BARGAINING UPDATE

JANUARY 23, 2020

ON JANUARY 14 AND 15, WE KICKED OFF 2020 WITH TWO DAYS OF BARGAINING WITH HOSPITAL MANAGEMENT

In addition to presenting a comprehensive economic package, we proposed moving 23 different classifications up a grade on the wage scale, and increasing the starting rate for grades 1E to 4E by \$2 an hour. These proposed changes are an important way to honor those who do so much in our hospital, yet are paid the least.

We also continued to fight off any takeaways to our healthcare and our PTO accruals, and discussed how to reconfigure our proposal around safe staffing. We know we must stand strong in our commitment to fair wages and safe staffing.
