

Petaluma Valley

Redwood Memorial & St. Joseph Eureka

WE MARCHED TO DEMAND BARGAINING DATES!

Together, we've formed a Coordinated Bargaining Council to unite with our fellow NUHW members at Providence facilities across Northern California. We are fighting for a single, standard-raising agreement that guarantees us fair pay, good working conditions, and safe patient care.

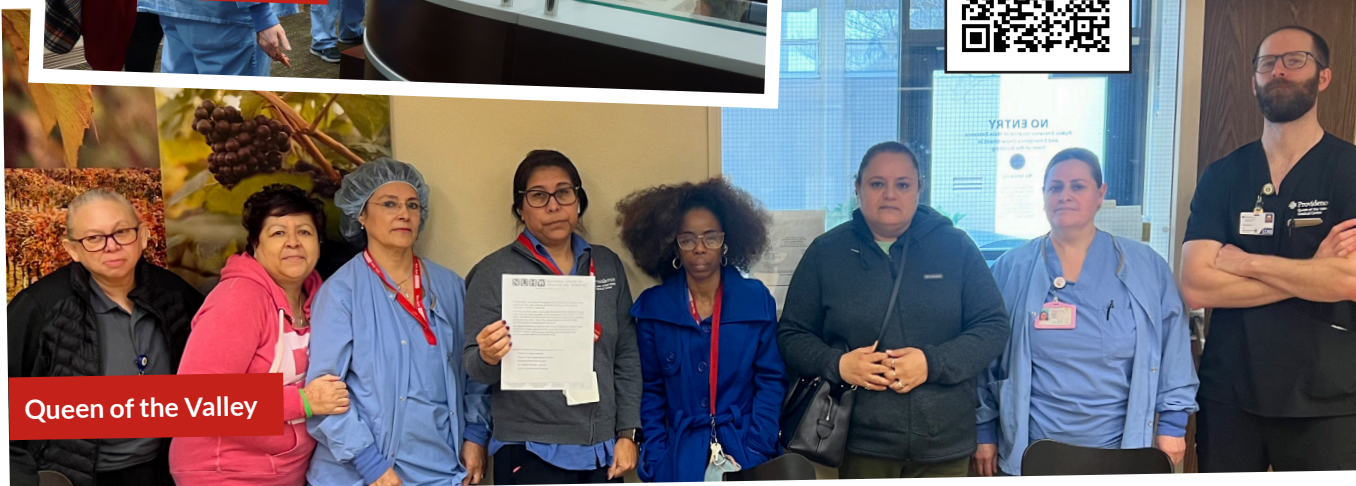

So far, Providence has refused to provide bargaining dates at all our hospitals. So we took this demand directly to them.

Santa Rosa Memorial

Make sure your department is represented on our bargaining committee!
