

USC: KECK AND NORRIS HOSPITALS BARGAINING UPDATE

August 22, 2018

MANAGEMENT IS STALLING ON A RESPONSE TO OUR ECONOMIC PROPOSAL

Management is moving extremely slowly.

They've had our economic proposal for over a month and have not given any indication they are close to presenting a counter-offer. Management also has not responded to our proposal to bring in-house our NUHW members whose work is subcontracted to Sodexo.

This is unacceptable!

We discussed floating and holidays, but did not reach agreement on anything. Management wants to be able to indiscriminately float people throughout the Health Science Campus.

Our Bargaining Team made clear that is a non-starter.

If we don't get movement at the bargaining table we are going to have to take action.

Remember, an informational picket is already authorized.

UPCOMING BARGAINING SESSIONS

Wednesday, August 29, 10 a.m. to 6 p.m. at Soto II Building

Everybody is encouraged to attend.
