

QUEEN OF THE VALLEY BARGAINING UPDATE

APRIL 5, 2019

Several members attended negotiations with PSJ/Queen management on March 26 and 27. Your bargaining committee presented a comprehensive economic package that included:

- Wage scales that will increase your rate of pay
- Differentials
- Paid time off (PTO)
- Retirement
- Hours of work
- Overtime
- Educational opportunities

We expect PSJ/Queen management to respond to our economic package during our next round of negotiations.

NUHW members at Santa Rosa, Petaluma, Eureka, Fortuna and Tarzana wore stickers on March 28 to support us during negotiations with Queen management. We are all participating in the statewide campaign that builds our solidarity as we support one another across the PSJ system. Please plan to attend the upcoming bargaining sessions to help remind management we are all in this together.

NEXT BARGAINING SESSIONS

**Monday-Tuesday,
April 22 and 23
10:00 A.M.**
