

KAISER PERMANENTE HEALTHCARE PROS BARGAINING UPDATE

SEPTEMBER 4, 2018

SESSION
6

In our August 30 bargaining session, we finished making all of our economic proposals including wage increases, longevity steps, and a special one-time adjustment. We've proposed a 13.8 percent increase for the first year in order to make us whole for the five-year wage freeze that happened from 2010 to 2015.

We don't expect Kaiser to have a response to our economic proposals for our next meeting, since they came to bargaining with no new proposals or responses.

We have 3 more bargaining sessions. There's a lot of work to be done with 18 proposals still on the table. We need your support: wear red, come to a bargaining session, sign up for COPE, and be prepared to take further action if Kaiser continues to stall.

Please show support for our bargaining team by wearing red on bargaining days!
