UPCOMING CHANGE TO TIMEKEEPING POLICY YOUR INPUT MATTERS!

Sutter is introducing a new timekeeping policy that will pay employees to the minute, replacing the current 7-minute rounding policy. Employees have expressed concerns that this change could lead to disciplinary action.

We have met with Sutter and made several proposals, but they continue to refuse to acknowledge the existence of a “grace period.”

We need to discuss how this will affect us and ensure our voices are heard. Join us for a meeting to express concerns and plan our response.
