LAKWOOD EVS BARGAINING SESSION: FEBRUARY 3

We came to agreement on 11 articles. We made improvements in Bereavement Leave, extending the number of days from 3 to 5 days if you have to travel, and we doubled the number of Stewards who can attend Labor-Management meetings.

LAKWOOD DIETARY BARGAINING SESSION: FEBRUARY 4

We came to agreement on eight articles. Among those proposals are improvement in our Union Membership, Labor Management Committee, Jury Duty, and Bulletin Boards.

Compass rejected most of our Job Postings proposal, which proposes language that deals with the retention issue. All we are asking is that every worker get the opportunity, based on seniority, to work in a different position before management hires from outside.

FOUNTAIN VALLEY EVS/DIETARY BARGAINING SESSION: FEBRUARY 5

We came to agreement on eight articles, including proposals to improve our Visitation, Union Stewards, Seniority, Bulletin Boards, and Leaves of Absence policies. We submitted our Job Posting proposal to give members opportunities to apply and be trained in new positions based on seniority. Management will respond at our next contract negotiations meeting.

Members from Fountain Valley met with candidate and former Costa Mesa Mayor Katrina Foley to discuss our current contract campaign. After hearing of our campaign fight for equality, Katrina said, "I stand with workers, and as mayor of Costa Mesa I've fought to keep our city employees in-house. I support you in your fight for fair wages and benefits."
