COVID OUTBREAK AT NOVATO HEALTHCARE CENTER

**JOIN US IN DEMANDING PROTECTION, HAZARD PAY,
AND PAID TIME OFF**

The COVID-19 outbreak at our facility has infected 44 workers and 81 residents, according to the California Department of Public Health.

Last week, we met with management and demanded the following:

- Up to 80 hours of sick leave for workers who must quarantine due to COVID-19 exposure or a positive COVID-19 test.
- Increased hourly hazard pay: \$10 for working in the red zone; \$5 in the yellow zone; and \$2 in the green zone.
- Safe staffing levels and easy access to COVID-19 testing.

Management allowed this outbreak to occur. We need to make sure they do everything in their power to get it under control and do right by all of us who have been put at risk.

It's critical that people participate in our next meeting with management, so they see how serious we are about getting our demands met. The meeting is scheduled for **3 P.M. ON THURSDAY, SEPTEMBER 17 VIA ZOOM.**

For details about participating in the Zoom meeting, please contact NUHW organizer Joaquin Recinos at (213) 281-1692 or jrecinos at jrecinos@nuhw.org.
