

# IT'S TIME TO WIN A BETTER CONTRACT!

**We need everyone's input to know exactly what to fight for in our next contract.  
And we need everybody's participation to win it all at the bargaining table.**

We saved our union, and we're making it stronger every day. Now it's time to win the strongest possible contract. Here's how we do it:

1. **COMPLETE YOUR BARGAINING SURVEYS**, so your bargaining team knows what to fight for in contract negotiations.
2. **JOIN THE BARGAINING TEAM**. The more people we have on the team, the stronger we are during negotiations.
3. **STAY ENGAGED WITH NUHW** and be ready to take action.

Stewards are now distributing bargaining surveys throughout the hospitals. Be sure to fill one out and return it to your steward. You can also fill out the survey online at [NUHW.org/CMPC-survey](https://NUHW.org/CMPC-survey). A link to the online survey will be emailed out next week, too.

*"We have a great opportunity this year to win a contract with fair pay and safe staffing levels. But we need to stand united and work together to get the contract we deserve."*
