

REPORT BACK FROM OUR FIRST EVS NEGOTIATION

Our elected NUHW EVS bargaining team met with Human Resources and PTMC management on September 27. We discussed wages, staffing, and supplies. There was a brief discussion about changing the shift start times for shift 1 and shift 2.

However, management did not have the information ready that we requested in July — this information is necessary to make a proposal for wages and changing the start time. Management agreed to have the info we requested by October 2, 2019. We look forward to our next bargaining session on October 15.

Bargaining team member Diana Cenicerros said, “We are fighting for better wages, safe staffing and consistent supplies for our department. We will fight for it, we will not give up and we will reach our goal.”
