**NUHW-AHMC NEGOTIATIONS UPDATE**

JULY 6, 2020

## **MEMBERSHIP MEETINGS JULY 8 IN FRONT OF HOSPITAL**

After three weeks of negotiations between your NUHW bargaining committee and AHMC (the new owners of Seton Medical Center & Seton Coastside), a last, best, and final offer was presented to the NUHW. AHMC's final offer included:

- **Drastic reductions to our retirement plan**
- **Elimination of No Subcontracting (giving AHMC the right to get rid of our jobs)**
- **Majors reductions to our current PTO/ESL benefits**
- **Wage freeze (including no step increases) for the next year**

We will be holding membership meetings on **Wednesday, July 8**, in front of the hospital (we will practice social distancing, and all should wear masks) to present all the details and answer any questions. Additionally, we will conduct an online ZOOM meeting at 7pm to again present all the details of management's final offer and answer any questions.

We ask every NUHW member to attend one of these important meetings on Wednesday, July 8. What AHMC is proposing will have a major impact on us, our families, and our patients.
