

WE REACHED A TENTATIVE AGREEMENT!

NOVEMBER 17, 2022

After several months of negotiations, the RN/Pro Bargaining Team reached a tentative agreement with management. There are many improvements from the previous contract. We are preparing a summary of all the improvements and changes.

Everyone will receive the summary and have the chance to attend an informational membership meeting (see dates/times below).

The contract isn't finalized and effective unless the members vote to approve the new agreement. If members vote YES, the wage increases and other improvements become effective. Voting will take place at the hospital (see dates/times below).
