

RAISES ARE COMING!

Our contract gives everyone a 3 percent raise
that will go in to effect April 15.

That means we'll see it on our May 4 paychecks.

Before we had a union, many of us had gone years
without any kind of raise.

We fought for two years to win our contract with guaranteed raises:
10 percent over three years for everyone,
plus regular raises based on years of experience.

Later this year we will begin the bargaining process for our next contract.

LET'S KEEP MOVING FORWARD!
