

IMPORTANT MEETING ABOUT OUR CONTRACT CAMPAIGN

It's time to make Sutter understand that it can't get away with its delay tactics at the bargaining table. To send a clear message to Sutter that it's time to get serious about negotiations, our bargaining committees recently discussed holding an informational picket.

As a next step, we're having a membership meeting at 5:30 p.m., Thursday, January 18 to talk about potentially holding an informational picket and how best to advance our contract campaign. If there's consensus in favor of holding a picket, we would then take a formal vote to authorize a picket to be held at a later date.

NOTE: An informational picket is NOT a strike or a work stoppage. It's a picket line we join during our non-working hours (before/after shift, during lunch or breaks, or on days off) to inform the public about issues hapenning in our workplace.
