

SANTA ROSA MEMORIAL HOSPITAL BARGAINING UPDATE

JULY 15, 2019

Your bargaining committee met with management on Tuesday and Wednesday last week. We were able to reach additional tentative agreements on **Article 7, Union Shop Stewards**, and **Article 10, New Member Orientation**.

We also had a productive discussion on **Categories of Employees, Seniority, Filling of Vacancies** and **Scheduling**.

We had a long discussion on **Article 26, Union Bulletin Boards**. The employer would like to restrict what we can post and require us to provide a copy to Human Resources before we can post any documents. We pushed back and are waiting on management to respond.

Our next negotiations will take place on Tuesday, July 16.

It is very important that we all take part in our contract negotiations — this is our future.
