

# KAISER PERMANENTE HEALTHCARE PROS BARGAINING UPDATE

SEPTEMBER 25, 2018

SESSION  
8

On Monday, September 24, management came with two minor proposals that could have been given to us many sessions ago. After only 30 minutes of meeting, management said that they had nothing more for us and were ready to leave for the day.

We told them that we are beyond disappointed at this point, we are insulted! We made it clear that unless Kaiser commits to us that they will come to bargaining prepared with responses to the rest of our proposals, we will not waste our time meeting with them on Friday, September 28.

As a reminder, we need **EVERYONE** to wear their buttons or stickers to show Kaiser that we will not accept them ignoring us any longer!

If you need buttons or stickers please contact your NUHW staff organizer (contact information listed below).

Please show support for our bargaining team by wearing red on bargaining days!
