

Providence St. Joseph has demonstrated time and time again that they don't respect us or value the work that we do, but we're proving that WE'RE UNITED and WE WON'T BACK DOWN!

We stood strong with our fellow union members as they were on strike at PVH, Queen, Eureka and Redwood last week! Here at SRMH, we rallied support from across the community that we proudly serve!

Santa Rosa Vice Mayor Victoria Fleming, Councilmember Jack Tibbetts, former Mayor Chris Coursey, members from SNA, Teamsters, the North Bay Labor Council and North Bay Jobs with Justice all joined our picket line and stood with us as we continue our fight for safe staffing, good benefits and a fair contract!
