

WE RATIFIED OUR NEW CONTRACT!

SEPTEMBER 29, 2020

The results are in, and members vote to ratify a 10-month contract that provides us with 3 percent raises in July 2021!

Our Bargaining Committee had proposed a short-term contract that will ensure raises and prevent takeaways. Now we can devote more attention to pushing for better COVID-19 testing and stronger safety measures to protect us from infection.

Additionally, our new contract better aligns with the contracts of our colleagues in Business-Office-Clerical and Service and Tech units. With our new contract set to expire just a few months after those of the other units, we have more leverage to work together to secure better pay, benefits and working conditions when bargaining resumes next year.

Let's continue to organize, and build our strength for when we bargain our next contract in 10 months!

For more information, please contact NUHW Organizer Jake Doolittle at (626) 391-8224 or jdoolittle@nuhw.org.

Please note: Photos were taken before the COVID-19 pandemic.
