Cancer Hospital**

May 1, 2017 – April 30, 2018

WEINGARTEN RIGHTS/STATEMENT

Additional Representation Rights:

The following holding of the U.S. Supreme Court in NLRB v. Weingarten, Inc., shall apply to investigatory interviews conducted by the employer that an employee, upon his/her request, is entitled to have a Union representative present during an investigatory interview in which the employee is required to participate where the employee reasonably believes that such investigation will result in disciplinary action. The right to the presence of a Union representative (Union Organizer or Union Steward) is conditioned upon a requirement that the Union representative be available for participation in such investigatory interview within twenty-four hours, excluding Saturday, Sunday, and Holidays, of the employee's request for his or her presence.

Weingarten Rules/Statement:

“I request to have a Union representative present on my behalf during the meeting because I believe it may lead to disciplinary action being taken against me. If I am denied my right to have a Union representative present, I will refuse to answer accusatory questions and any I believe may lead to discipline.”

Rule 1: The employee must make a clear request for Union representation before or during the interview. The employee cannot be punished for making this request.

Rule 2: After the employee makes the request, the employer must choose from among three options:

1. Grant the request and delay questioning until Union representation arrives and has a chance to consult privately with the employee;
2. Deny the request and end the interview immediately;
3. Give the employee a choice of having the interview without representation or ending the interview.

Rule 3: If the employer denies the request for Union representation and continues to ask questions, the employer commits an unfair labor practice and the employee has the right to refuse to answer. The employer may not discipline the employee for such refusal.

PREAMBLE

USC Kenneth Norris Jr. Cancer Hospital (the “Hospital”) and National Union of Healthcare Workers (the “Union”) hereby agree to become parties to the following collective bargaining agreement (hereinafter referred to as “Contract” or “Agreement”).

ARTICLE 1 – RECOGNITION

Pursuant to the Certification of Representative issued September 2, 2016 in NLRB Case No. 21-RC-181400, USC Kenneth Norris Jr. Cancer Hospital recognizes the Union as the exclusive bargaining representative of the employees employed by the Hospital at its facility located at 1441 Eastlake Avenue, Los Angeles, California in the following bargaining unit:

A. INCLUDED

All full-time, regular part-time, and per diem, service, maintenance and technical employees employed by and working for the Employer at its facility located at 1441 Eastlake Avenue, Los Angeles, California.

B. EXCLUDED

All other employees, managers, confidential employees, guards, physicians, residents, office clerical employees, employees of outside registries and other agencies supplying labor to the Employer, employees of the other USC entities, already represented employees and supervisors as defined in the Act.

ARTICLE 2 – UNION REPRESENTATION

A. UNION STEWARD

1. The Union shall provide the Hospital with a written list of Union Stewards after their designation, and shall notify the Hospital of changes on a quarterly basis. The Union shall designate one steward as Chief Steward. Prior to the Hospital's receipt of such Union designation, the Hospital is not obligated to recognize a Union steward under this Article.
2. The functions of the Union Steward include the authority:
 - a. to settle or assist in settling problems arising in connection with the application or interpretation of the agreement;
 - b. to resolve grievances at Step 1 or 2 of the grievance procedure; and
 - c. to serve as a Union representative for Weingarten meetings.
3. Union Stewards shall perform their functions or Union-related activities on their own time except as provided for in Subsection 5, Paid Release Time for Union

Stewards (below). However, if a meeting is mutually agreed to with the Union Steward during the Steward's work shift, that time will be paid for by the Hospital. If a Union Steward wishes to schedule a meeting with employees during the union steward's work shift, unpaid leave time shall not be unreasonably denied.

4. Whenever a bargaining unit employee requests a Steward's presence at a Step 1 grievance meeting with a supervisor, every effort will be made to schedule such meeting a minimum of 24 hours in advance. The Steward will notify his/her supervisor of such meeting and arrange for his/her own release, when possible, to attend. Should the supervisor determine that releasing the requested Steward is not possible, the Union Steward or Field Representative will either reschedule the grievance meeting or select an alternate Steward. Steward release will not affect the grievance procedure timelines as outlined in Article 9, Grievance Procedure. Nothing in this provision overrides the grievance procedure as detailed in Article 9.
5. Paid Release Time for Union Stewards
 - a. The Hospital shall provide a maximum of four (4) hours per month of paid release time for three specifically authorized Union Stewards. This paid release time shall not be scheduled in such a way as to create overtime.
 - b. The four (4) hours provided may be utilized for monthly steward meetings, steward education, and steward training, designed to further the relationship between the Hospital and the Union. At least fourteen (14) days prior to the posting of the staffing schedule, the union shall provide written notice to the Director of Employee and Labor Relations that paid release time is requested and the individuals for whom it is being requested. Paid release time is subject to staffing and scheduling needs. Stewards who are specifically authorized for paid release time will be permitted to leave their normal work to utilize these hours. The parties agree to work together on scheduling issues that may arise, including last minute scheduling changes by either party.
6. Union Stewards shall not direct any employee as to how to perform or not perform his/her work, shall not countermand the order of any supervisor, and shall not interfere with the normal operations of the Hospital or any employee.

B. UNION ACCESS

1. One duly authorized Field Representative of the Union shall be permitted to enter the Hospital at reasonable times for the purpose of observing whether this Agreement is being adhered to and/or to check on complaints of bargaining unit employees. The Union will notify the Director of Employee and Labor Relations or his/her designee who has been selected as the Field Representative. The Union Field Representative shall advise the Director of Employee and Labor Relations

or his/her designee of each visit upon entering the Hospital and shall check in at the front security desk. If the Director of Employee and Labor Relations or his/her designee is not on site and/or on duty, the Union Field Representative will call and/or page the Director of Employee and Labor Relations or his/her designee. The Union Field Representative will abide by patient confidentiality, infection control, and other Hospital policies applicable to such areas. When at the Hospital the Union Field Representative will wear his/her Union Representative badge issued by the Hospital visibly displayed above the waist, in accordance with policies applicable to all employees.

In the following special circumstances: steward elections, steward meetings, and steward trainings, one (1) additional Union Field Representative will be allowed access to a conference room that has been reserved in accordance with Section D below, provided the Director of Employee and Labor Relations is given at least one week advance notice.

2. The Union Field Representative shall not interfere with the work of any employee. This shall not prevent the Union Field Representative from conferring with an employee and his/her supervisor or a Hospital representative on Hospital time in connection with the complaint or problem concerning the employee.
3. During the term of the Agreement, if the Hospital believes that a Union representative is violating the limitations on access as set forth above, the Hospital may request an immediate meeting with representatives of the Union to discuss and attempt to informally resolve the Hospital's concerns. This meeting will be held in person or telephonically within twenty-four (24) hours of the Hospital's request. In the event that the Hospital's concerns are not resolved to the Hospital's satisfaction within forty-eight (48) hours of its request for such a meeting, the Hospital may submit the issue to expedited arbitration. The arbitrator will be selected in the same manner as set forth in Article 9.

C. BULLETIN BOARDS

The Hospital shall provide one (1) glass-enclosed locking bulletin board in a mutually agreed location. In addition, in departments where NUHW bargaining unit members work, an 8 ½ x 14 posting space will be provided in currently existing non-public employee break rooms. The bulletin board and designated break room space is for posting of notices and announcements regarding Union business, such as meetings, internal Union election results, education, and social events. No materials which are derogatory of the hospital, management, or the University of Southern California shall be posted. Both the Union and the Hospital shall have a key to the bulletin board. The Hospital shall not access the bulletin board until a request has been made to the Union, in writing, and a reasonable time given for discussion.

D. USE OF HOSPITAL CONFERENCE ROOMS

The Hospital shall provide the Union reasonable access to on-site conference rooms upon request, based upon availability, in accordance with scheduling procedures below:

1. The Hospital will provide the Union with a maximum of eight (8) hours per month of conference room access for Hospital employee meetings or conferences regarding union business related to the Hospital.
2. The Union must schedule such conference room usage in accordance with the conference room scheduling practice of the Hospital. The Hospital is not required to displace or bump groups or organizations that have scheduled conference room usage or otherwise have established periodic meeting schedules.
3. Up to a total of six (6) hours per year of conference room time, which is not utilized in the appropriate month may be utilized at a later date. After these hours are utilized, additional unused hours cannot be banked for later usage. Any unused hours will be lost if not used by the end of the calendar year.

For example, if in January the Union utilizes only two (2) hours of its conference room time, it may bank six (6) hours. Subject to the scheduling procedure noted above, the Union may utilize those six (6) hours in subsequent months. If in any subsequent month the Union again does not utilize its full 8 hours of conference room time, it may not utilize these additional unused hours to add to or replenish its 6-hour bank.

E. EMPLOYEE ORIENTATION

1. The Hospital will allow a Union steward or Union representative up to thirty (30) minutes during the general part of the Hospital's orientation program for new employees to discuss the Union and the terms of the collective bargaining agreement. Such time will normally be scheduled immediately prior to the lunch break, or as the final item on the orientation program agenda.
2. In connection with Subsection 1 above, the Union steward shall be released from work without loss of pay to participate provided that patient care permits. Where such orientation program is regularly scheduled such release should normally occur.
3. The Hospital will make available the items described below along with other orientation materials provided to new Employees in the bargaining units represented by the Union subject to timely prior receipt of such materials from the Union:
 - a. Copy of the applicable collective bargaining agreement.
 - b. Copy of a Union membership application and dues authorization card.

- c. List of Union stewards, prepared by the Union, showing their departments and/or work areas and telephone numbers.

F. BARGAINING UNIT LISTS

On a monthly basis, no later than the tenth (10th) of the month, the Hospital will provide the Union with a complete list of employees, which will include deletions, including terminations and additions to the bargaining unit in the previous month and the effective dates thereof. The list will be provided on hard copy and a disk or electronically (on Excel, ASCII delimited text, or another compatible format) showing the following information for such Employees: name, home address, cell phone numbers, email address, date of termination and the reason for termination (e.g., resignation, discharge, layoff, retirement). On an as needed basis social security number, hospital issued employee identification number, classification, job title, department, cost center, base rate, date of hire, shift, and status (e.g., regular full-time, regular part-time, per diem or temporary).

The Union shall indemnify the Hospital and hold it harmless against any and all suits, claims, demands and liabilities that arise out of, or by reason of, any action taken by the Hospital in providing the Union with the information set forth in Subsection 1 above or otherwise complying with said subsection.

ARTICLE 3 – EMPLOYEE STATUS

A. FULL-TIME EMPLOYEE

A regular Full-Time Employee is an Employee who is not in a temporary status and is regularly scheduled to work thirty (30) hours or more per work week. Regular Full-Time Employees are benefits eligible.

B. PART-TIME EMPLOYEE

A regular Part-Time Employee is an Employee who is not in a temporary status and is regularly scheduled to work at least twenty-four (24) but less than thirty (30) hours per work week. Regular Part-Time Employees are benefits eligible.

C. PER DIEM EMPLOYEES

A Per Diem Employee is an Employee who has executed the Hospital's Per Diem Agreement and who is not a Regular full-time or Regular part-time Employee. Per Diem Employees do not receive any insurance, retirement or other fringe benefits under this Agreement, including without limitation any vacation or other paid time off, with the exception of sick time, except that they may participate in the applicable retirement plan if they meet the qualification/eligibility requirements of the plan.

D. TEMPORARY EMPLOYEE

A Temporary Employee is one who is hired to work either part-time or full-time for a specified limited period of time and for a specific and temporary purpose, to replace a specific Employee on a leave of absence or for a short term project when bargaining unit Employees have been solicited and the need cannot be filled without incurring overtime or other premium pay. The specified period of employment for a Temporary Employee shall not extend beyond one-hundred and twenty (120) calendar days. The one-hundred and twenty (120) calendar days may be extended in any given case by mutual agreement of the Hospital and the Union, and the Union's agreement to such extension will not be unreasonably denied. This period may not be extended by the use of temporary assignments beyond a twelve (12) month period. Temporary Employment lasting for more than the period above or any extension agreed upon shall be reclassified as a regular hours position and shall be posted as a job vacancy in accordance with Article 5, Job Vacancies, Posting, and Bidding. Additional hours, beyond the originally scheduled hours for the temporary position, shall be offered to temporary employees as a last resort, meaning if those hours cannot be filled by other bargaining unit employees, or cannot be filled without incurring overtime or other premium pay. If the hours can only be filled by incurring overtime, then any overtime hours shall be awarded based on the provision in Article 11 dealing with assigning overtime hours. Any additional hours worked by a

Temporary Employee shall not be used to qualify for reclassification as outlined in Section E.

E. RECLASSIFICATION OF HOURS

1. Part time or Per Diem Employees who are working a regular full time schedule for ninety (90) days or more, in the same classification and department shall cause a reclassification of the additional hours to Regular hours if he/she is not working such hours as approved in accordance with Subsection 3, below. The additional regular hours will be posted as a vacancy in accordance with Article 5, Job Vacancies, Posting and Bidding.
2. A Per Diem Employee working regular hours as described in Subsection 1 above may continue to work in a per diem capacity subject to agreement between the Hospital, the Union and the Per Diem Employee.
3. This Section E does not apply to any hours worked by part time or per diem employees who are filling in for leaves of absence, transitional work time, or similar protected leaves.

ARTICLE 4 – SENIORITY

A. SENIORITY DEFINED

1. How Calculated

The Hospital will recognize seniority from the employee's most recent uninterrupted date of hire at the Hospital. An employee's seniority will be interrupted if he/she suffers a loss of seniority under Section B below. An employee's hire date is not interrupted if he/she is on an approved leave of absence. No employee shall suffer any reduction in seniority as a result of the execution of this Agreement except as provided for in this Agreement.

2. Per Diem Employees

Per Diem Employees shall accrue seniority from their most recent date of employment only for use within the Per Diem Employee pool.

3. Change of Status

An employee who changes his/her status from Per Diem status to a regular Full/Part-Time status or a regular Full/Part-Time status to Per Diem status after the effective date of this Agreement retains his/her applicable seniority date.

4. Return to Unit

Any bargaining unit employee who accepts a non-bargaining unit position with the Hospital may return to the bargaining unit without a break in seniority, provided that there exists a vacancy to return to and that such return occurs within ninety (90) days of the acceptance of the non-bargaining unit position.

5. Seniority List

The Hospital shall maintain seniority lists, which will be provided to the Union monthly. In addition, employee seniority lists by department will be updated and available in each department quarterly or upon request by the Union.

B. LOSS OF SENIORITY

Seniority shall be lost by:

1. Termination for cause;
2. Failure to return from a leave of absence;
3. Voluntary resignation;
4. Lay-off with no recall within twelve (12) months;
5. Termination of employment without rehire within twelve (12) months.

C. REDUCTIONS IN FORCE AND RECALL

1. In a reduction in force and subsequent recall, the principle of seniority, as defined in Article 4, Seniority, shall govern, providing that abilities are adequate.
2. A reduction in force shall be defined as the elimination of an employee's position in a department, a reduction in headcount in a department, or a reduction from Full-Time to Part-Time or to Per Diem status. A reduction in hours of a Full-Time or Part-Time employee(s) which results in an employment status change to Per Diem or results in the loss of the Health Plan or Paid Time-Off Coverage is also deemed to be a reduction in force.
3. Reduction in force language outlined in this Article will only apply to Full-Time, Part-Time employees, except as otherwise specifically referenced
4. In the event of a reduction in force, the following steps will be followed in order to determine placement of the affected employee(s):

a. Step One

The affected employee(s) will be offered the ability to elect a voluntary layoff status at any step of the reduction in force process and shall be eligible to receive full severance benefits. An affected employee may elect to be placed in per diem status at any time during Steps 1 - 5 of the reduction in force process outlined below. An employee who elects either status will retain his/her recall rights.

b. Step Two

The affected employee(s) may apply for and will be given any open position within the bargaining unit for which they are qualified and for which they meet position requirements within the Bargaining Unit. Affected employees may exercise this option at any time during Steps 1 - 5 of the reduction in force process, which shall supersede the bidding process. An affected full-time employee, at his/her option, may be placed into any vacant part-time position in the above order, provided he/she meets the position requirements.

c. Step Three

The affected employee(s) will be placed into any vacant position of the same employment category, pay, shift and classification provided he/she meets the position requirements within the Bargaining Unit. Employee(s) placed into a comparable vacant/open position(s) within the Bargaining Unit will not have recall rights. If an employee rejects an open comparable position offered at this Step, then the employee will forfeit all displacement rights. Such refusal would result in the employee being laid off and the forfeiture of recall rights, however, such employee shall be

eligible to receive full severance benefits.

d. Step Four

Employees who do not qualify for placement in Step 2 or Step 3 may displace the least senior employee in his/her current classification and employment category, provided he/she meets the minimum position requirements, in the following order:

- i. Department (as defined in Appendix A, Department Groupings)
- ii. USC Kenneth Norris Jr. Cancer Hospital.

e. Step Five

If there is no less senior Employee in his/her current classification, the Employee may displace the least senior employee in another classification if the employee affected by the reduction in force has worked in the other classification within the past twelve (12) months, meets the minimum position requirements, is able to pass the basic skills competency for the position as determined by the Hospital, and is able to satisfactorily perform the job with minimal orientation.

No recall rights will be given to any employee who rejects to displace another employee in his/her classification, shift, and employment category in their Department or the Hospital. An affected Full-Time employee, at his/her option and at any time within the Steps above, may elect to displace the least senior benefited part-time employee or an employee on another shift in his/her classification, or return to his/her former classification, provided he/she meets the minimum position requirements.

Definition of Departments for Reduction in Force is established in Appendix A and made a part of this Agreement hereto.

5. Recall

- a. An employee on layoff status or whose status was changed as a result of a reduction in hours, shall have recall rights in accordance with this provision for twelve (12) months from the date the employee was laid off or had his/her employment category reduced. Recall will be by seniority, as defined in Article 4.
- b. Employees placed into a position on a different shift, employment category, or former classification in Step 3, Step 4 or Step 5 shall have rights to return to his/her former shift, employment category and classification (within the Bargaining Unit), under the recall rights provisions for the defined "recall" period. If an employee rejects the open comparable position, then the employee will be taken off the recall list.

- c. A laid off employee may refuse a job offer and retain full recall rights if the job is not comparable in employment category, shift, classification, and pay to his/her former position at the time of layoff. Additionally, a laid off employee who accepts a job that is not comparable shall retain recall rights for the remaining term back to a comparable employment category, shift, classification, and pay at the time of layoff.
- d. In order to be eligible for recall, the employee must keep the Hospital informed as to his/her current address and current telephone number. Recall notice to employees on layoff shall be sent by certified mail, return receipt requested, to the employee's last known address, with a copy sent to the Union. The employee must return from layoff within ten (10) working days after receipt of notice to return to work, unless there are mitigating circumstances or by mutual agreement with the employee or the Union, or lose all recall privileges.

6. Per Diem Reduction in Force

In the event of a reduction in force, Per Diem positions shall be reduced before any Full-Time or Part-Time positions. The number of Per Diem employees in the classification(s) in which reductions are needed will be laid off in inverse order, using Per Diem seniority.

7. Reduction in Force Notice

The Hospital agrees to give the Union and each employee as much notice of a reduction in force as possible, and shall provide such notice immediately upon the Hospital's knowledge and/or realization of the need to implement reductions in force, which will affect Bargaining Unit employees. In no event, shall notice be given to the Union and each employee less than two (2) weeks before any implementation of a reduction in force. WARN notices shall be provided if required by State or Federal law.

8. Application of Reduction in Force Procedure

The parties recognize that reductions in force are extremely serious matters and that even well intentioned procedures may result in unintended applications. Therefore, the parties agree to communicate and meet during any application of the procedures to ensure its correct application to employees. Nothing contained herein shall prevent the parties from mutually agreeing to modify the procedure in a specific reduction in force application should the need arise.

9. Severance Pay

- a. Severance pay will be provided to a regular Full-Time and regular Part-Time Employee whose employment is terminated as a result of a reduction in force provided he/she executes the Hospital's standard release, which shall not require waiver of any recall rights provided by

this Agreement. The amount of severance pay will be one (1) week of pay per year of service, up to twelve (12) weeks, with a minimum of two (2) weeks' pay. Payment will be at the Employee's current base rate and partial years will not be prorated.

- b. Effective beginning the date of this Agreement, an Employee who is laid off, receives severance pay and is returned to work before the period which severance pay covered, shall have their future entitlement for severance pay adjusted accordingly (e.g. the Employee who receives ten (10) weeks' severance pay and is returned in five (5) weeks would have five (5) weeks' less of severance pay in the future).

ARTICLE 5 – JOB VACANCIES, POSTING AND BIDDING

A. POSTING OF VACANCIES

When a vacancy subject to this Agreement occurs in any department, a notice of that vacancy shall be posted on the intranet for a minimum period of seven (7) days before the Hospital fills the vacancy on a permanent basis. Qualifications for vacant positions shall appear on position postings. Postings shall include the hours, shift, wage range, days off (if fixed), and whether the days off are fixed or variable, holiday rotation schedule, and primary assignment and work duties (where applicable). This does not prevent the Hospital from filling the vacancy on a temporary basis until such position is filled. The hospital may hire a new employee for any vacancy for which no qualified employee has bid within the seven (7) day period.

B. BIDDING ON POSTED VACANCIES

Any current Employee who has completed his/her probationary period may apply for a posted vacancy by and applying through the Hospital's online application system. Probationary Employees may apply for posted vacancies only within the same department, and only with hospital approval, which shall not be unreasonably withheld.

C. RESTRICTIONS IN BIDDING

An Employee who applies for and is awarded a posted position may not be awarded another posted vacancy within the next six (6) months. This rule shall not apply:

1. If the posted vacancy arises in the same department (for the Nursing department, only within the Unit) which would result in a lateral transfer and not a promotion, including a change in the number of pre-scheduled hours of the bidding Employee, or the scheduled start and end times, or the days of work and days off, or the Employee's shift or would change the Employee's classification.
2. If the bidding Employee is in his/her current position as a direct result of a job change or layoff.

D. PREFERENCE ORDER

1. Preference among those bidding shall be given in the following order among bidding Employees from the same preference level. Among bidding Employees from the same preference level, seniority shall govern. The prior sentence is subject to the provision that 1) the bidding Employee must meet all reasonable qualifications of the job established by the Hospital (the Union has the burden of establishing that the Hospital's qualifications are unreasonable), and 2) ability and performance must meet minimum qualifications in the Hospital's reasonable judgment, and if the Hospital's judgment is disputed, the Hospital has the burden of establishing that its judgment was reasonable.
 - a. Full-Time and Part-Time Employees from within the bargaining unit, including Full-Time and Part-Time Employees on layoff and regular Employees who remain on the Per Diem list who have been laid off.
 - b. Per Diem Employees from within the bargaining unit. For purposes of this Section, date of hire shall be substituted for Seniority for Per Diem Employees.
 - c. Other Applicants. The Hospital shall be the sole judge of the fitness of any applicant.
2. Departments Defined for Job Bidding Purposes

Set forth in Appendix A, which is made a part of this agreement hereto.
3. Notification of Selection

Employees submitting a written bid for a posted vacancy under this Subsection shall be timely informed by the Hospital whether or not they are awarded the position.
4. Seniority Application

The seniority of bidding Employees shall be determined by the Employee's most recent uninterrupted date of employment, as defined in Article 4, within the preference order in this Article, rather than in the particular classification or Employee category.
5. Limitation

It is understood that any bid under this Section is limited to vacancies in Bargaining Unit positions and not day to day assignments arising from rotation of personnel, paid time off, or sickness relief.

6. Potential Vacancies

Within sixty (60) days of the ratification of this agreement, the parties will develop a system which will enable the following: Employees expected to be on vacation for a period of more than seven (7) days may submit an Application for Promotion and Transfer Form for a potentially available position. Such request must be submitted in writing to the Human Resources Department. Such written request shall constitute an automatic bid for thirty (30) days or for the period of vacation, whichever is less. It is understood that any written request under this Section is limited to vacancies or potential vacancies in permanent positions subject to this Agreement. When completing the Hospital required form, the Employee shall be responsible for providing contact information. Should the Employee qualify for the position during this period, the Hospital shall contact them and the Employee must be available for an interview in person or by telephone within seven (7) business days of notification.

7. Evaluation Period after Promotion or Transfer

Employees who are promoted to a new position or who transfer to another position through the bidding process shall have orientation as necessary, and such Employees shall have up to thirty (30) days of evaluation of their performance. The Employee may have the option to return to their former position within ten (10) days of starting the new position with no loss. If, at any time within the thirty (30) day period, the Employee fails to perform satisfactorily, such Employee shall be returned to his/her former position including shift, assignment, and scheduled hours without loss of seniority, provided that the position still exists; if the position no longer exists, such Employee will be returned to a position that is as nearly comparable to the former position including shift, assignment and scheduled hours as possible.

ARTICLE 6 – NON-DISCRIMINATION AND HARASSMENT

A. DISCRIMINATION

The Hospital and the Union agree that there shall be no discrimination against any Employee/applicant because of race, color, religion, national origin, sex, sexual orientation, gender identity, age, disability, marital status, union status, or any other characteristic protected by applicable state and federal laws including, the California Fair Employment and Housing Act, Title VII of the 1964 Civil Rights Act, the Age Discrimination in Employment Act, and the Americans With Disabilities Act.

B. HARASSMENT

1. The Hospital and the Union are committed to providing a work environment free from unlawful harassment. The Hospital will not tolerate actions, words, jokes, or

comments based on an individual's sex, race, ethnicity, age, religion, sexual orientation, gender identity, or any other legally protected characteristic.

2. The Hospital will take all reasonable steps to protect any Employee who, in good faith, reports harassment from continuing harassment and from retaliation because of having reported the harassment. The Hospital will also take all reasonable steps to protect witnesses who cooperate in any investigation of alleged harassment from retaliation. If the investigation reveals that the complaint is substantiated, appropriate remedial steps will be taken in an effort to stop the harassment and prevent its recurrence.

C. REMEDIES

1. Any Employee who believes to have experienced unlawful harassment, discrimination, or retaliation or to have been unfairly accused of engaging in discrimination or harassment must, as a prerequisite to any relief, make use of the complaint and investigative, and appeal, procedures provided by the Office of Equity and Diversity of the University of Southern California ("OED").
2. After a final decision as to the outcome of the complaint and the Hospital has taken final action pursuant to that decision, an Employee who is not satisfied with the results of that investigation, or any actions taken or not taken by the Hospital pursuant to that investigation, may either pursue the grievance procedures set forth in Article 9 of this Agreement or, in the alternative, such other legal or arbitral forum that might be available to the employee, but not both.

ARTICLE 7 – UNION NON-DISCRIMINATION

There shall be no discrimination by the Hospital or the Union against any Employee because of membership in or activity on behalf of the Union. Union Representatives shall not be transferred or reassigned to another area of work as a result of Union activities.

ARTICLE 8 – COMMITTEES FOR QUALITY CARE AND WORKING ENVIRONMENT

A. ADEQUATE STAFFING LEVELS

The Employer reaffirms its practice to maintain adequate staffing levels based on patient census and patient acuity, as required by law. Should an employee believe staffing levels are insufficient to permit the delivery of adequate patient care, he/she shall undertake work assignments but may do so under oral or written protest. In an emergency situation where there is a potential danger to patient, the employee shall immediately notify the supervisor/manager/ designee who will physically visit the unit to assess the situation. Corrective action will be implemented if necessary. The Employer shall not require an

employee in any case to perform a work assignment outside the lawful scope of his/her license.

The parties agree there shall be total compliance with Title 22, Section 70217, "Nursing Service Staff" in California to the extent it is applicable to bargaining unit employees.

B. QUALITY OF CARE COMMITTEE

1. Committee Composition

USC Kenneth Norris Jr. Cancer Hospital and the Union agree that quality patient care and an appropriate working environment require adequate staffing and that staffing levels within all departments vary with census, acuity, shift, the specialization of various areas, changes in the specialization of the units, and structural changes in delivery of patient services. In recognition of the foregoing, the Employer will establish a committee comprised of three (3) bargaining unit employees selected by the Union and comprised of three (3) management employees selected by the Employer. In addition to these committee members one (1) designated Union Field Representative may participate in the meeting. The parties may mutually agree to expand the number of representatives to this committee as the need arises. The Union shall use its best efforts to recruit Committee members from various departments or units. No more than one employee from any grouping shall be a committee member at any given time

2. Purpose

The purpose of this committee is to monitor the quality of patient services and to make recommendations to improve patient service in the context of work design, if applicable or in the current method of system of patient services delivery. The function of the Committee is also to constructively discuss the quality of the working environment and ways and means to improve patient service and safety and health conditions which affect patient service.

It is further agreed that the Committee may make recommendations to the Employer, but management reserves the right at its sole discretion to determine whether to implement any such recommendations.

3. Meetings

The Employer will allow four (4) hours per quarter of paid time for each employee member of the committee to attend meetings. Hours spent attending a committee meeting will not be included for purposes of determining whether an employee has worked overtime.

ARTICLE 9 – GRIEVANCE PROCEDURE

A. DEFINITION

1. Grievance

A grievance is a dispute over the interpretation, meaning or application of a specific provision of this Agreement.

2. Employee grievance

An Employee grievance is a grievance filed by the Union on behalf of any employee.

3. Union grievance

A Union grievance is a grievance filed by the Union on its own behalf.

4. Hospital grievance

A Hospital grievance is a grievance filed by the Hospital.
Hospital grievances shall be commenced at Step 2.

B. PROCEDURE

1. STEP ONE

An Employee must make a reasonable effort to resolve any possible dispute informally in a discussion with the Employee's immediate supervisor, or with the Director of the Department in which the Employee works. If an Employee is unable to resolve the possible grievance, the Union Steward (if requested by the Employee) and the Employee will have a discussion with the Manager/Director of the Department. This requirement must be satisfied before a written grievance is submitted at Step 2. Under no circumstance will the time to file a written grievance under Step 2 be extended to accommodate the Step 1 meeting.

The Employee must complete Step 1 within fifteen (15) days of the alleged occurrence, unless the following occurs.

- a. If the employer fails to respond to the grievance within the time limits specified, the grievance may be appealed to the next step of the grievance procedure.
- b. If the union fails to appeal a grievance within the time limits specified, the grievance will be treated as "withdrawn" by the union.

If the grievance is the result of a suspension or termination, the grievance may begin at Step 2.

2. STEP TWO

If an Employee or Union grievance cannot be resolved informally, it shall be reduced to writing. The written grievance shall be submitted to the Director of Employee and Labor Relations or his/her designee within thirty (30) calendar days after the event on which the grievance is based. Each grievance will be assigned a case number by the Director of Employee and Labor Relations or his/her designee. All subsequent communication regarding the grievance must include this case number. The written grievance form must (1) allege the violation of a specific provision or provisions of this Agreement and (2) set forth all factual grounds upon which the allegation is based, including the date of the alleged violation. Within fifteen (15) business days after receipt of the written grievance, a meeting shall be held with the Director of Employee and Labor Relations or his/her designee to discuss the grievance. In the case of any employee grievance both the grievant and the Union Steward or Field Representative may be present at the meeting. Within ten (10) business days after the meeting, the designated representative of the party charged with the violation shall respond to the grievance in writing.

Hospital grievances shall begin at Step 2. The Hospital must discuss its grievance with the duly authorized Field Representative in an effort to resolve the dispute. This requirement must be satisfied before the Hospital submits the grievance to arbitration in Step 3.

3. STEP THREE

If the response of the party charged with the violation in Step 2 is not satisfactory to the other party, the other party may submit the grievance to arbitration by providing notice in writing of its intent to do so. In order to be timely, the notice to the charged party must be received within twenty-one (21) calendar days after the receipt of the Step 2 response. All notices are deemed received five (5) days after the date of mailing.

Any grievance filed under this collective bargaining agreement shall be null and void if the grievance has not been filed with an arbitrator within ninety (90) days from the date such grievance was denied, however if the Employer fails to respond to the time limits established in this Article then the grievance will be deemed to have merit and it will be awarded in favor of the employee.

C. ARBITRATION

1. An impartial arbitrator shall be selected from the following panels of arbitrators:

Fred Horowitz; Robert D. Steinberg; Michael Prihar; Doug Collins
2. The arbitrator will be selected by going to the first arbitrator on the list. The arbitrator must be notified of his selection by a joint letter signed by both parties.

Once the selection letter has been sent, the arbitrator's name goes to the bottom of the list, even if the arbitration is never commenced and/or completed. The next arbitration will go to the arbitrator next in order on the list. The selection of the arbitrator must be completed no later than thirty (30) calendar days from receipt by the non-grieving party of the appeal to arbitration.

3. A hearing on the grievance shall be held at a time and place designated by the arbitrator, at which the Hospital and the Union shall present their respective positions, evidence and arguments. The sole parties to the arbitration proceeding shall be the Hospital and the Union. The arbitrator's decision shall be rendered in writing and shall be final and binding on the parties and on all affected bargaining unit Employees. It shall be issued not more than thirty (30) calendar days after the close of the hearing or the filing of briefs, whichever is later.
4. The arbitrator's authority is derived from this Agreement and his/her jurisdiction is limited to the interpretation and application thereof. He/She shall not have authority to (a) amend or modify any provision of this Agreement; or (b) render an award on any grievance arising before the effective date, or after the termination date. In the event an unfair labor practice charge is deferred to arbitration, the arbitrator shall have the authority to resolve the unfair labor practice charge under the then applicable standard of the National Labor Relations Board.
5. The fee and expenses of the arbitrator, the court reporter's appearance fee, and the cost of neutral facilities shall be borne equally by the Hospital and the Union.

D. TIME LIMITS

The time limits and other procedural requirements set forth in this Article must be strictly adhered to. No request for extension may be considered unless submitted before the expiration of the applicable time limit. If either party fails to respond to a grievance within the applicable time limits, (including any extensions) the grievance may be appealed immediately to the next step. In the event of a dispute over whether any party has failed to adhere to any timing or formal requirements of this Article, the other party may insist upon bifurcation of the arbitration with one arbitrator determining whether the grievance is arbitrable and a different arbitrator, if necessary, issuing an award on the merits.

ARTICLE 10 – DISCIPLINE

A. JUST CAUSE

The Hospital may only discipline or terminate an employee for just cause. Any discipline or discharge may be subject to the grievance procedure in Article 9.

B. PROGRESSIVE DISCIPLINE

Unless circumstances warrant more severe actions, the Hospital will attempt to utilize a system of progressive discipline. Progressive steps may include verbal counseling, written counseling and/or warnings, disciplinary suspensions without pay, and termination of employment.

C. INVESTIGATORY SUSPENSION

No employee shall be held in unpaid investigatory suspension for more than 7 calendar days.

D. WRITTEN DISCIPLINARY ACTION

A written warning is a document designated as such by the Hospital. An employee who receives a written warning shall be given a copy of the warning and shall sign a receipt to acknowledge having received the document. Acknowledging receipt of the warning shall not constitute an admission of the employee's agreement with the substance of the warning. A Union grievance contesting a written warning shall be subject to the requirements of the grievance procedure in Article 9.

E. DISCIPLINARY NOTICES, REBUTTAL, AND INSPECTION OF PERSONNEL FILES

1. There shall be one official personnel file for all bargaining unit employees and they shall have the right to inspect and to be provided, on request, with one copy of any document in the employee's file.
2. Employees will receive copies of all disciplinary notice(s) placed in their personnel files and shall have the right to rebut in writing any disciplinary notice. Such rebuttals, other than grievances, shall be attached to the disciplinary notice and placed in the personnel file.
3. In any case where the Hospital and the Union agree to revise personnel record disciplinary material, the Hospital shall, upon request, provide evidence of the revision.
4. No disciplinary document shall be utilized for progressive discipline beyond twelve (12) months of its issuance. Specific to excessive occurrences of attendance or punctuality, no disciplinary documents shall be utilized for progressive discipline beyond twelve (12) months of its issuance.

F. ADDITIONAL REPRESENTATION RIGHTS

The following holding of the U.S. Supreme Court in *NLRB v. Weingarten, Inc.*, shall apply to investigatory interviews conducted by the Hospital that an employee, upon his/her request, is entitled to have a Union representative present during an investigatory interview in which the employee is required to participate where the employee reasonably believes that such investigation will result in disciplinary action. The right to the presence of a Union representative (Field Representative or Union Steward) is conditioned upon a

requirement that the Union representative be available for participation in such investigatory interview within twenty-four hours, excluding Saturday, Sunday, and Holidays, of the employee's request for his or her presence.

G. PROBATIONARY EMPLOYEES

An employee will be on probation for the first ninety (90) calendar days and may be discharged or disciplined in the Hospital's discretion without establishing just cause, and such probationary period may be extended for an additional ninety (90) calendar days upon written notice to the employee and the Union.

ARTICLE 11 – HOURS OF WORK, OVERTIME AND SCHEDULING

A. STATE AND FEDERAL WAGE AND HOUR LAWS

The Hospital will comply with all applicable local, State, and Federal wage and hour requirements.

B. WORKDAY AND WORKWEEK

1. A workday is defined as the consecutive twenty-four (24) hour period beginning at 12:00 midnight each day.
2. A workweek is defined as the seven (7) calendar day period that starts at 12:00 midnight on Sunday and ends at 11:59 p.m. the following Saturday.
3. It is understood and agreed that the workday and workweek are defined above for the purposes of complying with the overtime requirements under state and federal wage and hour laws and that the workday and workweek may be changed by the Hospital to comply with such laws so long as such changes are not designed to evade the overtime requirements.
4. Nothing herein shall be deemed or construed to change the Hospital's current practice as to the aggregation of consecutive hours into a single workday in which a shift commences for purposes of calculating for overtime compensation.
5. Each employee will receive two (2) consecutive days off each week. provided that the days off may be split or rotated at his/her written request, or for eight (8) hour shift employees, in order to achieve every other weekend off scheduling.

Except in a department(s)/unit(s) where an employee(s) is regularly scheduled to be on standby/on-call status, no employee will be scheduled to work in excess of five (5) consecutive days without his/her consent.

Twelve (12) hour shift employees will not normally work more than the schedule they were hired into with up to three (3) shifts of twelve (12) or more hours per week (or a three (3) and four (4) shift schedule per pay period), except by mutual agreement.

No twelve (12) hour shift shall be required to work two (2) shifts within a period of twenty-four (24) hours except in cases of emergency.

C. PAYROLL PERIOD

The payroll period will consist of a fourteen (14) day period that begins on Sunday at 12:00 midnight and ends on Saturday of the following week at 11:59 p.m.

D. OVERTIME

1. Mandatory Overtime

The Hospital and the Union recognize that mandatory overtime is not desirable and represents a burden on the employee. Acceptance of overtime and shifts beyond the employee's schedule shall be voluntary and in accordance with state law or regulations, except where patient care would be endangered by an internal or external emergency declared by state, local or federal government or declared by the administrator on duty. An external or internal emergency, for the purposes of this Section, is defined as an unexpected situation of sudden occurrence of a serious and urgent nature that demands immediate attention, such as an unpredictable or unavoidable occurrence at unscheduled or unpredictable intervals relating to healthcare delivery requiring immediate interventions and care such as natural disasters, situations of mass casualties or an internal emergency endangering patient care such as fire, structural collapse, bomb threats, hazardous material spills or any other unanticipated event.

2. An employee must obtain supervisory approval prior to working any hours that would require the payment of overtime unless to do so would jeopardize patient care. An employee unable to obtain prior authorization must document the reason in Kronos on the day the overtime was incurred and must verbally notify his/her supervisor of the situation prior to leaving at the end of the shift.

E. SHIFTS

1. "8 and 40" Work Schedule

An employee who is assigned to an "(8) and 40" work schedule will be paid at the rate of one and one-half (1½) times his/her regular rate of pay for all hours worked after the first eight (8) hours in a workday or over forty (40) hours in a workweek and two (2) times his/her regular rate of pay for all hours worked after the first twelve (12) hours in a workday.

2. "8 and 80" Work Schedule

An employee who is assigned to an "8 and 80" work schedule will be paid one and one-half (1½) times his/her regular rate of pay for all hours worked after the first eight (8) hours in a workday or over eighty (80) hours in a fourteen (14) day pay period and two (2) times his/her regular rate of pay for all hours worked after the first twelve (12) hours in a workday.

5. Regular Rate

For the purpose of computing overtime pay, the regular rate of pay shall be calculated in accordance with the Fair Labor Standards Act, as amended.

6. Split Shift

The hospital will not split shifts once an employee has reported to work.

F. WORK SCHEDULES AND POSTING

1. The Employer will post work schedules at least fourteen (14) days in advance of their commencement dates and may be posted on a web based scheduling software program. Once posted, every employee is required to review the schedule and ensure they are aware of the dates and times they are expected to work. Such schedules will cover a minimum period of four (4) weeks.
2. As an exception to Subsection 1 above, a department/unit that permits self-scheduling in accordance with Subsection 3 below will attempt to post work schedules at least fourteen (14) days in advance of their commencement dates and such schedules will cover a minimum period of four (4) weeks. Such employees shall make every effort to submit scheduling requests to their department head at least twenty-one (21) days in advance of scheduled commencement date.
3. Wherever applicable, the Employer shall continue its existing practice(s) of permitting employees to self-schedule on a department/unit-by-department/unit basis. The respective department Director or his/her designee will consider and make a reasonable effort to grant employees' self-scheduling requests, provided such requests are submitted in a timely way and that they are consistent with departmental/unit needs and the operating requirements of the Employer.
4. Changes to the posted schedule will be made only by agreement between the employee and the Hospital consistent with department and patient care needs. Requests by employees for changes to a posted schedule must be made and

approved in writing or online via the scheduling program, if applicable by the department Director or his/her designee.

5. A regularly scheduled employee may trade a shift or workday (including Holiday shifts) with another regularly scheduled employee provided they have substantially equal competencies. Such trades are subject to the written or electronic approval of the department Director or his/her designee and, except in emergency situations, should be submitted at least forty-eight (48) hours in advance. A shift trade will not be approved if it would increase overtime or extra shift premium costs for the Employer.
6. Should the Employer determine that it is necessary to change/revise a schedule(s) for more than sixty (60) minutes, and if the changes affect more than three (3) current employee(s) in positions covered by the CBA, the Employer agrees to notify the union in writing no less than thirty (30) days prior to the implementation date. If the Union requests, the Employer will meet with the union steward and union representative to make a reasonable attempt to review/revise the schedule so as to have the least impact on the fewest number of full-time and part-time staff possible. Once the new schedule is established, bidding will be accomplished by seniority within each classification. None of the foregoing shall affect the Employer's ability to make any changes or exercise any rights provided for in Article 21, Management Rights.

G. WEEKEND SCHEDULING

1. An employee whose regular schedule does not provide for working every weekend but who is working in a department/unit with weekend scheduling may be scheduled to work every other weekend, up to a maximum of two (2) weekends per four (4) week schedule. Employees will be scheduled at least every other weekend off, unless otherwise requested by employee.
2. A weekend means Saturday and Sunday, except for the night shift, when a weekend means Friday, Saturday and Sunday.
3. Nothing herein shall preclude an employee from volunteering to be scheduled for additional weekend shifts.
4. An employee may request to share his/her weekend shift requirement with another employee with substantially equal competencies. Approval of such requests will be at the discretion of the Employer and will not be unreasonably withheld, except that an employee's request will not be approved if it would increase overtime or extra shift premium costs for the Employer.
5. Notwithstanding the above, Per Diem Employees will be scheduled to work weekends in accordance with their per diem agreements and employees hired specifically to work weekends will continue to be scheduled to work weekends.

6. Employees shall not be required to "make up" missed weekend days; however, this shall not be interpreted as diminishing an employee's overall attendance obligation.

H. ADDITIONAL HOURS

Departments/units will maintain a shift or departmental availability list and will attempt to cover any additional hours from such list, subject to competency, in accordance with the steps below. Regular Full-time and Part-time Employees will be placed on the availability list to be selected in seniority order. Using their dates of hire, Per Diem Employees will be placed on the availability list after all Regular Full-Time and Part-Time Employees. This Section applies only to the system for allocation of additional hours, not pay practices associated with the allocation of those additional hours.

1. Straight Time

Additional hours shall first be offered on a rotational basis beginning with the most senior employee from the volunteer availability list who has the necessary competency and whose acceptance of such additional hours will not result in overtime. The department/classification specific volunteer availability list will be posted and maintained by employees in the department/unit or the staffing office, whichever is appropriate. Employees will be responsible to maintain the accuracy of their availability and desire to be considered for additional hours. Straight time hours will be distributed starting with the senior-most volunteer, including per diems, and continue down the availability list, so that no employee works more than one additional shift without all employees on the list offered the opportunity to work an additional shift.

2. Overtime

If the Employer is unable to cover the additional hours without incurring overtime, then such additional overtime hours will be offered on a rotational basis beginning with the most senior employee from the availability list who has the necessary competency. If the senior-most competent volunteer is not available, The Employer will proceed down the availability list, so that no employee works more than one additional overtime shift without all employees on the list offered the opportunity to work an additional overtime shift.

In the event there are no volunteers on the availability list, the Employer will be free to offer the additional hours to any other qualified employee volunteer who is at work, in seniority order. In the event there are no volunteers on the availability list or at work, the Employer will be free to offer additional hours to any other qualified employee.

3. Confirmation/Scheduling

- a. At least two (2) hours prior to the start of the shift, an employee who has indicated his/her availability will be notified by the hospital that he/she is needed for the additional hours or overtime that he/she has signed up for.

- b. At least two (2) hours prior to the start of the shift, an employee has made himself/herself available for additional hours or overtime, that employee may remove his/her name from the availability list without penalty, unless that employee has already been confirmed.
- c. Once the hours/shift/overtime has been confirmed, this is considered a scheduled shift and will default to any and all provisions surrounding scheduling, time and attendance, including Call off/Flexing.
- d. It is understood that the hospital will first attempt to fill its staffing needs through the straight time hours process outlined above prior to making use of overtime.

I. CALL-IN PROCEDURE

An employee reporting absent for a shift, or portion thereof, will call in the absence and will describe the reason for such absence to his/her department Director or his/her designee as soon as he/she knows the absence will occur. An employee calling in less than two (2) hours prior to the commencement of an absence may be required on request to provide reasonable substantiation to explain why such absence could not have been called in earlier by the employee or another person acting on his/her behalf. Compliance with this call in requirement is necessary for staffing reliability and will not operate to excuse unscheduled or unauthorized absences.

J. CALL OFF/FLEXING

- 1. It may be necessary to require an employee to take time off without pay during temporary periods of low census or on other occasions when staffing needs to be adjusted on a temporary basis (Call Off/Flexing). Call Off/Flexing must be approved by a supervisor or department manager or designee. Eligible employees who are cancelled may take the day off without pay or use Paid Time Off (where applicable), at the employee's discretion.

2. Call Off/Flexing as Time Worked

If an employee is cancelled or volunteers to take time off, the hours that an employee was scheduled to work shall count as time worked for the following, including but not limited to:

- a. Vesting and service credit under the retirement (401-k) plan;
- b. Waiting periods under health insurance and other fringe benefit plans;
- c. PTO accruals.

3. Order of Call Off/Flexing

Subject to patient care staffing needs, including adequate qualifications of employees, when it is necessary and unavoidable to call off an employee, the Employer shall Call Off/Flex employees in the following order:

- a. Registry
 - b. Employees receiving overtime or In House Registry
 - c. Volunteers
 - d. Temporary Employees
 - e. Per Diem Employees
 - f. Part-Time Employees
 - g. Full-Time Employees
4. Within each category above, Call Off/Flexing shall be by rotation beginning in reverse order of seniority provided the remaining employee(s) are able to perform the work. Unit or department Call Off/Flexing rotation list shall be maintained, posted and made available to Union stewards and staff representatives, upon request.

Each instance of Call/Off/Flexing is considered an incident, regardless of the number of hours not worked as a result of Call Off/Flexing.

5. The Hospital will accept volunteers for Call Off/Flexing before any other employees provided that such voluntary Call Off/Flexing do not result in retaining an employee at premium pay who would have been Call Off/Flexed if the Employer had followed the list above, unless the Employer permits.
6. Call Off/Flexing Notice
For employees called off before the shift commences, the Hospital will attempt to Call Off/Flex Employees at least two (2) hours prior to the commencement of their scheduled shift. Nothing herein shall be construed as preventing a call off/flex during the shift, when necessary.
7. Call Off/Flexed Employees Off the Schedule
Once called-off, an employee is considered off the schedule and shall not be required to maintain contact or be available to work, unless the employee has agreed to accept Standby status and is compensated accordingly, for the shift or portion thereof.

K. NO GUARANTEE

Nothing in this Agreement shall be construed to constitute a guarantee of hours of work per day or per week or of days of work per week.

L. NO PYRAMIDING

There will be no pyramiding of overtime and premium payments for the same hours worked. To the extent that hours are compensable as overtime under provisions of this Agreement and where two (2) or more overtime provisions apply, the greater will prevail.

ARTICLE 12 – FLOATING

A. DEFINITION

1. Floating is defined as the temporary reassignment of a staff member to a department other than the department into which he or she was hired.

4. Temporary
5. Per Diem
6. Part-Time

C. FLOATING ROTATION

The order of float for employees within a department will be on a rotational basis within each of the categories of employees described above. Nothing shall preclude any employee from volunteering to float outside of his/her rotational order. Floating decisions shall be based on the needs of the patients on the sending and receiving departments and the floating conditions and provisions in this Article.

D. FLOATING CONDITIONS

Floating shall be subject to the following conditions and limitations:

1. Orientation

Fully qualified employees may be floated to a different department provided the employee has received orientation in that department and has demonstrated current competency in providing care to patients in that department. In the event an employee with limited qualifications is floated to another department to assist other qualified employees, they will be oriented and limited to performing only those tasks they are qualified and competent to perform.

2. Compliance with Law

Floating of employees shall be in compliance with all federal and state laws and regulations, including Title XXII of the California Administrative Code.

3. Voluntary Floating

Nothing herein shall prohibit an employee from volunteering to float to other departments, provided that the conditions in this Article are satisfied.

4. Floating Records

The Hospital will maintain competency validation, float orientation, and other such relevant float documentation. Float rotation lists will be maintained and will be available for inspection by affected employees in the unit and job classification. Information in this Subsection will be made available and provided to the Union upon request.

5. Shifts at Other Hospitals

Employees will be permitted to bid on and work shifts at the Keck Hospital of USC, located at 1500 San Pablo Street, Los Angeles, CA 90033, on a voluntary basis, as long as such work does not conflict with their schedule at the Hospital.

ARTICLE 13 – COMPENSATION

A. IMPLEMENTATION OF WAGE RATES

1. Effective the first pay period following May 1, 2017, the Hospital will adopt the salary schedule set forth in Appendix B. New hires will be placed at the appropriate wage for their job titles and years of experience using the Appendix B wage step in effect on the date of hire.

A promotion must always result in an increase of pay of at least five percent (5%) or to the classification rate of pay set forth in Appendix B, whichever is greater. Incumbent employees, similarly situated within the job classification, will not be brought up automatically to the promoted employee's wage rate based on the five percent (5%) promotion increase.

However, the employee shall suffer no reduction in their wage rate.

3. No wage or benefit increases will be provided following the expiration of this Agreement, except as may be established as a result of future bargaining. The purpose of this language is to preclude any claim that this Agreement establishes a pattern of increases in wages, health fund contributions, or service charges that continues automatically after the contract expires.

C. JOB CLASSIFICATIONS AND RECLASSIFICATION

The right to determine job content and to make necessary changes to jobs and job descriptions remains with the Hospital. The Hospital shall timely notify the Union of all meaningful changes to job content and responsibilities. In the event an employee believes his or her job is inaccurately described or that it has changed and, as a result of that change, should be upgraded, the employee may appeal such rating and seek an upgrade by bringing such claim to the attention of his/her supervisor. If a satisfactory resolution is not forthcoming at that level, the matter may be appealed by the union through the grievance procedure and, if necessary, to arbitration. In the event it is determined that a wage increase is in order, the adjustment shall be retroactive to the implementation date of the subject job changes.

D. PAYMENT IN LIEU OF HEALTH BENEFITS

A Regular Full-Time or Part-Time Employee may have the option to waive all health benefits provided herein and will be paid thirty-five dollars (\$35) per pay period in lieu of being covered by such health benefits. 4. The Hospital will comply with its obligations under state law regarding paycheck stubs.

4. Return to Work

When an Employee returns to duty in compliance with the authorized leave of absence, such Employee shall be reinstated in the same classification, position, shift, unit and scheduled hours in which such Employee was employed before his/her absence. If conditions in the Hospital have so changed that it would not be feasible to reinstate him/her in such manner, then the Employer will reinstate the Employee to as nearly comparable position and shift as is reasonable under the circumstances. If an Employee wishes to return from leave early he/she must give the Hospital at least four (4) weeks' notice prior to reinstatement.

C. GENERAL LEAVE OF ABSENCE

An Employee may request a General Leave of Absence. An Employee requiring a leave for those reasons should apply for Family Leave or Medical leave. A General Leave of Absence may be granted for up to thirty (30) days; however, such leave may not be used to extend a vacation, or other paid time off. Notwithstanding the foregoing, the Hospital will provide additional return to work protection should it be required by law. Any return to work is contingent upon the Employee's ability to perform the essential functions of the position with or without reasonable accommodation.

ARTICLE 22 – SUBCONTRACTING

- A.** The Hospital may subcontract all or part of any operation performed by employees. Where such subcontracting would displace an employee, the Hospital shall provide the Union with thirty (30) days prior notice of its decision to subcontract so that the Union can discuss the effects of such subcontracting. In the event that the subcontracting of any operation would result in the displacement of twenty (20) or more employees, the Hospital will require any subcontracting entity to offer employment to the affected employees and to maintain their current rate of pay for a period of not less than ninety (90) days.
- B.** The parties desire to maximize stability in their labor relations. ARTICLE 23 – UNION SECURITY

A. UNION MEMBERSHIP AS A CONDITION OF EMPLOYMENT

During the life of this Agreement, employees of the Hospital who are subject to this Agreement shall be required as a condition of employment to maintain membership in the Union in good standing, subject to federal law. Compliance is required by the 31st day after employment. Concurrent with new employee orientation, the Union will be afforded an opportunity to distribute and collect union membership application/Payroll Deduction Forms.

C. DEDUCTION AND REMITTANCE OF UNION INITIATION FEES AND DUES

Upon receipt of an individual, voluntary, written, and un-revoked check-off authorization form which has been signed by an employee in the bargaining unit covered by this Agreement, the Hospital shall deduct from the pay of such employee during the first pay period of each calendar month a sum equal to the employee's union initiation fees or monthly membership dues, uniformly required, and only so long as such employee was employed by the Hospital at the time such obligation became due.

The Hospital shall promptly remit to the Union the sums which are deducted under this Section, together with a list on hard copy and a disk or electronically (on Excel, ASCII delimited text, or another compatible format) showing the following information for Union members: their names, Social Security number on an as needed basis, home address and phone number (as provided by the employee), classification, regular wage rate, regular hours worked during the period, regular earnings during the period, department, status (e.g. Regular Full-Time, Regular Part-Time, Per Diem, or Temporary), and date of hire.

The Union agrees that no informational picketing shall take place during the term of the Agreement unless the Union has provided ten (10) days' notice prior to such picketing.

B. WAIVER BY UNION

The prohibitions of this Article are intended to apply regardless of the motivation for the strike or other conduct. By way of illustration only, this Article expressly prohibits (1) sympathy strikes (individual or concerted failure to cross a picket line established by another labor organization or by members of another bargaining unit); (2) strikes over disputes that are not subject to arbitration; and (3) strikes in protest of alleged violations of state or federal law. Any statutory right under the NLRA which an employee may otherwise have to engage in such conduct is hereby expressly waived by the Union.

E. UNION OFFICIALS

The Union's Labor Representatives and Stewards shall attempt to end any violation of this Article by personally complying with the Article, and by urging others to do so.

Should they fail to do so, they may be selectively disciplined, including discharge; provided they shall have recourse to the grievance and arbitration procedure as to the question of whether they complied with this Section.

F. NO LOCKOUTS

The Hospital agrees that there shall be no lockout during the term of this Agreement. As used herein, the term "lockout" shall not include the closing down or curtailment of operations or layoffs due to economic conditions, business or operational reasons, natural disaster, or reasons beyond the Hospital's control.

3. **Discovery** – Did Management make an effort to discover whether the worker violated or disobeyed a rule or order before disciplining her or him?
4. **Fair Investigation** – Was Management's investigation conducted fairly and objectively?
5. **Evidence of Guilt** – At the investigation, did Management have substantial evidence that the worker was guilty as charged?
6. **Evenhanded Application** – Has Management applied its rules, orders, and penalties evenhandedly and without discrimination to all workers?
