

# UNION DEPARTMENT MEETINGS IN JUNE 2022

NUHW Bargaining Team Members will be holding department meetings ALL THIS MONTH for you to share your thoughts on improvements you want to make in our next contract.

We will negotiate with PCSTMC management over improvements to our wages, on call/stand by pay, differentials, health care, issues affecting patient care like staffing, and more.

**NEXT STEP: COME TO YOUR DEPARTMENT MEETING!** Talk to your coworkers about what is important to you. Learn about the negotiations process and your role in winning a great contract! (We'll review bargaining survey results and share initial research on wages/ contract comparisons). Meetings are in person in the Etiwanda Building.
