

# JOIN THE NUHW CONTRACT BARGAINING TEAM

Are you concerned about short-staffing, poor working conditions and low wages? This is your opportunity to be part of the team that will be on the front lines of negotiating a contract to make this a better workplace.

Our contract expires on December 31, 2018. The time has come to form a Bargaining Team to represent us at upcoming contract negotiations. Every job classification will have at least one bargaining team member so everyone's voice is heard.

If you want to join, here's what you have to do:

1. Request and fill out a nomination form
2. Get a majority of co-workers on your shift to sign the form
3. Submit the form

You can also encourage your co-workers to join. Being involved in the bargaining process builds our strength and helps us win a strong contract that can improve wages, staffing and patient care.

**THE BIGGER THE BARGAINING COMMITTEE,  
THE STRONGER WE'LL BE AT THE NEGOTIATING TABLE.**
