26.7 STEWARD TRAINING

26.8 RELEASE TIME FOR STEWARD DUTIES

Union stewards shall be released from duties with no loss of pay for no more than two (2) hours each month in order to speak with or meet with a Union representative for purposes of training and contract administration. Scheduling of such time must be approved by management in advance and shall not be unreasonably denied.

ARTICLE 27 – BULLETIN BOARDS

Each Facility shall provide one (1) glass-enclosed locked bulletin board in a mutually agreed location for the purpose of posting Union related materials. No materials which are derogatory of the Employer or the Employer's client shall be posted.

28.1 JUST CAUSE

The Employer agrees that discipline shall be for just cause only. Any discipline or discharge may be subject to the grievance procedure in Article 30.

28.2 TIMING OF DISCIPLINARY ACTION

The Employer will take any discipline action promptly after learning of the circumstances on which the discipline is based. In general, the Employer will endeavor to take any such disciplinary action within seven (7) business days after learning of the circumstances on which the discipline is based, unless there exists a justifiable business reason for a reasonable extension of this period. The Employer will give its reasons for such discipline and/or discharge to the employee and the Union's representative or designee within seven (7) calendar days of such disciplinary action.

28.3 METHOD OF ADMINISTERING PROGRESSIVE DISCIPLINE

The parties recognize the principles and need for a method by which progressive discipline shall be provided. The Employer will administer progressive discipline as follows:

- a. First written warning.
- b. Second written warning.

- c. A final warning and unpaid disciplinary suspension no more than three (3) scheduled workdays.
- d. Suspension pending investigation and decision to discharge.

28.4 EMPLOYEE CONDUCT FOR WHICH PROGRESSIVE DISCIPLINE WILL NOT BE APPLIED

The progressive disciplinary steps described in the third paragraph of this Article will not be applied, and employees will be subject to suspension or summary discharge in cases of serious misconduct, such as gross insubordination; fraud, theft, or misappropriation of company or client funds or property; punching in or out for another employee or any other falsification of records; vandalism; use, possession, sale, distribution, or being under the influence, while at work, of alcoholic beverages or illegal drugs or other controlled substances; possession of firearms or illegal weapons at the work place or while on duty; engaging in, abetting, or threatening violence, physical harm, or abuse of fellow employees, management, or customers; or other conduct of a similar nature, seriousness, or culpability.

28.5 DISCIPLINE OLDER THAN TWELVE (12) MONTHS

In any disciplinary proceeding, the Employer may not consider and/or utilize any material adverse to the employee that occurred more than twelve (12) months prior to the current disciplinary action, provided no other disciplinary action has been taken against the individual within those twelve (12) months.

28.6 WEINGARTEN MEETING

An employee shall be permitted to have a Shop steward or Union representative at any meeting with the Employer, or its agents, when such meeting is for the purpose of investigating alleged misconduct by the employee that might be the basis for, or which may result in, discharge, suspension or other disciplinary action with respect to the employee. If the employee indicates that he/she wishes a steward to be present, and one is not available, the disciplinary meeting shall be temporarily postponed unless it is suspension or suspension with intent to discharge. In such cases, another bargaining unit person of the employee's choosing shall be asked to sit in as a witness. If it is not a suspension or suspension with intent to discharge, the discipline shall be delayed until the employee's next shift.

28.7 ABSENCE AND TARDINESS ISSUES

Absence and tardiness issues shall be considered together on a separate track from other disciplinary issues. Absences and tardiness issues shall be considered on a separate track (Appendix G).

28.8 PERSONNEL FILE

ARTICLE 29 – ALCOHOL AND DRUG ABUSE POLICY

29.1 PERFORMANCE OF WORK NOT UNDER THE INFLUENCE OF DRUGS OR ALCOHOL

The Employer and the Union recognize that they must endeavor to provide safe and efficient operations for the protection and benefit of the general public, and the Employer's guests and employees. As part of its efforts to achieve this goal, the Employer must require that its work be performed by employees who are not under the influence of illegal drugs or alcohol at work. For purposes of this Agreement, the term "drugs" shall include drugs and alcohol, as appropriate.

29.2 The parties hereby adopt and incorporate by reference the Drug/Alcohol Test Implementation Guidelines annexed to this Agreement as Appendix D.

ARTICLE 30 – GRIEVANCE PROCEDURE AND ARBITRATION

30.1 DEFINITION OF A GRIEVANCE

A grievance shall be defined as any dispute arising out of the expressed terms or conditions contained within this Agreement.

30.2 PROCESSING OF GRIEVANCES

All grievances shall be processed in the following manner:

- a. **Step 1. Informal and Prompt Addressing of Issues/Time Limits for Filing a Grievance.** The parties share a common goal of attempting to resolve most matters informally without resorting to the grievance process. Toward this end, the parties will attempt to address issues promptly as they arise. Any grievance shall be submitted in writing to the Unit Director within twenty-five (25) calendar days of its occurrence or of the date when the employee or the Union first became aware of the circumstances giving rise to the alleged grievance.

A meeting shall be held to resolve the grievance during the fourteen (14) calendar day period following the receipt of the written grievance. The Unit Director or his/her

designee, shall provide a documented response within fourteen (14) calendar days after receipt of the grievance.

- b. **Step 2. Content of Grievances and Meetings.** If not resolved satisfactorily at Step 1, the grievance shall be submitted in writing to the Regional Director of Operations (or the equivalent position depending upon the titles used at the unit) or designee by the Union's Representative or designee within fourteen (14) calendar days after receipt of the response at Step 1. The grievance shall set forth the alleged facts of the grievance, the specific Article(s) and Section(s) alleged to have been violated, and the remedy that is being sought. Either the Regional Director of Operations or designee or the Union shall request a meeting for the purpose of resolving the grievance prior to the Employer's decision. The meeting shall be held within fourteen (14) calendar days of being requested and will never exceed two (2) paid employees. Within fourteen (14) calendar days of the meeting the Employer shall deliver to the Union a written reply, which shall provide for a decision in the matter and the reason(s) for the decision.
- c. **Step 3. Meeting with Labor Relations.** If the grievance is not settled to the satisfaction of the Union at Step 2, the Union Representative or designee, within fifteen (15) calendar days after receiving the Regional Director of Operation's or designee's reply, shall submit the grievance to the Labor Relations Director or their designee in writing setting forth the alleged facts of the grievance, which shall also include the specific Article(s) and Section(s) of the Agreement that the Union believes have been violated and the remedy being sought in this matter. Either the Labor Relations Director or their designee or the Union shall request a meeting for the purpose of resolving the grievance prior to the Employer's decision. The meeting shall be held within ten (10) calendar days of being requested. Within fourteen (14) calendar days of the meeting, the Employer shall deliver to the Union a written reply to the alleged grievance, which shall provide for a decision in the matter and the reasons for the decision.
- d. **Step 4. Grievance Mediation or Arbitration**
 - i. **Grievance Mediation.** If the grievance is not resolved after the procedures in Step 3 have been completed, the parties, by mutual agreement, may defer the matter to non-binding mediation. Such referrals shall occur within five (5) calendar days after the union receives the written response from the Human Resources Director. The Grievance Mediation procedure is set forth at Appendix B.
 - ii. **Arbitration.** If the grievance cannot be satisfactorily adjusted at Step 3, the matter may be deferred by the Union for final decision and determination to an impartial arbitrator. A request for arbitration shall be filed in writing with the Federal Mediation and Conciliation Service (FMCS) no later than thirty (30) calendar days following the receipt of the written Step 2 answer. Both the Employer and the Union agree to be bound by the rules and regulations of the FMCS.

Each party to this Agreement shall bear the expenses of preparing and presenting its own case. The fees and the expenses of the Arbitrator, together with any incidental expenses mutually agreed upon in advance, shall be borne equally by the parties.

The decision of the Arbitrator shall be final and binding on both parties. It is understood that the Arbitrator shall have the power to modify disciplinary cases but shall not have the ability or power to in any way modify, change, restrict, or extend any of the terms of this Agreement.

30.3 TIME LIMITS

The time constraints that refer to any step of this procedure may be extended by mutual written agreement of the Employer and the Union. Any reasonable request made before the expiration of the time limit to be extended shall be honored by the Employer and the Union. Failure to file a grievance or to proceed to the next step within the prescribed time limits shall constitute a waiver of all rights to grieve and arbitrate such matters.

30.4 SUSPENSIONS/DISCHARGES MAY BE SUBMITTED AT STEP 3

Grievances concerning disciplinary suspensions or discharges may be submitted at the third step of the grievance procedure. If the grievance is not settled at Step 3, it may be directly submitted to arbitration except as limited in the above paragraph.

30.5 PAY FOR EMPLOYEES WHILE ATTENDING GRIEVANCE MEETINGS

The Employer shall pay employees at their regular wage rate when they are involved in the grievance discussion and meetings with the Employer, when such meetings take place during their regularly scheduled, normal working hours.

30.6 MOVING THROUGH THE STEPS OF THE GRIEVANCE PROCEDURE

Should the grievance not be resolved at the existing step or should there be no response from the Employer within the specified time limits, the grievance may be moved to the next step.

30.7 STEWARDS ACCESS TO EMPLOYER'S TELEPHONES AND FAX MACHINES

To facilitate the efficient and timely administration of this Article, Union Representatives may participate in grievance investigations and meetings via telephone, and union stewards will have access to telephones and facsimile machines for the sole purpose of communicating with union representatives regarding a pending grievance. Such access shall be limited to reasonable times so as to properly balance the Employer's concern for maintaining efficient operations and the union's ability to address necessary aspects of a pending grievance.

ARTICLE 31 – STANDARDS PRESERVED

No employee shall suffer any reduction in wages, benefits or conditions of employment, economic or otherwise as a result of the implementation of this Agreement.

ARTICLE 32 – SAFETY

32.1 A SAFE WORKING ENVIRONMENT

The Employer is responsible for maintaining a safe working environment and shall supply all safety devices and equipment required by law.

32.2 SAFETY AND HEALTH COMMITTEE

joint Safety and Health Committee (“Committee”) will be established. The Committee will be composed of a minimum of four (4) members of the bargaining unit selected by the Union and a minimum of four (4) members of management selected by the Employer. The Committee shall be organized to provide assistance in identifying and eliminating potential safety hazards throughout the facility. The Employer will coordinate the meetings of the Committee. This Committee will meet monthly during the year. The Employer will consider all of the recommendations from the Committee in good faith. Employees shall be paid at their regular hourly rate for time spent at health and safety committee meetings.

32.3 PROTECTIVE EQUIPMENT

The Employer shall make available appropriate personal protective equipment at no cost to the employee. If an employee destroys or damages the protective equipment provided to the employee, or loses the equipment where a secure space for storage has been provided, the employee will be responsible for the cost of the replacement to the extent permitted by law.

Employees shall not be responsible for the cost of replacement for protective equipment that is replaced as a result of normal wear and tear, regularly scheduled replacement, or replacement resulting from circumstances beyond the employee’s control.

ARTICLE 33 – SUCCESSORS

This Agreement shall be binding upon the parties, their successors, and assigns. In the event the Employer’s facilities are sold or assigned, as soon as the client notifies the Employer, the Employer shall notify the Union in writing and give notice to the purchaser or assignee of the existence of, and operations covered by, this Agreement.

ARTICLE 34 – SAVINGS CLAUSE

If any provision of this Agreement is subsequently found by legislative or administrative action or declared by any court of competent jurisdiction to be unlawful, unenforceable, or not in accordance with applicable law, all other provisions of this Agreement shall remain in full force

and effect for the duration of this Agreement, and the parties agree immediately to negotiate over the invalidated portion thereof.

ARTICLE 35 – NO STRIKE/NO LOCKOUT

35.1 NO STRIKES OR OTHER INTERFERENCE

The Union agrees that there will be no strikes (whether general or sympathetic or otherwise), walkouts, stoppages of work, sit-downs or slowdowns, picketing, or any other direct or indirect interference with the activities, operations, or client relationships of the Employer during the life of this Agreement.

35.2 LOCKOUTS

The Employer agrees not to conduct a lockout during the life of this Agreement.

35.3 UNION’S BEST EFFORTS

The Union agrees that, in the event of any violation of Section 34.1 of this Article, the Union will use its best efforts to cause such violation to cease and to cause work to fully resume.

35.4 REMEDIES

The Employer may impose any disciplinary action, including discharge, upon any or all employees involved in a violation of Section 34.1 of this Article. Any discipline under this Article shall be subject to the grievance and arbitration procedures of this Agreement, but only as to the question of whether or not the employee engaged in the activity.

ARTICLE 36 – DURATION OF AGREEMENT

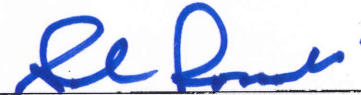

This Agreement shall be in full force and effect as of August 21, 2021 and shall be in effect up to and including April 30, 2024. This Agreement shall be automatically renewed and extended from year to year without addition, change, or amendment, unless either party serves notice in writing to the other party not less than ninety (90) days before the end of the term of its desire to terminate, change, amend, amend, or add to this Agreement.

IN WITNESS WHEREOF, the undersigned parties pursuant to proper authority have caused this Agreement to be signed by their duly authorized representatives as of this 4th day of MARCH, 2022.

The Grievance Mediation may be attended by up to two (2) representatives of the Employer and up to two (2) representatives of the Union, with one representative of each party designated as the principal spokesperson. In addition to the Employer and Union representatives, the grievant shall also have the right to be present. It is expected that at least one of the Employer and Union representatives will be from the local unit from which the grievance arose. 2. Selection of Mediator; Cost

A neutral mediator selected by the parties shall be present and mediate the dispute in an attempt to help the Parties settle the grievance. The Parties will identify a panel of acceptable mediators and attempt to select a mediator from that panel. Either party may raise hazard pay as one of the subjects of such meeting, although it is understood that no express or implied commitments regarding same are being made via this Agreement.

3. **When is it required?** The Associate is required to submit to drug and alcohol testing within the two (2) timelines below. Any injury incurred as a result of an incident must be treated first before submitting to testing. Thereafter, an Associate who is required to submit to Post-Incident drug/alcohol testing must remain readily available for testing. Except in medical emergencies, failure to remain available will be deemed as a refusal to submit to testing and may result in termination.
 - a. **Alcohol Testing:** Associates are required to submit to alcohol testing within eight (8) hours of an incident. At no time should an alcohol test be performed eight (8) hours after an incident. The Associate may not use alcohol for at least eight (8) hours following an incident, or until he or she is alcohol tested, whichever is first.
 - b. **Drug Testing:** Associates are required to submit to drug testing within thirty-two (32) hours of an incident.
4. **Other Considerations:** The requirement in the preceding paragraph is not meant to delay and shall not delay the necessary *Medical Attention* of individuals injured in the accident. Also, it is not meant to prohibit a covered Associate from leaving the scene of an accident for the period of time necessary to obtain assistance or emergency medical care for injured individuals.

VIII. SUBSTANCES TESTED FOR AND CUT-OFF LEVELS

- A. **Drug Screening:** It is Company policy to test for drugs when conducting Post-Incident testing. A 7-Panel drug test will be performed unless otherwise required by

client contract or law. A 7- Panel screens for the presence of amphetamines/methamphetamines, cocaine, marijuana, opiates, phencyclidine (PCP), hydrocodone, and oxycodone. The opiates category will include heroin and pain medications such as codeine and morphine. Testing for the presence of drugs will be conducted by analysis of urine. The *Cut-Off Levels* for each 7-Panel drug are outlined below. All *Cut-Off Levels* are expressed in nanograms per milliliter (ng/mL). The certifying scientist of the laboratory selected will establish compounds and their *Cut-Off Levels* not specified below.

	Type of Drug	Initial Test <i>Cut-Off Level</i>	Confirmatory Test <i>Cut-Off Level</i>
1	Amphetamines/Methamphetamines	500 ng/mL	250 ng/mL
2	Cocaine	150 ng/mL	100 ng/mL
3	Marijuana	50 ng/mL	15 ng/mL
4	Opiates	Codeine/Morphine	2000 ng/mL
		6-Acetylmorphine	10 ng/mL
5	Phencyclidine (PCP)	25 ng/mL	25 ng/mL
6	Hydrocodone/Hydromorphone	300 ng/mL	100 ng/mL
7	Oxycodone/Oxymorphone	100 ng/mL	100 ng/mL

B. Alcohol Screening: It is Company policy to test for alcohol when conducting Post-Incident testing. The presence of alcohol will be conducted by analysis of breath or saliva. The results are given as a number, known as the Blood Alcohol Concentration (“BAC”), which shows the level of alcohol in the blood at the time the test was taken. The *Cut-Off Level* is a BAC of 0.04 or greater.

IX. DRUG AND ALCOHOL TESTING PROCEDURES

All testing will include an initial screening test; review by a *MRO*, including the opportunity for Associates who test positive to provide a legitimate medical explanation, such as a physician’s prescription, for the positive result; a retest if requested; and a documented *Chain-of-Custody Form*. *First Advantage* will perform quality control checks on all drug and alcohol tests before releasing test results on the *First Advantage* website. For confidentiality, results will reference the Associate’s last four digits of their social security number. Each step is described more thoroughly below.

Minor Requirement: Any Associate under the age of eighteen (18) years old must receive written consent from their parent or legal guardian before a drug or alcohol test will be conducted on that Associate.

A. Manager Instructions

1. Drug and alcohol testing orders will be completed at the time of the workplace incident reporting by calling *NAVEX Global (claim reporting administrators)*. Managers must call *NAVEX Global* at 866-678-1774 (for Compass claims) and at 800-373-7123 (for Levy claims). Managers must have the signed Drug & Alcohol Testing Acknowledgement and Consent Form available when calling *NAVEX Global* to confirm that the Associate signed this document.

Minor Requirement: Any Associate under the age of eighteen (18) years old must receive written consent from their parent or legal guardian before a drug or alcohol test will be conducted on that Associate. A separate Drug & Alcohol Testing Acknowledgement & Consent Form for Minors provided along with this Policy must be completed.

2. The Manager will be asked a series of questions related to the incident by *NAVEX Global* to determine if the Associate will be required to submit to testing. If testing is required, *NAVEX Global* will log onto the *First Advantage* website to order the drug and alcohol test. **Note:** *NAVEX Global* and *First Advantage* are aware of the State Specific Addenda and will order drug/alcohol tests and base testing decisions in accordance with unique state specific requirements.
3. Once the drug and alcohol test has been ordered by *NAVEX Global*, the Manager will receive an email from *NAVEX Global*.
 - a. **Digital:** If a digital *Collection Site* is located, then the email notification will provide the *Collection Site* based on the proximity of the Associate's company location or residential address and when the test must be completed by. It is then the Associate's responsibility to appear at the *Collection Site* within the allowed timeframe. The Associate will need to provide the *Collection Site* with the Confirmation Order Registration Number located at the top of the *First Advantage* email notification.
 - b. **Non-Digital:** If a non-digital *Collection Site* is only available or if there is a *Collection Site* scheduling issue, the manager will need to contact First Advantage to arrange for the test. First Advantage will help the Manager in scheduling the test. The manager will need a *Chain-of-Custody Form*. This *Chain-of-Custody Form* for non-digital *Collection Sites* is supplied to Managers by *First Advantage*. The Manager must have a copy of the *Chain-of-Custody Form* on hand when calling *First Advantage* in order to be able to provide the information needed to schedule their appointment. *First Advantage's* phone number is 800-939-4782. At the conclusion of the call with *First Advantage*, the Manager will provide the address of the *Collection Site* and the *Chain-of-Custody Form* to the Associate. The Associate should immediately

go to the *Collection Site* with the required *Chain-of-Custody Form* for the drug and alcohol test to be performed.

4. **Transportation to Collection Site:** Provide the Associate with transportation to the *Collection Site*. Transportation must be facilitated by the Manager to transport the Associate to and from the *Collection Site*. A taxi or an Uber/Lyft is acceptable transportation. The Manager does not need to accompany the Associate to the *Collection Site*. Under no circumstance should an Associate be allowed to drive themselves to the *Collection Site*. If the Associate decides not to take the test and insists on leaving the work site in their own vehicle, let the Associate know their action will constitute a refusal to test and will be treated just like a positive test. Tell the Associate that if they drive their own vehicle, you will be forced to call local authorities. If the Associate then proceeds to drive their own vehicle, immediately contact your local police department.
 5. The Associate will be required to show a valid Picture I.D. (Driver's License, Passport, State I.D.) before testing is implemented.
 6. Managers should not directly observe or be present in the same room with the Associate in the process of producing a urine specimen. A private room at the *Collection Site* will be provided during the specimen collection process.
 7. **Transportation from Collection Site:** Once the drug and alcohol test is complete, ensure the Associate is transported back to your worksite location or home from the *Collection Site*. The Manager must provide transportation or contact the Associate's emergency point of contact to transport the Associate home.
 8. Final test results will be sent to *First Advantage* by the *Collection Site*. A notification email will be sent by the Compass Claims team directly to the Manager confirming the result of the drug and/or alcohol test. The Compass Claims team's email address is pidat@compassusa.com.
- B. Emergency Testing After Hours:** Managers must contact *First Advantage*'s emergency drug and alcohol test line at 800-939-4782, option 1 if an Associate is subject to *Post-Incident* testing at a time when the assigned *Collection Site* is unable to be utilized, usually between the hours of 7:00pm to 7:00am or during weekends. *First Advantage* will locate a *Collection Site* and provide the Manager with the *Collection Site* details. Additional costs are associated with testing after hours that can range from \$150-1,000 or more.

C. Types of Test Results

1. **Negative:** The drug or alcohol test did not identify prohibited levels of drugs or alcohol in the Associate's system. This result means the Associate passed the

drug or alcohol test and is eligible to perform services on the Company's behalf (subject to other successful prescreen completion).

2. **Positive:** The drug or alcohol test identified prohibited levels of drugs or alcohol in the Associate's system. This means the Associate failed the screening test. An Associate that receives a positive test result is not authorized to work on behalf of the Company
3. **Negative Dilute:** The drug or alcohol test did not identify prohibited levels of drugs or alcohol in the Associate's system despite a greater concentration of water than a normal urine specimen. This result means the Associate passed the drug or alcohol test and is eligible to perform services on the Company's behalf.
4. **No Show:** The Associate failed to appear at the *Collection Site* within the allowable timeframe and did not complete a drug or alcohol test. This will constitute as a refusal to test and will be treated just like a positive test.
5. **Rule Violation w/ Completed:** The Associate completed a drug or alcohol test; however, the test was not completed within the allowable timeframe. The Company will assess the reason for late completion and determine handling on a case-by-case basis. Associates who fail to complete the required drug or alcohol test on time may be subject to progressive counseling, up to and including termination of employment.
6. **Adulterated or Otherwise Tampered:** In the event that a laboratory reports that an Associate attempted to or actually adulterated a sample or reports the sample to be "inconsistent with human urine" the Associate will be considered to have refused to submit to testing and are not authorized to work on behalf of the Company. In some states, adulterating or attempting to adulterate a sample is a crime.

D. Disqualifying Offenses Resulting in Termination

1. Use of any drug (including over-the-counter medication and prescriptions) which might affect the Associate's ability to safely work or perform the essential functions of his or her job, consistent with applicable federal law.
2. Use or possession of drugs.
3. Testing positive for drugs as outlined in the Company's 7-Panel drug test in Section VIII of this Policy. The Company recognizes that many states have authorized the medical and in some cases the personal use of marijuana. The Company reserves the right to take action consistent with applicable law.
4. Use of drugs or alcohol during work or being under the influence of drugs and/or alcohol during work.

5. Reporting for work or remaining at work with a BAC of 0.04 or greater.
6. Possession of alcohol while working (unless it is sealed and being transported as cargo).
7. Alcohol use following an accident/incident prior to the administration of a Post-Incident alcohol test; if no test is administered, alcohol use within eight (8) hours following an accident is prohibited.
8. Refusing to take a required test or sign the *Chain-of-Custody Form*, or engaging in any conduct that obstructs the testing process.

E. How to Handle a Positive Test Result

1. In the event that an Associate tests positive for a drug, the Company has contracted with a *MRO* to contact the Associate prior to reporting the results to the Company. The *MRO* will notify the Associate of the positive test and determine if medical reasons may have caused the positive test. Upon confirmation of the positive test by the *MRO*, the results will be reported to the Compass Claims team.

Note: The *MRO* may request assistance from the operation in contacting the Associate following a positive drug or alcohol test. Operation management may be asked to provide

the *MRO* with the Associate's home telephone number or provide the Associate with a tollfree phone number for contacting the *MRO*. The test results are not conclusive until the operation receives confirmation of results from the CompassClaims team.

2. Any Associate confirmed by the *MRO* to be positive for the presence of a prohibited substance will be notified in writing by *First Advantage*. The written notice shall advise the Associate of their options regarding the procedure for a retest. The retest is made from a portion of the Associate's original sample.

3. Retest Procedure:

- a. The Associate has seventy-two (72) hours from the time he or she is notified of the positive test result to request a retest of the original sample. The cost of the second test is the responsibility of the Associate. If the Associate requests a retest, the Company requires the Associate to pay the operation for the test, and he or she will be reimbursed if the retest is either negative or inconclusive. The payment must be made in the form of a certified check or money order, and payment must be received by the operation before the retest will be authorized.

- b. Upon receipt of payment, the operation shall fax a notice to the *MRO* which includes the following: printed Associate name, Associate signature, the last four digits of Associate's social security number, the date, and a request in writing from the Associate to "perform a retest of my sample at another certified laboratory".
- 4. Once a positive test is confirmed, the Associate shall be disqualified from employment with the Company.
- 5. Upon request, an Associate receiving a positive test shall be provided contact information for the Company's Employee Assistance Program. The Company will not pay for rehabilitation unless otherwise required by state law.
- 6. Questions regarding positive drug tests should be directed to the Compass Claims Team at atpidat@compass-usa.com.

X. COMPLIANCE WITH FEDERAL, STATE, AND LOCAL LAWS

Drug and alcohol testing will be conducted in accordance with federal, state, and local requirements. Please reference the specific state supplements attached to this Policy.

XI. CONFIDENTIALITY

All Associate testing records are confidential and may only be released to authorized Company and vendor personnel and agents with a need to know.

XII. VIOLATIONS OF THIS POLICY

Violations of this Policy by any level of Associate may result in progressive counseling, up to and including termination of employment.

XIII. QUESTIONS

Managers with any questions regarding Post-Incident drug and alcohol testing procedures should contact their Compass Claims Manager or Regional Safety Manager for further guidance.

APPENDIX G – ATTENDANCE POLICY

Compass Group strives daily to provide quality services for its clients and customers. Every Compass Group Associate plays an important part in making this goal a reality. Unfortunately, when even one Associate is absent, late, or leaves early from his/her scheduled shift, the Company's ability to meet this goal is strained and fellow team members must work harder in order to try and achieve the quality services clients and customers deserve and have come to expect.

Policy Overview. The Company recognizes that there may be times when an Associate cannot attend his/her scheduled shift because of an illness, emergency, or other rare set of circumstances. That is why the Company has identified excused and unexcused guidelines, progressive counseling procedures for unexcused absences, call out procedures, and how incidents of no-call, no-show should be incorporated into this Policy.

This Policy is broken up into the following five (5) sections. Please refer to each section for more information.

1. Types of Absences
2. Progressive Counseling for Unexcused Time Away from Work
3. No Call, No Show
4. Call Out Procedures

A. Types of Absences

1.Excused Time Away from Work. There are times when an Associate's time away from a scheduled work shift (i.e. absence, lateness, breaks, or early out) will be "Excused" based on the situation and/or reason for the Associate's time away. The following is a non-exhaustive list of events that are considered "Excused Time Away":

- Any requested time off from work that is approved by the Associate's Manager at least one (1) day in advance; this includes use of Holiday, Vacation, or Paid Time Off;
- Time missed, excused by the Family Medical Leave Act ("FMLA");
- Time missed, excused by the Americans with Disabilities Act, as amended ("ADA");
- Time missed to attend court-mandated jury duty pursuant to the Jury Duty & Witness Testimony Policy;
- Time missed for funeral/bereavement leave pursuant to the Bereavement Policy;
- Time missed for military leave as excused by the Uniform Services Employment and Reemployment Rights Act ("USERRA") pursuant to the Military Leave of Absence Policy;
- Time missed from work due to inclement weather per the Inclement Weather Policy;
- Time missed pursuant to the Election Day Schedules Policy;
- Time missed, excused by any other federal, state, or local law; or
- Time missed expressly excused by any other Company, Sector, or account policy.

Points of Clarification about Excused Time Away from Work

• **Documentation.** The Company reserves the right to request medical or other documentation for an Associate's Excused Absence. Failure to provide documentation in a timely fashion may result in the missed time being deemed unexcused.

- If an Associate misses time away from work for any of the above Excused Absences, the Associate will not receive an Occurrence Point (definition of Occurrence Point is described below).
- **Follow Call-Out Procedure.** Even when an Associate's time away from work is Excused, regardless if the time away is an absence, lateness, Meal Period and Rest Break Policy violation, or early-out, the Associate **must** follow the account's Call-Out Procedure. Failure to follow the Call-Out Procedure will result in performance counseling for violation of the Company's Work Rules.
- **Inform Management the Time Missed May be "Excused."** If an Associate believes his/her absence, lateness, Meal Period and Rest Break Policy violation, or early-out may be an Excused Absence, the Associate is responsible for alerting his/her Manager.

2.Unexcused Time Away from Work. Unexcused Time Away is also commonly referred to. As an "Occurrence". Unexcused Time Away may result in progressive counseling under this Policy.

- An **Absence** that does not fall into one of the categories contained in the Excused Time Away Section of this Policy.
- **Not reporting to work** before the end of the Associate's second hour of work (e.g. if an Associate is scheduled to work at 8 am, the Associate is considered to be absent, not late, as of 10:01 am).
- **Lateness** that does not fall into the Excused Time Away Section of this Policy. **Lateness** is defined as clocking in or signing in past the scheduled shift's start time and defined Meal Period Grace Period.
- **Early-Out** that does not fall into the Excused Time Away Section of this Policy. **Early-Out** is defined as an Associate leaving before the end of his/her scheduled shift without Managerial approval.
- **Failure to follow Meal Period and Rest Break protocols.** This includes failing to take Meal Periods and/ or Rest Breaks on time (as scheduled by Management); taking short or extended Meal Periods and/or Rest Breaks; skipping Meal Periods and/or Rest Breaks without Manager consent; and not properly recording unpaid Meal Periods on time records.
- **No Call, No Show.** Failure to report the absence at any time before or within the first two (2) hours of the Associate's scheduled shift. This is considered a "No Call, No Show". See section on No Call, No Show below.

B. Progressive Counseling for Unexcused Time Away from Work.

Occurrence Points. Unexcused time away from work is monitored and may result in disciplinary action as outlined in the chart below. It is Company policy to count "Occurrences" not the number of tardies, early outs, and absences. A full day unexcused absence is one (1)

Occurrence Point. **If an Associate is absent for up to three (3) consecutive workdays for the same reason, it will count as one (1) occurrence.**

Event	Result
One to three consecutive unexcused absences (for same reason)	1 Occurrence Point
Lateness/Tardies and Early Out	½ Occurrence Point
Meal Period and Rest Break Policy Violations	½ Occurrence Point (based upon criteria below)

Example. If an Associate has car trouble and for three (3) consecutive days the Associate is unable to report to work due to car trouble (and has properly notified management), then this period will only count as one (1) Occurrence Point rather than three (3) Occurrence Points because the time away from work was for the *same* reason for each of the three (3) consecutive days missed. In this same example, if the Associate was absent for three (3) additional consecutive days, even due to car trouble (i.e. the *same* reason) the Associate would earn one (1) additional Occurrence Point.

Criteria for Issuing Occurrence points for Failure to Follow Meal Period and Rest Break Policy. Before an Associate may receive ½ an Occurrence Point under this Policy for failure to follow the Company's Meal Period and Rest Break Policy, there must be: (1) documentation that the Associate was trained on the Company Meal Period and Rest Break Policy; and (2) the Associate must receive a documented verbal warning about the need for future compliance with the Meal Period and Rest Break Policy.

- If despite this notice and training an Associate fails to abide by the procedures outlined in this Policy, the Associate will be subject to ½ an Occurrence Point for each violation.
- A violation is considered each workday that the Associate fails to follow the Company Meal Period/ Rest Break Procedures. By way of example, if on a workday an Associate takes a short Meal Period outside the Meal Period Grace Period and, without Manager approval, fails to take his/her scheduled Rest Break, the Associate would only receive ½ an Occurrence Point despite there being two (2) separate incidents. In sum, regardless of the number of Meal Period and Rest Break Policy violations in a day, the maximum number of Occurrence Points an Associate can receive is ½ point.

Rolling 12 Month Schedule. Occurrence Points are based on a rolling twelve (12) month period. For example, if an Associate is absent from work on March 1, this attendance occurrence will remain on record and will count towards any disciplinary action for unexcused time away (absence, lateness, Meal Period and Rest Break Policy violations, and/or leaving early) until March 1 of the following year.

Disciplinary Action. The Occurrence Points an Associate receives due to Unexcused Time Away will be recorded. The progressive counseling steps outlined in this *Attendance Policy* are separate from the steps outlined in the *Progressive Counseling Policy*. For example, an Associate who has reached the final warning stage in the

Progressive Counseling Policy due to violations of the *Workplace Work Rules Policy* may not be terminated for violation of the *Attendance Policy* unless he/she has sufficient violations under the *Attendance Policy* to justify termination independently.

If an Associate receives a certain number of Occurrence Points, the Associate will be subject to disciplinary action based on the following schedule:

Introductory Period Associates (90 days or less of employment)

- 1 Occurrence Point – final warning
- 2 Occurrence Points – discharge

Full-Time and Part-Time Associates Employed for More than 90 days

- 5 Occurrence Points in a rolling twelve (12) month period – written warning (2nd progressive counseling)
- 6 Occurrence Points in a rolling twelve (12) month period – final warning (3rd progressive counseling)
- 7 Occurrence Points in a rolling twelve (12) month period – discharge

A. No Calls, No Shows.

A “No Call, No Show” is when an Associate fails to report for work and fails to report the absence to his/her Manager at any time before or within the first two (2) hours of the Associate’s scheduled shift.

- **One No Call, No Show.** The first incident of No Call, No Show in a twelve (12) month period will result in a final warning for the Associate. If an Associate is within his/her Introductory Period, one (1) No Call, No Show will result in termination.
- **Two Non-Consecutive No Call, No Shows in a Rolling 12 Month Period.** If an Associate has two (2) separate incidents of No Call, No Show in any twelve (12) month period, the Company will terminate the Associate’s employment.
- **Two Consecutive No Call, No Shows.** If an Associate No Call, No Shows for two (2) consecutive scheduled work shifts, the Company will deem that the Associate has chosen to resign his/her employment.

- B. Call-Out Procedures.** When an Associate is going to miss all or part of his/her scheduled shift, communication with management about the time away is of utmost importance. Advance notice provides the Company with at least an opportunity to try and find a substitute or otherwise plan on how to deal with being short staffed.

All Absences, Lateness, and Early-Outs Must be Communicated to Management.

Whether the absence or lateness is excused or unexcused, the Associate **must** call to report his/her absence or lateness unless he/she is physically unable to do so. If the Associate’s Manager is unavailable the Associate may leave a recorded message or a message with another person, though the Associate must call the Manager back the same day and discuss the absence with his/her Manager. This will ensure that the message has been received and

gives the Associate the opportunity to discuss with his/her Manager when he/she plans to return to work.

Failure to Follow Call-Out Procedures will be Considered a Work Rule Policy Violation (not an Attendance Policy violation) and will result in progressive counseling, up to and including termination. The Associate should also check with his/her Manager about account specific Call-Out Procedures.

Leave of Absence

If an Associate requests a leave of absence (“LOA”) from the Company, the Associate must still contact management to report his/her absences until management receives notification from the Leave of Absence Department (“LOA Department”) that an LOA has been requested. Failure to do so will result in the shift being coded as a “No Call, No Show.” When an Associate requests a leave of absence, any absences will be coded as conditional until the LOA Department approves or denies the request. If the Associate’s leave of absence request is approved, any absences during the approved leave dates will be considered excused.

If the leave of absence request is denied, or if the approved leave of absence does not cover all absences, absences outside of any approved leave dates will be considered unexcused and an Associate may accrue up to six (6) Occurrence Points in accordance with Section V.B of this Policy for the time missed from work after the leave of absence request and prior to the LOA Department’s decision on the leave of absence request. Occurrence Points accrued will be considered within the applicable rolling twelve (12) month period to determine if the Associate is subject to disciplinary action. However, in any situation where the leave of absence request is denied, or if the approved leave of absence does not cover all absences, no disciplinary action more severe than a final written warning for attendance will be issued for time missed after the leave of absence request and prior to the LOA Department’s decision on the request unless the Associate was on a final written warning for attendance at the time of the leave of absence request or the first day of absence, whichever occurs later. In the event that the Associate was on a final written warning for attendance at the time of the leave of absence request or the first day of absence, whichever occurs later, the Associate will escalate to the next level of discipline, i.e., termination. An Associate who continues to miss shifts after the notification of the denial, or after the last approved day of the leave of absence, will incur additional occurrences (and related disciplinary action(s)) unless the absences are otherwise excused.
