

BARGAINING UPDATE

October 4, 2022

Our NUHW Bargaining Committee met with management three times over the last three weeks.

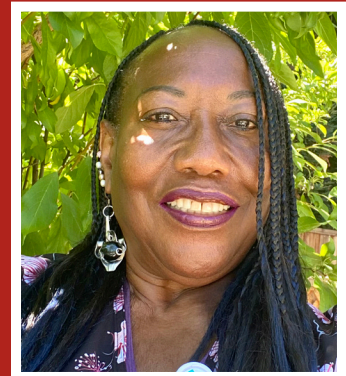

PROGRESS

We reached agreement on the following articles:

- **Employee Evaluations**
- **Employee Categories**
- **Preamble**
- **No Discrimination**
- **Leaves of Absence**

LACK OF PROGRESS

There are still 13 non-economic proposals in management's court, many of which they haven't responded to in months.

"In our latest session on October 4, management came to the meeting and offered us ZERO proposals. When several of our Bargaining Team members respectfully told them how disappointed we were with the slow pace, and the fact that they appear to not be taking these negotiations very seriously, they responded by saying that they 'don't need to take any baloney' from us and threatened to end the meeting. It's clear that we're going to have to really fight for a fair contract. Continue to show your dedication towards a fair contract."
