

Strike Prep Meetings to Begin!

The RN/Pro Bargaining Team has made the decision to begin preparations for a strike. The first step is to make sure every member has all the information about what is at stake in these negotiations, what issues are outstanding in negotiations, and how a strike works.

We will hold 23 separate meetings and every single member must attend one of the meetings.

Have you been on strike before? Here's why you need to join one of the strike prep meetings. The purpose of these meetings is to:

- Provide an update on negotiations and compare our proposals to management's
- Educate every single member on what it means to go on strike
- Answer questions about going on strike

The meetings are broken up by groups, but you can attend ANY meeting that fits your schedule!

*** **All meetings will be via Zoom** except Thursday, October 6 meetings, which will be at the Sonesta Hotel - listed below.
