

SETON MEDICAL CENTER/SETON COASTSIDE BARGAINING UPDATE

SEPTEMBER 16, 2019

TENTATIVE AGREEMENT REACHED WITH PROSPECTIVE SETON PURCHASER

On Sunday, September 15, we reached a tentative agreement on a proposed contract with a prospective Seton purchaser, Strategic Global Management/KPC. The bargaining committee voted unanimously to recommend that the membership ratify the agreement.

The proposed contract accepts 90% of our current contract, honors current seniority, accepts workers' accrued hours for PTO and ESL, and lasts one year from the purchase transaction date when SGM/KPC takes over operation of Seton Medical Center and Seton Coastsides.

Under the proposed contract, workers will receive wage increases at the appropriate step for their years of service.

The prospective buyer has also agreed to hire substantially all current employees and is proposing changes to health and retirement benefits. We will present the hiring plan and proposed health and

retirement plans for members' review and ratification at general membership meetings later this month.
