

MEETING WEDNESDAY, SEPT. 5 REGARDING EVS REBID

PROPOSED EVS REBID COULD LEAVE 20 WORKERS WITHOUT BENEFITS AND MAKE IT EVEN HARDER TO KEEP THE HOSPITAL CLEAN

We pride ourselves in keeping our hospital clean. But the hospital is about to make our jobs even harder.

We already have more work than we can handle. Yet the hospital wants to move ahead with a rebid in Environmental Services.

A rebid would result in even less staff, more work and about 20 of us losing our benefits.

Everyone is asked to attend one of two meetings at our Emeryville union office to review the Rebid proposal and provide feedback on the new task sheets.
