Honorable Jose Solorio
Council Member, City of Santa Ana

Dear NUHW Members at Fountain Valley Regional Medical Center,
I am honored to express my full support for your efforts to reach a fair agreement with Fountain Valley Regional Medical Center (FVRMC) management.
I truly value the vital care and services you provide to your patients. Your skills, dedication, commitment and knowledge are the components that allow FVRMC to serve this community. I am aware that there are still critical bargaining issues that need urgent resolutions. We stand with you as you seek an agreement with management to increase your wages to the same level as your counterparts at other Tenet hospitals, reduce costly healthcare premiums, and improve your healthcare benefits.
I strongly believe that, if you continue to stand together, you will settle a fair agreement. I stand with you too. If there are public worksite actions, you can count on my support to be there with you.
Thank you for the care you provide to our community. We depend on you, and you can count on me.
