

Verdugo Hills Hospital  
**BARGAINING REPORT**

May 16, 2024

Yesterday was the first day of negotiations for USC Verdugo Hills Hospital and more than a dozen members of our Bargaining Committee attended.

We discussed different proposals relating to:

Our union recognition as one group of workers under one contract. This is important because we need to fight together and stress unification among all of us. Management wants to keep us divided by having two separate contracts. We say no. We will continue to fight as ONE for one contract.

Subcontracting, we submitted a proposal to protect us from management's attempts at outsourcing our jobs.

We were able to tentatively agreed on a few proposals that deal with protections and administration of the contract. We are waiting to hear from management on a number of other proposals.

## NEXT BARGAINING

Our next negotiating meeting is on Wednesday, May 22 starting at 10 a.m.  
LOCATION: NUHW office, 225 W Broadway #400, in Glendale.

Reach out to your bargaining committee for further information.
