

# SANTA ROSA MEMORIAL HOSPITAL BARGAINING UPDATE

Since we recently ratified our Bargaining Platform with 99.6% support and elected an incredibly diverse team of 64 members from more than 20 units and facilities to represent us at the table, we've been working hard to be prepared and hit the ground running! Now it's time for bargaining to begin...

**Continue to make your voices heard by taking action and standing in solidarity with our bargaining team!**

All NUHW members and allies are welcome to attend bargaining - be sure to join us whenever you can! The bargaining platform we've all chosen is important and it's critical that we stand united to show management that we're willing to fight for these improvements in our workplace!
