

CHILDREN'S HOSPITAL OAKLAND - S&T AND BOC BARGAINING UNITS

BARGAINING UPDATE

APRIL 27, 2022

**NEXT
BARGAINING
SESSION**

**TUESDAY,
MAY 3
3:30PM**

This past week at the bargaining table we tentatively agreed on three items:

1. Language which would allow for short hour employees to take time off work
2. A 31-day contract extension through May 31
3. Tenure step progression for short-hour and per diem employees will be based on rolling years rather than consecutive, making it easier for them to hit the required 1,000 hours

We also proposed language that would give other NUHW employees hiring preference in a different NUHW bargaining unit.

The Hospital made a proposal requiring that an employee who is awarded a position, and is on leave, must be available to return to work within 45 days from the date the position was awarded.

And we rejected the Hospitals proposal to take away LVN license pay for CCSTs, PCAs, and others who have LVN licensure.

**Any NUHW member at CHO is welcome
and encouraged to join these bargaining sessions.**
