

KAISER PSYCH-SOCIAL BARGAINING UPDATE

JULY 17, 2018

Our second bargaining session was slower than our first, but our bargaining committee remains optimistic there is a lot of progress yet to come.

We are still discussing non-economic issues. We reached additional agreement on one contract article (status quo on performance evaluations) and had some good clarification discussions about other items. But otherwise Kaiser management did not come prepared with counterproposals to our 20-plus proposals from the first session.

Our time was largely spent on a major new employer proposal regarding professional time, which we had numerous questions about and is still being discussed.

Our bargaining team asks all NUHW members to wear red on bargaining days as a show of solidarity. Please send photos of your team's support to your steward or organizer!
