

TOP STATE OFFICIAL IS ON OUR SIDE!

Assembly Speaker Anthony Rendon — one of the top two most powerful officials in the California Legislature — sent a letter to the Tenet Healthcare CEO to express his disappointment with Tenet and Sodexo's treatment of their workers. Tenet is the corporation that manages our hospital.

Corporations such as Tenet have a responsibility to ensure that their employees, and the employees of its subcontractors such as Sodexo, receive wages and benefits sufficient to support themselves and their families without being forced to seek assistance from other public support programs that are already heavily utilized. I will be closely monitoring these developments and will be prepared to request additional financial information regarding your operations and labor practices as necessary.

Sincerely,

ANTHONY RENDON
Speaker of the Assembly

Our community and our elected leaders support us in our fight for fair wages and increased staffing.

IT'S TIME FOR SODEXO AND TENET TO DO THE RIGHT THING.

POLITICO IMPORTANTE DEL ESTADO, ESTA DE NUESTRO LADO

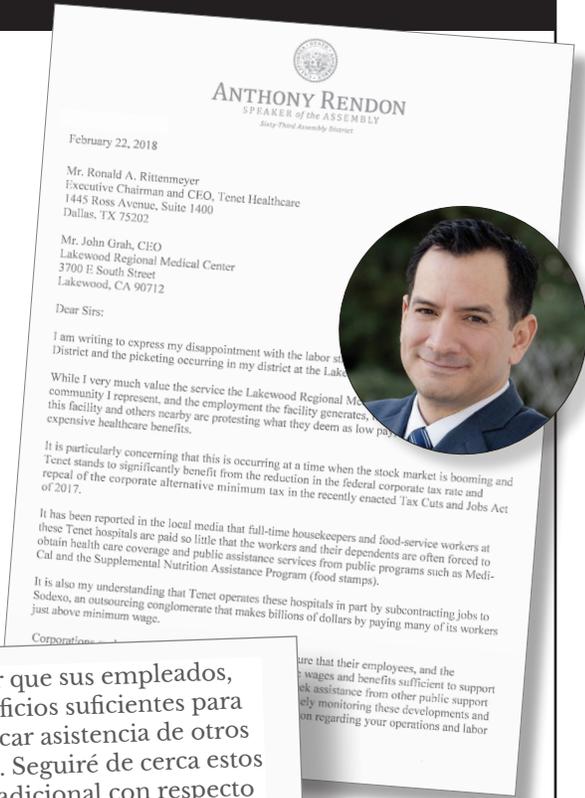

El Presidente de la Asamblea de California Anthony Rendon — uno de los políticos más poderosos en el estado — envió una carta al CEO de Tenet Healthcare para expresar su desconformidad con Tenet y el trato de los trabajadores de Sodexo. Tenet es la corporación que maneja nuestro hospital.

Las empresas como Tenet tienen la responsabilidad de garantizar que sus empleados, y los de sus subcontratistas como Sodexo, reciban salarios y beneficios suficientes para mantenerse a sí mismos y a sus familias sin verse obligados a buscar asistencia de otros programas de apoyo público que ya son utilizados extensamente. Seguiré de cerca estos asuntos y estaré preparado para solicitar información financiera adicional con respecto a sus operaciones y prácticas laborales según sea necesario.

Sincerely,

ANTHONY RENDON
Speaker of the Assembly

Nuestra comunidad y nuestros líderes electos nos apoyan en nuestra lucha por salarios justos y un aumento del personal.

ES HORA EL MOMENTO DE QUE SODEXO Y TENET HAGAN LO CORRECTO.
