcare Workers and the Hospital may mutually agree to amend or add to any provisions of this Agreement or its appendices. Any such amendment or modification must be in writing and executed by the duly authorized representatives of each party and any verbal modification or amendment shall be of no force or effect.

Upon ratification, this Agreement shall be effective from January 1, 2015 and shall continue in effect to and including December 31, 2017, and from year to year thereafter, unless, at least ninety (90) days prior to December 31, 2017, or at least ninety (90) days prior to any subsequent anniversary date thereafter, either party gives written notice to the other of its desire to make changes in the Agreement. Notwithstanding the foregoing, the only language of the agreement that shall have retroactive effect before ratification is as specified in Article 13, Compensation.

ARTICLE 29 - EMPLOYMENT & INCOME SECURITY

As such, it is the intent of the parties to avoid displacement of Employees, but recognize there are circumstances where avoiding displacement cannot be achieved. The parties acknowledge a mutual intention to make use of attrition, business growth, job matching, retraining and/or other mutually agreed upon mechanisms to accomplish this goal. The Hospital will make every effort to maintain employment and income security and to avoid displacing Employees, i.e., reductions in force, reduction in hours, daily cancellations and job elimination on a temporary, indefinite, or permanent basis.
- B. Issues regarding job security, retention and recruitment shall be jointly considered by the parties, and the Hospital will implement mutually agreeable programs to address these issues, when necessary and feasible, including the following:

7. Identifying new and creative recruitment sources;
8. Other opportunities to enhance recruitment, retention and retraining;
9. Impact on the workforce as a result of business changes that would result in closures, consolidations or shared service entities.

SIDE LETTER: CHILDREN'S HOSPITAL

Providence Tarzana Medical Center (PTMC) entered into an agreement with the Children's Hospital of Los Angeles (CHLA) whereby CHLA operates a Pediatric and Pediatric Intensive Care Unit at the PTMC facility hereinafter referred to as the "CHLA transaction." PTMC proposed to the appropriate Regulatory Agencies that the Employees who would be affected by the CHLA Agreement remain Employees of PTMC. However, if the Regulatory Agencies decide that any Employee, who may be a member of the NUHW bargaining unit must be an Employee of CHLA, then the Union agrees that Article 20 Job Security, and Article 22 Subcontracting, shall not apply to the CHLA transaction. This agreement shall not apply as to any rights and/or obligations that might otherwise arise under the law, independent from those that are waived by this side letter.

The Seven Points of Just Cause for Discipline

If the answer to these seven questions is yes, Management has just cause for discipline:

1. **Forewarning** – Did Management give the worker forewarning of possible disciplinary consequences of the workers conduct?
2. **Reasonable Rule** – Was Management's rule or order reasonably related to the orderly, efficient and safe operation of the organization's business and to the performance that Management might reasonably expect of the worker?
3. **Discovery** – Did Management make an effort to discover whether the worker violated or disobeyed a rule or order before disciplining her or him?
4. **Fair Investigation** – Was Management's investigation conducted fairly and objectively?
5. **Evidence of Guilt** – At the investigation, did Management have substantial evidence that the worker was guilty as charged?
6. **Evenhanded Application** – Has Management applied its rules, orders, and penalties evenhandedly and without discrimination to all workers?
7. **Fair Punishment** – Was the degree of discipline administered by Management reasonably related to the seriousness of the offense and the record of the worker's service to the employer?
