## TAKING OUR DEMANDS TO MANAGEMENT!

On December 16, a delegation of NUHW members at WAMC delivered a petition to Frank Amato, Director of Human Resources. Our petition, signed by nearly 100 members, urges management to reinstate the temporary COVID pay increase from July and expand it to additional job classes.

We continue to fight to hold WAMC management accountable to keeping everyone safe. We hold regular meetings with management to bring our concerns to the table, including lax screening practices, short staffing, and shortages of life-saving medical equipment. Our next meeting is December 17 at noon.

**This winter, we are facing the worst COVID surge yet. Now, more than ever, management must respect our safety!**
