

WEST ANAHEIM MEDICAL CENTER

# STRIKE AUTHORIZED!

99 percent of members who voted say YES

After two days of voting, the results are in:

96 percent of members from West Anaheim Medical Center turned out to vote and 99 percent voted YES to authorize the Bargaining Committee to call for a five-day strike.

This sends another powerful message to management that we continue to be united and committed to fight for recognition for our hard work.

**There are more bargaining sessions scheduled for January 4, 10, and 21.**

All members are encouraged to attend.

*"Management cares more about profits than their patients and staff. We went from heroes to zeroes. Their lack of respect and refusal to bargain in good faith has resulted in high turnover, jeopardizing patient care."*
