Bargaining Team says **NO WAY** to miniscule wage “increase” proposed by WellPath

On August 11 we presented our counter proposal to WellPath, proposing a minimum 5 percent increase upon contract ratification, and subsequent wage increases of 3.75 percent on the first and second anniversaries of the ratification.

We also proposed shift differentials of 7.5 percent for all hours worked between 3PM and 11PM and 17 percent for all hours worked between 11PM and 7AM.

Instead of discussing our proposal at the bargaining table that day, management said that they would respond during our next meeting on August 23.

Please continue to turn out to bargaining sessions to help show WellPath we're strong and serious about winning a fair deal!

MEETING WITH STANISLAUS COUNTY SHERIFF JEFF DIRKSE

*Wednesday, September 1
at 2:00PM*

This is a unique opportunity for us to work with Sheriff Dirkse to address our concerns in the workplace. Rest assured, our intention is to seek collaboration, not contention, working together to identify ways to improve health and safety for ourselves, Sheriff Deputies, and inmates.
