

# SANTA ROSA MEMORIAL HOSPITAL

## NUHW MEMBERSHIP RATIFIES BARGAINING PLATFORM WITH 99.6% SUPPORT!!

The bargaining platform below was developed based on the surveys filled out by NUHW members at facilities covered by the Santa Rosa Memorial Hospital contract, and was ratified by a vote of our membership! These bargaining goals will be developed into formal proposals by the bargaining team and presented to SRMH Administration as our priorities for the upcoming negotiations:

Maintain all rights and protections from our previous contract  
Fair and reasonable pay increases for all employees  
Improved PTO accrual rates

Safer, more manageable staffing levels to ensure quality patient care  
Fair and transparent scheduling practices

More affordable health benefits for employees and families  
Increased contributions to retirement plan
