

2020 NUHW CONTRACT CAMPAIGN SALINAS VALLEY MEMORIAL HOSPITAL

March 11, 2020

This week, NUHW members kick off our 2020 contract campaign at Salinas Valley Memorial Hospital. Our very real goal is to achieve a new contract which reflects the value and commitment of every NUHW caregiver. To be successful, it will take every NUHW member getting involved in this effort.

The first step in this campaign will be to determine what our bargaining priorities will be. To determine this, we are asking every member to complete the 2020 NUHW-SVMH contract survey. You can access the contract survey by either:

- Contacting your NUHW department Shop Steward, or
- Visiting **[NUHW.org/SVMH-survey](https://nuhw.org/SVMH-survey)** to complete your survey online.

Please be sure to complete your survey by the end of the day on Wednesday, March 25.

Please don't hesitate to contact your department Shop Steward if you have any questions or concerns.
