

LET'S GET READY TO BARGAIN!

FIRST
BARGAINING
SESSION
WEDS, JUNE 2
1PM

Everyone's participation is critical
to winning a strong contract!

OUR BARGAINING PRIORITIES

Hundreds of us completed bargaining surveys in recent weeks. The issues cited as most important are: wages, improved health and retirement benefits, pandemic protections, and staffing and scheduling concerns.

WHAT HAPPENS NEXT

Our bargaining team has been busy preparing for bargaining, including preparing contract proposals based on our survey responses. Our first bargaining session is on **Wednesday, June 2**— and we will be ready!

"All members are welcome at bargaining sessions, not just members of the bargaining team. Attending bargaining is a great way for us to support each other while learning more about our contract. And the more of us who attend bargaining, the more we show management we are strong and united to win!"
