- e. After the submission times set forth above have passed, all other PTO requests will be granted on a first come, first served basis.
- f. PTO requests approved pursuant to the process above are contingent on the employee having adequate PTO for the period the PTO is to be used at the time of the request or will have adequate PTO accrued by the time the request is to occur. In the case the

employee does not have adequate accrued PTO by the time the request is to occur, the Hospital may cancel the schedule time off absent extenuating circumstances.

13.6 HOLIDAY SCHEDULES

a. The following holidays shall be recognized:

- i. New Year's Day – minor
- ii. Martin Luther King Jr.'s birthday – minor
- iii. President's Day – minor
- iv. Memorial Day – minor
- v. Independence Day – minor
- vi. Labor Day – minor
- vii. Thanksgiving – major
- viii. Christmas – major

b. The Hospital will follow the State and Federal Uniform Holiday Laws.

Therefore, the days officially adopted by the government for observing a recognized holiday will be adopted by the Hospital for the observance of such holiday. Notwithstanding this provision, Independence Day will be observed on July 4th.

- c. Full-time and part-time employees must be available to work one (1) major and one (1) minor holiday per calendar year.
- d. Relief/per diem employees must be available to work a minimum of one (1) major and two (2) minor holidays per calendar year.
- e. All minor holidays not filled by availability or volunteers will be scheduled by rotation.
- f. Night shift employees will not be required to work both the eve and the day of Christmas or the eve and the day of New Years. The Hospital will make a reasonable effort to not schedule PM shift employees to work both the eve and the day of Christmas and New Years.

13.7 REST AND MEAL PERIODS

The Hospital will provide meal and rest periods in accordance with state and federal laws. In the event state or federal laws are amended, such new provisions shall apply to bargaining unit employees when effective.

13.8 REST BETWEEN SHIFTS

The Hospital will make a reasonable effort to provide adequate rest between shifts. No employee shall be mandatorily scheduled for a break of less than ten (10) hours between shifts.

13.9 VOTING TIME

- a. Employees who are unable to vote in a government election because his/her scheduled shift requires that such employee to be on duty during the time the election occurs, the employee will be permitted up to two (2) hours off during his/her shift.
- b. A request for voting time must be approved, in advance, by the employee's supervisor.
- c. The employee must request voting time at least two (2) calendar days prior to the election date.

13.10 HOME SHIFT

a. Assignment to Home Shift

Full-Time and Part-Time employees shall be assigned to a home shift. This shall be either the shift onto which they are hired or for those without a home shift the shift on which they work the majority of hours in the six months prior to ratification (i.e. PMs, or NOCs or appropriate designation in the case of 10 and 12 hour employees). In the case of employees who were hired as variable, if such an assigned home shift based on the prior six month's assignment does not meet operational needs, the Hospital may assign such home shifts based on preferences received by reverse department seniority.

b. Scheduling Outside of Home Shift

In the case the Hospital has a need for employees to work a shift outside their home shift, provided the unit has the appropriate skill mix, employees will be scheduled in the following order on the basis of reverse department seniority:

- i. Volunteers
- ii. Travelers
- iii. Temporary employees
- iv. Relief employees who have an assigned home shift.
- v. Part-time employees
- vi. Full time employees

Nothing in this Section shall require the Hospital to incur overtime or incentive pay liability when scheduling.

ARTICLE 14 – HOURS OF WORK AND OVERTIME

14.1 DEFINITIONS

- a. “Workday” is defined as fixed and recurred 24-hour period (as an example only, 12 midnight to 11:59 p.m. or 12 noon to 11:59 a.m.).
- b. Workdays will be assigned based on the employee’s regularly scheduled shift (or if the employee works more than one regularly scheduled shift, the most frequent regularly shift scheduled). The Hospital may not assign employees workdays to evade its obligation to pay overtime; as such, the Hospital will not assign an employee who primarily works a specific shift a workday that divides that regular shift in two.
- c. “Workweek” is defined as a period of seven (7) consecutive workdays.
- d. “Pay period” is defined as a period of fourteen (14) consecutive workdays
- e. “Regular rate” is calculated according to applicable federal and state laws.
- f. “Hours worked” means time spent in work-related activities. Hours worked does not include PTO, holiday, Disability Reserve, leaves of absence, or any other time away from the Hospital, regardless whether this time away from the Hospital is paid time.

14.2 OVERTIME

- a. As described further below, overtime is calculated based on the number of hours worked in an employee’s workday. However, premium (overtime) pay is also available when an employee’s shift continues past the end of the workday into the next workday, which may happen when an employee works lengthy overtime (such as a double shift), or in certain circumstances when the employee picks up a shift other than his or her home shift and works that shift for longer than the usual scheduled shift length.
- b. 8/80 Schedule
 - i. In general, employees covered by this Agreement work an 8/80 schedule.
 - ii. For employees assigned to an 8/80 schedule:

Overtime is paid at one and one half (1 ½) times the employee’s regular rate in the following situations:

 - (1) For hours worked over eight (8) in a workday; and
 - (2) For hours worked over eighty (80) in a pay period.
 - iii. Double time is paid at two (2) times the employee’s regular rate for hours worked over twelve (12) in a workday.

Note: If strict application of the “workday” calculation method results in lost overtime (because the shift crosses the end of the “workday”), the employee may still claim overtime for those hours.

c. 10-Hour Schedule

For employees assigned to a straight time 10-hour schedule:

- i. Overtime is paid at one and one half (1 ½) times the employee’s regular rate in the following situations:
 - (1) For hours worked over ten (10) in a workday; and
 - (2) For hours worked over forty (40) in a workweek.
- ii. Double time is paid at two (2) times the employee’s regular rate for hours worked over twelve (12) in a workday.

Note: If strict application of the “workday” calculation method results in lost overtime (because the shift crosses the end of the “workday”), the employee may still claim overtime for those hours.

d. 12-Hour Schedule

For employees assigned to a straight time 12-hour schedule:

- i. Overtime is paid at one and one half (1 ½) times the employee’s regular rate for hours worked over forty (40) in a workweek.
- ii. Overtime is paid at one and one half (1 ½) times the employee’s regular rate for hours worked on any workday beyond three (3) in a workweek.
- iii. Overtime is paid at two (2) times the employee’s regular rate for hours worked over twelve (12) in a workday.

Note: If strict application of the “workday” calculation method results in lost overtime (because the shift crosses the end of the “workday”), the employee may still claim overtime for those hours.

- e. Any work time that qualifies as overtime pay under more than one of the above guidelines is paid only once. Example: An employee works nine, eight (8) hour workdays in a pay period, and then works nine (9) hours on the tenth workday. The last hour of work on the tenth workday qualifies as overtime because it exceeds eight (8) hours in a workday, and also exceeds eighty (80) hours in a pay period. Nevertheless, one hour of overtime is paid, not two. Holiday and other premiums voluntarily paid by the Hospital will be credited against overtime due as permitted by state and federal laws.
- f. The following provision applies until the effective date of shift-based workdays, pursuant to the Side Letter II (Regarding “Day Divide”): All hours worked in a given

shift will be attributed to the Workday during which the initial in-punch for that shift takes place. The purpose of this “in-Punch” calculation is to “pre-pay” hours worked from a subsequent Workday to a prior Workday in order to maximize the overtime earned and paid to an employee when crossing a day divide during a given shift. With the exception of call back, which the Parties agree has always been interpreted as a separate shift, in the event an employee is out for more than two (2) hours, all hours worked upon return will be considered a new shift for the purposes of calculating overtime. In addition, a break in a call back shift creates a new shift for purposes of overtime.

- g. Under normal circumstances, employees are required to have the approval of their supervisors or designee prior to working overtime. On those occasions when an emergency arises and this is not possible, employees are required to report to their supervisor or designee the amount of overtime they have worked and the reason for having done so. The reason for having worked overtime must be documented.
 - h. The Hospital and the Union recognize that mandatory overtime is not desirable and represents a burden on the employee. Acceptance of overtime and shifts beyond the employee’s schedule shall be voluntary and in accordance with state law or regulations, except where patient care would be endangered by an internal or external emergency declared by state, local or federal government, or declared by the administrator on duty. An internal or external emergency, for the purposes of this Section, is defined as an unexpected situation and sudden occurrence of a serious and urgent nature that demands immediate action. Mandatory overtime shall be done on the basis of reverse seniority when possible.
- 14.3 The Hospital and the Union agree that all existing 10-hour and 12-hour shifts (“alternative workweek schedules” or “AWS”) will continue in effect. In the event the Hospital desires to implement new AWS shifts the Union will be notified and a vote will be conducted in the unit. Should any group of employees petition to implement AWS shifts, the Hospital will grant due consideration to the feasibility of the request. Any rejection of an employee petition must be provided to impacted employees in writing. The Hospital may discontinue an alternative workweek schedule upon sixty (60) days’ notice to the Union.

ARTICLE 15 – ALLOCATION OF ADDITIONAL HOURS OF WORK

- 15.1 Additional hours of work is work that is not prescheduled.
- 15.2 Employees will submit, in writing, their availability for additional work which shall indicate the days of the week and shifts for which they are available.
- 15.3 The Hospital shall offer additional hours of work to employees who have made themselves available in the same classification and department as long as the additional work would not cause the Hospital to incur overtime liability. The Hospital will offer pre-

scheduled additional hours of work by rotation in order of seniority according to the following preference list:

- a. Regular Full-time employees who have been ROH'd, as long as the additional work would not cause the Hospital to incur overtime liability.
- b. Regular Part-time employees who have been ROH'd.
- c. Relief/Per Diem
- d. Regular Part-time
- e. Casual Pool

The above preference order will not result in bumping employees out of work that is prescheduled.

- 15.4 When available, overtime shifts will be assigned from a list of those employees indicating their desire to work specific shifts by rotation in order of seniority.

ARTICLE 16 – FLOATING

- 16.1 Employees may be floated to a different department or unit provided the employee has received orientation in that department or unit and has demonstrated competence in providing care to patients in that department or unit.
- 16.2 Employees will be floated in the following order:
- a. Volunteers
 - b. Registry and travelers
 - c. Temporary employees
 - d. Casual employees
 - e. Relief employees
 - f. Full-time and Part-time by rotation
- 16.3 No employee will float to more than one (1) department or unit during a single eight-hour shift or more than two (2) departments or units during a single twelve-hour shift, unless floating to multiple departments/units is a regular part of an employee's assignment.

ARTICLE 17 – SENIORITY

17.1 DEFINITIONS

As utilized in this Agreement, seniority (or "Union Seniority") shall be defined as:

a. Seniority

- i. Full-time, Part-time and Relief Employees. Full-time, Part-time and Relief employees shall be credited with one (1) year of Union Seniority for every one (1) year of continuous employment in the bargaining unit with Santa Rosa Memorial Hospital. For employees working at the time of ratification, Union Seniority will be based on their most recent date of hire at the Hospital.
- ii. Temporary Employees. Temporary employees do not accrue seniority. In the event a temporary employee is hired into a bargaining unit Full-time, Part-time, or Relief position in the same department and job classification as the prior temporary employment, the period of such temporary employment shall be credited towards the employee's Union Seniority once the introductory period is completed.
- iii. Casual Employees. Casual employees shall be credited with one year of Union Seniority for every two years, or proration thereof, of casual employment in the bargaining unit. For example, one year of casual employment would result in six months seniority.

17.2 BREAK IN SERVICE

An employee's Union Seniority will be broken for all purposes if:

- a. The employee terminates voluntarily and is rehired by the Hospital in a bargaining unit position more than six (6) months later.
- b. The employee terminates through layoff and is rehired by the Hospital more than one (1) year later.
- c. The employee is discharged from employment for just cause, except in the case of a probationary employee whose seniority shall be broken after discharge regardless of the reason.

17.3 SENIORITY TIE BREAKER

If employees have the same seniority date, the following tie-breaker will be used to determine the seniority order:

- a. Date first worked
- b. Date of birth (oldest to be most senior)

ARTICLE 18 – FILLING OF VACANCIES

- 18.1 Vacant bargaining unit positions shall be posted for no less than seven (7) calendar days on the Hospital's inter and intranet. If no qualified bargaining unit employees submit a

bid for a posted position within the seven (7) day posting period, the Hospital may fill the posted position as it deems appropriate.

For the life of the 2020 – 2024 Agreement, the Hospital will post on appropriate bulletin boards (the same previously used for paper job postings) information about accessing job postings electronically, including how to sign up for electronic notifications of new positions.

- 18.2 The Hospital shall make available a dedicated workstation or kiosk in a convenient central location. Information about signing up for e-mail notifications of new positions will be available at the same location.
- 18.3 The posting shall include the title of the position, the department, shift, category, and qualifications for the position. The posted qualifications shall be based on the job description for the position.
- 18.4 Employees interested in transferring to a position that may be posted in the future may set an alert to receive an email once a job is posted that meets his/her criteria. This will not relieve an employee of the responsibility to submit a timely transfer request for the posted position.
- 18.5 The employee applicant must meet the minimum qualifications of the job established by the Hospital. These qualifications will be listed in the job description and the online posting.
- 18.6 The Hospital shall award the position to the most senior qualified applicant (according to Union Seniority) in the following order of preference:
 - a. Bargaining unit employees within the department and job title/classification where the vacancy occurs;
 - b. Bargaining unit employees within the job title/classification outside the department where the vacancy occurs;
 - c. Bargaining unit employees within the department where the vacancy occurs; and
 - d. Bargaining unit employees from another job title/classification.
- 18.7 Employees submitting an internal transfer request for a posted vacancy shall be informed by the Hospital whether or not they are offered the position within five (5) business days of the position being filled.
- 18.8 For vacancies that are not filled internally (according to the preference order set forth above), the Hospital may employ the person who, in its judgment, will make the best employee.
- 18.9 Employees must be in their current position for a minimum of six (6) months in order to be eligible to apply for a posted position, unless the Hospital agrees otherwise.

- 18.10 Employees who have received a written warning or greater discipline within ninety (90) days prior to the date of the posting are ineligible to apply for a posted position, unless the Hospital agrees otherwise.
- 18.11 The above does not prevent the Hospital from filling a vacancy on a temporary basis by whatever means it deems necessary if it is unable to find a qualified applicant.
- 18.12 Once awarded a new position, the employee shall be released by his/her former department within thirty (30) calendar days.
- 18.13 The evaluation period is ninety (90) days for current employees who previously completed the initial probationary period and who then transfer to another job title/classification. If an employee transfers to a position in the same department/service area and job title/classification, there will be no new evaluation period. If at any time during the evaluation period, the Hospital determines that the employee is unable to perform satisfactory, the employee may be returned to his/her former position including shift, assignment and scheduled hours, provided the former position is still available. If the employee's position is not available, the employee will be returned to a comparable position in the same department and classification, provided such position exists.
- 18.14 Time spent on a leave of absence during the evaluation period will not count towards the completion of the evaluation period.

18.15 LEAD QUALIFICATIONS

Employees in bargaining unit lead classifications are part of the regular staffing complement in the department. Leads have experience in the operations of the department and have demonstrated critical thinking skills, effectively problem-solve and manage the workflow of the department.

The successful candidate must also possess proven leadership skills, including effective communication and interpersonal skills. Although Leads assist management in performing their lead functions, they are not considered Supervisors under the National Labor Relations Act.

ARTICLE 19 – ROH

- 19.1 “ROH” is defined as reduction of hours for all or part of an employee's shift as necessitated by low census, volume or other reasons related to patient care and operations that necessitate that staffing levels must be adjusted on a temporary basis.
- 19.2 No employee will be subject to mandatory ROHing for more than two full shifts or equivalent per pay period.

- 19.3 Provided the unit has the appropriate skill mix, employees are ROH'd in the following order:
- a. The Hospital will accept volunteers for ROH before any other employee provided that such voluntary ROH does not result in retaining an employee at premium pay who would have been ROH'd.
 - b. Registry
 - c. Employee receiving premium pay
 - d. Travelers, unless a contractual obligation of payment exists between the Hospital and Agency
 - e. Temporary employees
 - f. Casual employees
 - g. Part-time employees working shifts over and above their regular schedule
 - h. Relief employees
 - i. Full-time and part-time employees working their regular schedule by rotation
- 19.4 ROH NOTICE
- When canceling all or part of an employee's shift prior to the start of the shift, the Hospital will give the employee at least two (2) hours' notice. The Hospital will be considered to have given such notice if (a) it reaches the employee by telephone, or (b) it attempts to do so and documents the attempt, the telephone number, the date and time. Where possible, the Hospital shall leave a message or voicemail. It is the employee's responsibility to provide the Hospital with his/her current telephone number.
- 19.5 ROH that warrants reporting pay shall be paid in accordance with Article 12 (Compensation).
- 19.6 Use of PTO is at the employee's discretion when they have been ROH'd. Employees who are ROH'd will accrue PTO for the amount of time missed during the shift.
- 19.7 Once called off, an employee is considered off the schedule and shall not be required to maintain contact or be available for work, unless the employee has agreed to accept standby status.
- 19.8 Should an employee feel that they've been subject to excessive mandatory ROHing, they can request a meeting with their manager and Human Resources to discuss options for future mitigation.

ARTICLE 20 – LAYOFF

20.1 LAYOFF

- a. Layoff is defined as a workforce reduction expected to be more than fourteen (14) days in duration.
- b. Layoffs shall be determined by the job title/classification by Union Seniority. It is understood that the position affected may not be the same as the person actually laid off.
- c. Prior to implementing layoffs for bargaining unit employees, the Hospital will first seek to reduce or eliminate travelers and agency in the affected department or departments.
- d. The Hospital will provide the Union and affected employees with a minimum of three (3) weeks written notice or three (3) weeks' pay in lieu of notice. Upon request by the Union, the parties will engage in effects bargaining relative to a layoff.
- e. The Hospital shall select employees for layoff on the basis of seniority by job title/classification. A written warning or greater related to a patient care safety issue that has been issued over the preceding ninety (90) days may also be considered. The employee's Union Seniority shall govern, subject to the following exceptions:
 - i. If an employee who otherwise would be selected by Union Seniority possesses specialized skills which cannot be replaced adequately by the remaining employees in that job title in the same department/unit that employee may be passed over for layoff. It is understood that an employee can be "replaced adequately" by one (1) or more remaining employees if they can achieve the same skill set and skill level as that employee with no more than ten (10) shifts of instruction/orientation.
 - ii. If other employees in the same job title in the same job title/classification are unable or unwilling to accept the hours, scheduling and/or work commitment of the employee who would otherwise be laid off by Union Seniority, that employee may be passed over for layoff.

20.2 LAYOFF ORDER

Consistent with the guidelines set forth above, employees will be selected for layoff in the following order:

- a. Temporary employees
- b. Relief and Casual employees in inverse order of Union Seniority in the job title/classification to be impacted
- c. Regular Full-time and Part-time employees in inverse order of Union Seniority in the job title/classification to be impacted

20.3 RECALL

Employees shall remain on a recall list for twelve (12) months after being laid off and will be eligible for recall to any vacancy within their job title/classification in his/her Union Seniority order, the most senior employee being recalled first.

- a. An employee on the recall list must respond to a recall notice within three (3) business days of receipt of the offer via certified mail, and must be available to fill the position within ten (10) business days of receipt of the offer. If an employee is unable to meet both of these requirements, the offer of recall may be revoked and the employee will be removed from the recall list.
- b. Employees on the recall list must ensure that the Hospital has the employee's current mailing address and telephone number.
- c. Notification of recall will be sent via certified mail. As a courtesy, the Hospital will also call the employee at the telephone number provided.

ARTICLE 21 – HEALTH AND WELFARE PROGRAM

Effective January 1, 2022, the Hospital will provide eligible full-time and part-time employees covered by this Agreement with the same medical, dental, vision, life, accidental death & dismemberment, dependent life, long-term disability, short-term disability, medical, reimbursement account and dependent care coverage that it provides to its non-bargaining unit employees, subject to the terms, conditions, limitations and other provisions of the respective plan documents, and subject to the same employee contributions, cost-sharing, premiums, and surcharges as are charged to such non-bargaining unit employees. Subject to plan provisions such as evidence of insurability for supplemental life insurance, employees hired into full-time and part-time positions will be eligible for coverage as of their first day of employment.

The Hospital agrees to maintain a PPO medical plan as an option for benefits eligible full-time and part-time employees covered by this Agreement in plan years 2020, 2021, 2022, 2023 and 2024, subject to the terms, conditions, limitations and other provisions of the respective plan documents.

For the remainder of plan year 2020 and for plan year 2021, the premiums for all of the medical plans will remain at their current levels.

Beginning in plan year 2022 and continuing in each subsequent year, premiums for the EPO HRA and HSA medical plans shall not increase by more than 10% annually on a blended average basis, meaning for some categories the increases can be greater than 10% and others less than 10%. Beginning in plan year 2022 and continuing in each subsequent year, premiums for the PPO medical plan shall not increase by more than 20% annually during the term of this contract. (The increases in the PPO premium will not be included in, or otherwise be credited, or

accounted against, the blended average calculation for other plans.) In no case, however, will the premiums charged to bargaining unit caregivers exceed those charged to non-represented employees. Also beginning in plan year 2022 and continuing in each subsequent year, part-time status (solely for purposes of benefits covered by this Article) will be measured as 0.50 to 0.74 FTE, and full-time status will be 0.75 FTE to 1.00 FTE.

ARTICLE 22 – PAID TIME OFF (PTO)

22.1 ELIGIBILITY FOR PAID TIME OFF (PTO)

All benefited employees are eligible for PTO.

An employee who changes to non-benefited status and returns to benefited status within twelve (12) months will be re-instated with the PTO accrual rate in place at the time of the status change.

22.2 ACCRUAL OF PTO BENEFITS

PTO begins accruing on the first day of work in a benefited position. PTO may be used as it is earned.

22.3 PAID TIME OFF (“PTO”) ACCRUAL RATES

Full-Time employees – Effective August 28, 2016:

a. Until January 2021

b. Effective the First Full Pay Period in January 2021

The following the PTO accrual rates are in effect beginning in the first full pay period that begins in January 2021, and shall apply through the final pay period that begins in December 2023:

** The maximum PTO balance is not prorated by FTE.

e. Transitional Provisions

Any employee whose PTO balance is above the PTO maximum as a result of the implementation of the new PTO accrual rates specified in Section 22.3(b) will automatically be cashed out PTO in January 2024 such that the remaining balance

will be 36 hours below the applicable maximum (permitting the employee to continue accruing PTO).

In July 2024, employees in the following three of eligibility groups will receive a one-time transitional PTO deposit (up to the applicable maximum accrual) as stated below:

- i. Employees who, as of December 31, 2023, were in the former "grandfathered" PTO accrual tier (for employees with 15+ years service as of August 27, 2016) will receive a deposit of 40 hours' PTO (20 hours' PTO for part-time employees).

PTO hours are added to an employee's account at the completion of an entire fourteen (14) day pay period. PTO may be used as it is earned.

PTO will stop accruing once an employee has reached his/her maximum accrual until the PTO balance falls below the maximum accrual cap.

22.5 REDEMPTION OF PTO

Upon termination, an employee will be paid her/his PTO balance as of the last complete day worked. The payment will be made at the current base rate of pay, plus shift differential if applicable.

 - v. All PTO Cash-Outs are subject to taxation at the supplemental income tax rate. If an employee who has elected PTO Cash-Out has insufficient hours in their PTO bank at the time of the Cash-Out to cover the hours elected for Cash-Out, they will not be permitted to cash out PTO on that date. However, the employee may cash out PTO at the second date that year, provided that they elected to do so during the election period and there are sufficient hours in their PTO bank.

- b. The decision to grant a PLA shall be at the Hospital’s sole discretion, which shall not be unreasonably denied.
- c. If the Hospital grants an employee’s request for a PLA, shall be without pay.

If the duration of the PLA is greater than sixty (60) days, reinstatement to the position held by the employee at the commencement of the PLA is not guaranteed. Prior to releasing the employee's position during or at the end of a PLA, the Hospital will notify the employee.

24.3 BEREAVEMENT LEAVE

a. Eligibility

Bereavement leave is available for the death of a qualifying relative, defined as: current spouse or registered domestic partner, child, parent, sibling, stepparent, stepchild, stepsibling, grandparent or grandchild, a person who stood in loco parentis (legal responsibility of a person to take on the functions and responsibilities of a parent), or current in-law relationships through marriage or registered domestic partnership of the above. - iii. Non-benefitted employees are eligible for up to five (5) days unpaid time off each calendar year for the death of a qualifying relative.
- iv. The employee and the Hospital may agree to extend the period of bereavement leave. This extension may be unpaid or the employee may use PTO at the Hospital's discretion. The Hospital will not unreasonably deny such a request.
- v. In the case of the death of a person who is a relative or other loved one, but not a qualifying relative, the Hospital will grant PTO requests when feasible for attendance at a funeral. In considering such requests, the Hospital shall give

special consideration to employees who have not used their bereavement leave benefit.

25.1 TUITION REIMBURSEMENT

The Hospital will provide educational opportunities to employees who participate in educational courses that will result in an occupational certification or degree from an accredited university or college in healthcare related fields that benefit the Hospital in accordance with the Hospital's Education Reimbursement policy, as amended from time to time. In no event, however, shall the total reimbursement amounts available under the Education Reimbursement policy be reduced for unit employees during the life of the Agreement. All Full-time employees are eligible to receive five (5) paid days of educational leave each year to attend courses, institutes, workshops, or classes of an educational nature as approved by the Hospital. Such continuing education benefits shall be administered in accordance with the Continuing Education Benefit policy, as amended from time to time. Such time shall not be considered hours worked for overtime purposes.

ARTICLE 28 – DISCIPLINE AND DISCHARGE

- 28.1 The Hospital shall have the right to assess discipline or discharge against any employee for just cause. This "just cause" provision shall not apply to an employee who is still in his/her introductory period.
- 28.2 The foregoing shall not limit the Hospital's right to place an employee on paid administrative leave pending investigation to determine whether disciplinary action is in fact warranted.
- 28.3 The Hospital will utilize a system of progressive discipline unless there is a serious offense that warrants bypassing one (1) or more of the progressive disciplinary steps. If there are no further formal disciplinary actions within one (1) year from receiving a verbal with corrective action plan, written or final warning, the disciplinary notice will not be considered for future discipline. The one (1) year will be extended by the length of any leave(s) of absence.
- 28.4 Any employee involved in any investigatory discussion with Hospital management will be advised of the reason for the meeting and that it may lead to discipline. Should the

employee have any questions about such meetings, they may contact either the Union Representative or Human Resources.

- 28.5 Upon request from an employee, the employee has the right to request a Union representative be present during such meetings. However, the Union representative must be available to attend the meeting within forty-eight (48) hours, not including weekends and recognized holidays, of such request. If a Union representative cannot be present within the forty-eight (48) hour time frame the investigatory discussion may proceed as scheduled by the Hospital.
- a. Notification to the employee of the need for an investigatory meeting shall be done in writing and include the date, time, and location of the meeting.
 - b. Investigatory meetings shall be limited to the issue(s) about which the employee was provided prior notification.
- 28.6 During any investigatory and/or disciplinary meetings, Hospital and Union representatives will conduct themselves in a professional and respectful manner.
- 28.7 The Hospital shall take disciplinary action no later than thirty (30) calendar days after the date the Hospital became aware of the act leading to discipline. The Hospital may request an extension if necessary to complete an investigation. The Union shall not unreasonably deny such a request.
- 28.8 When a disciplinary matter or investigation is closed, and a discipline is not being issued as a result, the employee will be notified in writing within one (1) week of the matter being closed.
- 28.9 In the case an interpreter is requested by an employee for an investigatory and/or disciplinary meeting, the interpreter shall be by mutual agreement between the Union and the Hospital.
- 28.10 Meetings of a disciplinary nature (i.e. verbal with corrective action plan, written warning, final written warning, suspension or termination) and/or fact findings shall take place in a private setting.

ARTICLE 29 – EMPLOYEE PERSONNEL FILES

- 29.1 There shall be one official HR personnel file and one official department file for all bargaining unit employees. Employees shall receive copies of all evaluations and other documents related to their performance which they have signed and are placed in their personnel file.
- 29.2 An employee who receives a written warning shall be given a copy of the warning and shall sign a receipt to acknowledge having received the document. Acknowledging receipt of the warning shall not constitute an admission of the employee's agreement with

the substance of the warning. An employee shall have the right to rebut in writing any such disciplinary notice. Such rebuttals, other than grievances, shall be attached to the disciplinary notice and placed in the employee's personnel file.

- 29.3 Employees may, at reasonable times and at reasonable intervals, review their personnel files upon request. Review of personnel files shall not include a review of references. Review of personnel files may only be done during normal business hours and during an employee's non-working time. Upon request, the Hospital will provide one copy of each requested document in the employee's personnel file.
- 29.4 Upon request from the Union and once the Hospital is in receipt of the written authorization from the employee, the Hospital will provide an accurate, complete, and up to date copy of an employee personnel file.

ARTICLE 30 – GRIEVANCE AND ARBITRATION

30.1 DEFINITIONS

- a. A grievance is defined as a dispute concerning the interpretation or application of an express provision of this Agreement, except of those Articles or provisions that are expressly not subject to the grievance procedure.
- b. Days shall mean calendar days. The date of receipt of a particular form or report provided for herein will not count as a day for the purposes of calculating time periods contained in this Article. If the last day for responding and acting is a Saturday, Sunday or Holiday (as defined by this Agreement), the period shall be extended to the next day which is not a Saturday, Sunday or Holiday.

30.2 GENERAL

Grievances shall be resolved exclusively via the procedures set forth in this Article. Time periods provided for herein may be waived only by the express written agreement of both parties. Failure of the grieving party to comply with all applicable time frames shall cause the grievance to be dismissed with prejudice. If the Hospital does not timely respond to a Union grievance, the grievance shall automatically move to the next step.

- a. The parties shall agree that is their mutual intent to resolve all grievances, if possible expeditiously and informally. Any grievance resolved at any step of the grievance procedure shall be resolved on a non-precedent setting basis unless the parties expressly agree otherwise in writing. All written agreements must be signed by the Hospital's Area Director of Human Resources and designated Union representative.
- b. Unless otherwise specified, all notices or forms to be filed by the Union must be filed with the Area Director of Human Resources or his/her designee. All notices and forms filed by the Hospital shall be filed with the Union.

As such, employee are encouraged first to discuss their dispute with their supervisors/direct reports (except for discharge situations) or Human Resources, to discuss the complaint informally. If the complaint is not resolved to the employee's satisfaction and if the employee wishes to pursue his/her complaint, the following grievance steps shall be followed.

b. Step 2 – Review with Human Resources Manager

If the matter has not been resolved informally at Step 1, the Union must file a written grievance with the Human Resources Manager, or his/her designee. The grievance must be filed not more than twenty (20) days following the date the Union first became aware or reasonably should have become aware of the incident from which the grievance arises. During the twenty (20) day period following receipt of the written grievance, the parties shall meet in an attempt to resolve the grievance. Neither party shall bring more than three (3) representatives to such meeting unless otherwise agreed to in advance by both parties; the Hospital shall bring the relevant supervisor and/or manager, the Union shall bring the grievant and no more than one (1) employee representative unless otherwise agreed. The Hospital shall respond in writing to the grievance within ten (10) days after the Step 2 meeting.

c. Step 3 – Review by Area Director of Human Resources

If the grievance is not resolved at Step 2, the Union may proceed by delivering a written statement indicating its intent to proceed to the Area Director of Human Resources, or designee. This must be accomplished within twenty (20) days of the date of the Hospital's Step 2 response. During the twenty (20) day period following receipt of the written intent to proceed, the Area Director of Human Resources, or designee, the NUHW Staff Representative, or designee, and the parties shall meet in an attempt to resolve the grievance. Neither party shall bring more than three (3) representatives to such meeting unless otherwise agreed to in advance by both parties. No more than one (1) employee representative shall attend unless otherwise agreed to. The Hospital shall respond in writing to the grievance within ten (10) days after the Step 3 meeting.

30.4 GRIEVANCE PROCEDURE DISCIPLINE AND DISCHARGE

a. Step 1 – Review with Human Resources Manager

The employee or Union must file a written grievance with the Human Resources Manager, or his/her designee. The grievance must be filed not more than seven (7) days following the date the discipline is issued. During the seven (7) day period following receipt of the written grievance, the parties shall meet in an attempt to resolve the grievance. Neither party shall bring more than three (3) representatives to such meeting unless otherwise agreed to in advance by both parties; the Hospital shall bring the relevant supervisor and/or manager; the Union shall bring the grievant and

no more than one (1) employee representative unless otherwise agreed. The Hospital shall respond in writing to the grievance within ten (10) days after the Step 1 meeting.

b. Step 2 – Review by Area Director of Human Resources

If the grievance is not resolved at Step 1, the Union may proceed by delivering a written statement indicating its intent to proceed to the Area Director of Human resources, or designee. This must be accomplished within seven (7) days of the date of the Hospital's Step 1 response. During the seven (7) day period following receipt of the written intent to proceed, the Area Director of Human resources, or designee, the NUHW Staff Representative, or designee, and the parties shall meet in an attempt to resolve the grievance. Neither party shall bring more than three (3) representatives to such meeting unless otherwise agreed to in advance by both parties. No more than one (1) employee representative shall attend unless otherwise agreed to. The Hospital shall respond in writing to the grievance within ten (10) days after the Step 2 meeting.

30.5 HOSPITAL GRIEVANCES

Hospital grievances shall be submitted at the Step 3 level in writing to the Union's Field Representative. If requested, a Union Representative and Area Director of the Human Resources, or designee, shall meet in an effort to resolve the grievance within twenty (20) days of the date of the written grievance. The Union shall provide an answer, in writing, within ten (10) days following the meeting, or within ten (10) days after the date of the Hospital's grievance if no meeting is requested.

30.6 ARBITRATION

If the parties are unable to resolve the grievance pursuant to the above procedures, either party may submit a written request for arbitration to the other party within thirty (30) days of receipt of the Step 3 response.

Within seven (7) days of receipt of a request for arbitration, the parties will attempt to reach mutual agreement on an arbitrator. If they cannot do so in that time frame, they will jointly request a panel of seven arbitrators from the FMCS. The parties will alternately strike names from that list until they have reached agreement, or only one name remains.

The costs associated with the arbitration, such as arbitrator fees, room fees and transcript costs shall be shared equally by the parties. This provision does not apply to either party's legal fees.

The Arbitrator shall have no power to add to, to subtract from or to change any of the terms or provisions of the Agreement. The arbitrator's authority will be limited to interpreting the provisions of the Agreement, and the arbitrator has no authority to add to, subtract from or modify the Agreement. The arbitrator's decision will be final and binding upon all parties concerned.

ARTICLE 31 – NON DISCRIMINATION

There shall be no discrimination by either party to this Agreement or by any covered employees because of membership or non-membership in the Union, or because of lack of participation in activity on behalf of or in opposition to the Union; or on the basis of race, religious creed, political affiliation, color, national origin, ancestry, physical or mental disability, medical condition, marital status, sex (including pregnancy, childbirth, and medical conditions relating to pregnancy or childbirth), gender/gender identity, gender expression, age, sexual orientation, military and veteran status, genetics, or any other legally protected characteristic.

All health examinations required by the Hospital, including tests ordered by the medical provider, shall be given without charge to the employee. In the event the Hospital requires the employee to have the examination during scheduled work time, such employee shall not suffer a loss of pay. The examination report provided to the Hospital shall be limited to information that indicates whether the employee is physically and mentally qualified to perform the essential functions of the position, with or without any accommodation.

34.1 OBJECTIVES

Should either party wish to bring additional representatives as guests or to address a specific topic, they will notify the other party of the additional representatives as part of the exchange of proposed agendas. The Hospital will also make reasonable efforts to include managers requested by the Union to help address specific issues, provided the request is made no later than the due date for the agenda.

In the event the LMAC cannot resolve a difference of opinion within 120 days of the date the item was first addressed at an LMAC meeting, either the Union or the Employer, within thirty (30) days following the end of the 120-day period referenced above, may refer the difference of opinion to a mutually agreed upon neutral third party to mediate the dispute. If there is no agreement on the mediator, the mediator shall be selected from the Federal Mediation and Conciliation Service. The mediator shall not have the authority to issue a binding decision.

In making any recommendation, the Mediator must take into account area standards on staffing, state and federal laws, physician recommendations regarding quality of care, business and any other relevant information presented by the parties.

In the event that any provision of this Agreement is found to be in conflict with state or federal law, the remaining provisions of this Agreement shall remain in full force and effect.

- 37.1 For the duration of the Agreement, and any extensions there to, the Union and its members or other agents shall not threaten, sanction, encourage nor participate in any way in any strike, sympathy strike, walkout, slowdown, sickout, or other interference with any operation of the Hospital covered by this Agreement. In the event any such action occurs, or is threatened, the Union and its representatives will immediately take all appropriate action to end or avert same.
- 37.2 The Hospital agrees that during the term of this Agreement or any extensions there to, it will not engage in any lockout of employees covered by this Agreement.
- 37.3 Neither the violation of any provision of this Agreement by any person, nor any other act or omission by any representative of either party, will excuse either the Union, the Hospital or bargaining unit employees from any and all of their obligations covered by this Article.
- 37.4 The Union and the Hospital will have the right to seek full judicial remedies, including injunctive relief and damages, for any claimed violation of this Article in addition to all other remedies provided by this Agreement. There shall be no obligation to arbitrate any claimed violation before seeking such judicial relief.

ARTICLE 38 – DURATION

This Agreement shall become effective upon ratification, December 16, 2020, and shall remain in full force and effect through December 16, 2024. This Agreement shall remain in full force and effect from year to year thereafter, unless at least ninety (90) days prior to the expiration of the term or any year to year renewal period thereafter, either party receives written notice from the other of its intent to terminate or modify the contract.

COPE AUTHORIZATION Voluntary Campaign Contributions

In order to build political power for healthcare workers by helping win on issues and elect candidates who are supportive of healthcare and workers rights, I hereby authorize and direct my employer to deduct from my paycheck the following sum and remit that amount to NUHW COPE.

Please make a monthly deduction from my paycheck in the amount of:
_____ \$5 _____ \$10 _____ \$15 _____ \$20 _____ \$ per month.

I understand that this deduction is not tax-deductible and that this contribution is strictly voluntary and will be used for political purposes.

The signing of this authorization form and the making of these voluntary contributions are not conditions of membership in NUHW nor of my employment. My Union will not favor or disadvantage anyone by reason of the amount of their contribution or decision not to contribute. I may refuse to contribute without reprisal. My payroll deduction will continue until I notify NUHW in writing of any change. APPENDIX III – NUHW-SRMH 121 SOTOYOME OUTPATIENT IMAGING INTEGRATION TERMS

The terms "121 Sotoyome" shall be used to refer to any employee covered by the Voluntary Recognition Agreement signed between the parties resolving the NLRB petition 20-RC-169505. Specifically, the covered classifications are:

Medical Asst/Med Receptionist	MRI Technologist - NU
Lead Medical Receptionist	Nuclear Med Technologist
Lead Transcriptionist	Radiologic Technologist
Medical Receptionist	Radiologic Technologist - PD
Scheduler	Sr Radiologic Technologist
CT Technologist - NU	Ultrasound Technologist
Dexa Tech	Document Imaging Tech
Lead Mammography Technologist	Medical Asst - NU
Lead MRI Technologist	Medical Asst/Med Receptionist
Lead Radiologic Technologist	Medical Receptionist
Mammography Technologist	Vascular Technologist
Medical Asst - NU	Lead Nuclear Med Tech

1. **SCOPE OF AGREEMENT**

In the event there are changes at 121 Sotoyome as the result of integrating the facility with Santa Rosa Memorial Hospital (Hospital), any mandatory subject or impact related to a mandatory subject not covered within this agreement is subject to bargaining at the request of either party. The parties may agree to engage in additional bargaining over non-mandatory subjects by mutual agreement.

2. **WAGES**

All impacted workers classified into 121 Outpatient positions will receive the wages and differentials that are one full pay grade below those wages outlined in the Collective Bargaining Agreement (CBA). For the transition, existing employees shall be given up to nine (9) years of experience for placement on the scale. *[see attached employee crosswalk for exact placement of each employee]*.

No employee shall suffer a reduction in wages as the result of this process. In the event an employee is above the existing wage scale, the employee shall be "red circled" and thus not receive step or other base salary increases until such time as the salary scale is at or above the employees current wage. However, pursuant to the collective bargaining agreement, employees shall receive a lump sum bonus equivalent to the percentage the scale is slated to increase.

The effective date of wage changes shall be the beginning of the first full pay period following ratification.

3. IMPLEMENTATION OF WAGES

The parties agree to schedule and hold additional meetings as necessary in a timely manner in order to implement wage changes. In doing so, the parties agree to only change this integration agreement by mutual agreement.

4. HOLIDAYS

The Hospital will make a reasonable effort to direct procedures scheduled on holidays first to Santa Rosa Memorial prior to opening 121 Sotoyome on a Holiday.

In the event the Hospital decides to open 121 Sotoyome on a holiday, available shifts will be filled by volunteers. Seniority will be the tie-breaker, then based on rotation.

5. FLOATING

No 121 Sotoyome employee will be required to float to the Hospital or suffer any retaliation for refusing to do so.

121 Sotoyome employees who are hired into or later accept a job description permitting floating to the Hospital shall still have their primary work assignment be 121 Sotoyome work.

Upon the ratification of this agreement, should a 121 Sotoyome employee volunteer to float, they shall be reclassified into the corresponding Hospital position. In such Hospital position, all floating provisions and corresponding salary rates for Hospital employees in the collective bargaining agreement apply. No employee shall float who has not been properly trained and oriented. Training and orientation must be completed within six months after the 121 Sotoyome employee starts to work in a position that floats; if not completed, within that time, the employee's salary rate will be reduced to the outpatient-only rate until training is completed unless the delay in training is the result of the Hospital not providing a sufficient opportunity to complete it.

In any event, Hospital employees will be allowed to float to 121 Sotoyome pursuant to the provisions of the collective bargaining agreement. Hospital employees who float to 121 Sotoyome shall not displace any employees who are scheduled to work or are able to work.

No employee shall be floated either to or from 121 Sotoyome unless the Employer has made best efforts to first call all qualified employees at either 121 Sotoyome or the Hospital on the basis of seniority and asking them to work.

Upon ratification of the 2020-2024 Agreement, incumbent employees at 121 Sotoyome who are currently required to float as part of their job description shall be given the one-

time option to accept a 121 Sotoyome-only position. The Hospital will provide a 90-day window for such elections. If the number of reclassification requests exceeds the business needs of the Hospital, the Hospital will honor those requests that it can, in seniority order. (At its sole option, the Hospital may "wait list" rejected applicants for eventual reclassification.)

Upon reclassification, those employees will be subject to the 121 Sotoyome job descriptions and associated wages and working conditions. In the event an employee is above the existing wage scale, the employee shall be "red circled" and thus not receive across-the-board, step or other base salary increases until the earlier of: (1) such time as the salary scale is at or above the employees current wage; or (2) the first full pay period after the one-year anniversary of the ratification of this Agreement.

In the event there is a situation where the life of a patient may be in danger, there shall be no restriction on employees moving between 121 Sotoyome and the Hospital.

Relief employees may apply for positions at both the Hospital and the 121 facility.

6. ON-CALL

No employee who has elected not to float shall be required to take call. The Employer will consider the impact on the existing Hospital employees who take call. If call for additional modalities beyond those that currently have call is implemented, this provision shall apply.

7. WORKLOAD

In the event there are unfilled shifts at 121 Sotoyome due to floating, call-offs, or other unscheduled absences, employees may be asked to perform additional work. With respect to this additional work, employees performance reviews shall not be negatively impacted, nor shall the employee suffer coercion, solely for failing to accomplish the additional duties beyond a typical day's work. By mutual agreement the parties may convene a joint-labor management committee to review the impacts of unfilled shifts at 121 Sotoyome within six (6) months of ratification.

8. WEEKENDS

121 employees who elect not to float shall not be subject to collective bargaining agreement requirements to work every other weekend unless specified in their job or a regularly filled shift goes unfilled due to medical leave, sick leave, or vacation.

9. CHANGES IN FACILITY HOURS

In the event the Employer desires to increase hours of operation, they shall make best efforts to staff increased hours by creating and filling new positions before eliminating existing positions.

10. FILLING OF VACANCIES

121 Sotoyome will be treated as a separate department from Hospital imaging for purposes of filling of vacancies.

11. UNION SENIORITY

121 Sotoyome employees shall have as their Union seniority date their original date of hire in the facility for all purposes except for Article 20 - Layoff. For purposes of layoff of all employees covered under this agreement, system seniority shall be used.

12. GRIEVANCE AND ARBITRATION

This agreement is subject to the NUHW-SRMH grievance and arbitration procedure, expiration of the contract notwithstanding.

13. 990 SONOMA

The Hospital agrees to voluntarily recognize all schedulers and their bargaining unit work, located at 990 Sonoma facility operated by the Hospital as listed on Attachment A. The terms of this integration agreement shall apply to 990 Sonoma schedulers. The parties shall conduct implementation bargaining of the 990 Sonoma workers at the request of either party on subjects that are not covered by this agreement but are subject to impact bargaining. The parties will be responsive in scheduling and conducting implementation bargaining.

14. MAINTENANCE OF PAST PRACTICE

All established past practices shall remain in effect where such practices do not conflict with the CBA.
