

# NUHW CONTRACT BOOKS ARE HERE!

Contract booklets for our current NUHW agreement at West Anaheim Medical Center have arrived!

Our 2022 contracts made huge gains in terms of wages, benefits, and workplace protections. It's important for all union members to have copies of their union contract so they know their rights and can defend themselves and their coworkers if management violates the agreement.

**Contract distribution day is Tuesday, November 15**

**11:30am - 1:30pm**

**5:30pm - 7:30pm**

**LOCATION: Cafeteria**
