

WellPath continues to delay coming back to the bargaining table

INFORMATIONAL PICKET

FRIDAY, JANUARY 28 - 1:30 - 4:30PM

After more than a year of bargaining, WellPath is dragging their feet in coming back to the bargaining table to negotiate wage increases, PTO, and other economic issues.

These stall tactics will not be tolerated, and we will not be ignored.

In response to the Employer dragging its feet about setting dates for bargaining and their refusal to give us a meaningful economic offer, the negotiating committee has authorized the Union to give 10 days notice of an informational picket. We will hold membership meetings on January 20 for Sonoma and January 21 for Stanislaus via Zoom to answer any questions regarding bargaining and the informational picket.

A picket is not a strike or a work stoppage. It means that on breaks, lunches or while off shift, we will picket in front of the jail. Friends and family are welcome to join!

Enough is enough! We must show WellPath that we expect to continue to bargain in good faith until we reach a fair contract.

We will not be overlooked!

Please join us at a general membership meeting for additional details:

SONOMA

Thursday, January 20 - 7PM

STANISLAUS

Friday, January 21 - 7PM

Meeting will be conducted via Zoom — watch for an email and text with information to join the Zoom meeting.
